STATUTES

In the year two thousand and twelve, on the seventeenth day of September
Before Maître Henri Hellinckx, notary residing in Luxembourg.

There appeared:

Mirabaud Asset Management (Europe) S.A., a société anonyme, incorporated and existing under the laws of the Grand Duchy of Luxembourg, having its registered office at 26b boulevard royal, L-2449 Luxembourg, Grand Duchy of Luxembourg registered with the Registre de Commerce et des Sociétés, Luxembourg, under number B 160.383, incorporated by a notarial deed of the undersigned notary on 15 April 2011,

here represented by Me Anne-Sophie Lliteras, avocat, professionally residing in Luxembourg, by virtue of a proxy given on 3 September 2012.

The proxy signed "ne varietur" by the appearing party and the undersigned notary, shall remain annexed to this document to be registered together therewith.

Such appearing party, represented as aforementioned, has requested the undersigned notary to state as follows the articles of incorporation of a company which is hereby formed.

Title I. Denomination, Registered office, Duration, Object

Art. 1. There is hereby established among the subscribers and all those who may become owners of shares of the Company hereafter issued, a company in the form of a société anonyme qualifying as a société d'investissement à capital variable – fonds d'investissement spécialisé (investment company with variable capital specialised investment fund) under the name of "M Luxembourg SIF" (the "Company").

Art. 2. The registered office of the Company is established in the City of Luxembourg, Grand Duchy of Luxembourg.

Branches, subsidiaries or other offices may be established either in the Grand Duchy of Luxembourg or abroad by a decision of the board of directors (the "Board"). If permitted by and under the conditions set forth in Luxembourg laws and regulations, the Board may transfer the registered office of the Company to any other municipality in the Grand Duchy of Luxembourg.

In the event that the Board determines that extraordinary political, economical, social or military events have occurred or are imminent which would interfere with the normal activities of the Company at its registered office or with the ease of communication between such office and persons abroad, the registered office may be temporarily transferred abroad until the complete cessation of these abnormal circumstances; such provisional measures shall have no effect on the nationality of the Company, which, notwithstanding such temporary transfer, shall remain a Luxembourg company.

Art. 3. The Company is established for an unlimited period. The Company may be dissolved by a resolution of the shareholders adopted in the manner required for amendment of these articles of incorporation (the "Articles").

Art. 4. The exclusive object of the Company is to place the funds available to it in transferable securities of any kind and other permitted assets with the purpose of spreading investment risks and affording its shareholders the results of the management of its portfolio.

The Company is subject to the provisions of the law of 13 February 2007 relating to specialised investment funds, as amended (the "Law") and may take any measures and carry out any operation which it may deem useful in the accomplishment and development of its purpose to the full extent permitted by the Law.

Title II. Share capital - Shares

Art. 5. The capital of the Company shall be represented by shares of no par value (the "Shares") and shall at any time be equal to the net assets of the Company (the "Net Asset Value") as defined in article 11 hereof.

The minimum capital of the Company shall be the minimum capital required by Luxembourg law and must be reached within twelve months after the date on which the Company has been authorised as a specialised investment fund under the Law.

The Board may, at any time, as it deems appropriate, decide to create one or more compartments or sub-funds within the meaning of article 71 of the Law, (each such compartment or sub-fund, a "Sub-Fund").

The Company constitutes a single legal entity, but the assets of each Sub-Fund shall be invested for the exclusive benefit of the shareholders of the corresponding Sub-Fund and the assets of a specific Sub-Fund are solely accountable for the liabilities, commitments and obligations of that Sub-Fund.

The Board may create each Sub-Fund for an unlimited or a limited period of time.

The Shares to be issued in a Sub-Fund may, as the Board shall determine, be of one or more different classes (each such class, a "Class"), the features, terms and conditions of which shall be established by the Board.

The Board may decide to consolidate or split the Shares of any Class.

The Board may also submit the question of the consolidation of Shares of any Class to the general meeting of shareholders of Shares of such Class. Such meeting shall decide on the consolidation with simple majority of votes cast.

The proceeds from the issuance of Shares of any Class within a Sub-Fund shall be invested pursuant to article 4 hereof in securities of any kind or other permitted assets corresponding to such geographical areas, industrial sectors or monetary zones, or to such specific types of equity or debt securities or assets or with such other specific features, as the Board shall from time to time determine in respect of the relevant Sub-Fund.

For the purpose of determining the capital of the Company, the net assets attributable to each Class of Shares shall, if not expressed in EUR, be converted into EUR and the capital shall be the total of the net assets of all the Classes.

Art. 6. The Board is authorised without limitation to issue further partly or fully paid Shares at any time, in accordance with the procedures and subject to the terms and conditions determined by the Board and disclosed in the sales documents, without reserving to existing shareholders preferential or pre-emptive rights to subscription of the Shares to be issued.

Unless otherwise decided by the Board and disclosed in the sales documents, the issue price shall be base on the Net Asset Value for the relevant Class of Shares as determined in accordance with the provisions of article 11 hereof plus a sales charge or other charges, if any, as the sales documents may provide.

The Board may delegate to any duly authorised person, the duty of accepting subscriptions for delivering and receiving payment for such new Shares.

The Board is further authorised and instructed to determine the conditions of any such issue and to make any such issue subject to payment at the time of issue of the Shares.

The issue of Shares of a Sub-Fund or Class shall be suspended if the determination of the Net Asset Value of such Sub-Fund or Class is suspended pursuant to article 13 hereof.

The Board may decide to issue Shares against contribution in kind in accordance with Luxembourg law. In such case, the assets contributed shall be valued in a report issued by the approved statutory auditor of the Company, to the extent required by Luxembourg law and regulations. Any costs incurred in connection with a contribution in kind shall be borne by the relevant shareholder or a third party, unless the Board considers that the contribution in kind is in the interest of the Company or made to protect the interests of the Company.

Art. 7. The Company will issue Shares in registered form only. Unless a shareholder elects to obtain share certificates, he will receive instead a confirmation of his shareholding.

If a shareholder desires that more than one share certificate be issued for his shares, the cost of such additional certificates may be charged to such shareholder. The Company may issue temporary share certificates in such form as the Board may from time to time determine.

Shares shall be issued only upon acceptance of the subscription and after receipt of the purchase price. The subscriber will, without undue delay, upon acceptance of the subscription and receipt of the purchase price, receive title to the shares purchased by him and upon application obtain delivery of definitive share certificates or a confirmation of his shareholding.

If any shareholder can prove to the satisfaction of the Company that his share certificate has been mislaid or destroyed, then, at his request, a duplicate share certificate may be issued under such conditions and guarantees as the Company may determine. At the issuance of the new share certificate, on which it shall be recorded that it is a duplicate, the original share certificate in place of which the new one has been issued shall become void.

Mutilated share certificates may be exchanged for new ones by order of the Company. The mutilated certificates shall be delivered to the Company and shall be annulled immediately.

The Company may, at its election, charge the shareholder for the costs of a duplicate or of a new share certificate and all reasonable expenses undergone by the Company in connection with the issuance and registration thereof, or in connection with the annulment of the old share certificate.

All issued Shares of the Company shall be inscribed in the register of shareholders (the "Register"), which shall be kept by the Company or by one or more persons designated therefore by the Company. The Register shall contain the name of each shareholder of registered Shares, his/her/its residence or elected domicile so far as notified to the Company and the number and Class(es) of Shares held by him/her/it.

Every registered shareholder must provide the Company with an address to which all notices and announcements from the Company may be sent. Such address will be entered in the Register. In the event of joint shareholders of Shares, only one address will be inserted and any notices will be sent to that address only.

In the event that a shareholder does not provide such address, or such notices and announcements are returned as undeliverable to such address, the Company may permit a notice to this effect to be entered in the Register and the shareholder's address will be deemed to be at the registered office of the Company, or such other address as may be so entered by the Company from time to time, until another address shall be provided to the Company by such shareholder.

The shareholder may, at any time, change his/her/its address as entered in the Register by means of a written notification to the Company at its registered office, or at such other address as may be set by the Company from time to time.

The Company shall consider the person in whose name the Shares are registered in the Register as full owner of the Shares. The Company shall be entitled to consider any right, interest or claim of any other person in or upon such Shares to be non-existing, provided that the foregoing shall deprive no person of any right which he/she/it might properly have to request a change in the registration of his/her/its Shares.

The Company will recognise only one shareholder in respect of a Share in the Company. In the event of joint ownership the Company may suspend the exercise of any right deriving from the relevant Share or Shares until one person shall have been designated to represent the joint owners vis-à-vis the Company.

In the case of joint shareholders, the Company reserves the right to pay any redemption proceeds, distributions or other payments to the first registered shareholder only, whom the Company may consider to be the representative of all joint shareholders, or to all joint shareholders together, at its absolute discretion.

Fractions of Shares up to four decimal places will be issued if so decided by the Board and disclosed in the sales documents. Such fractional Shares shall not be entitled to vote but shall be entitled to participate in the net assets and any distributions attributable to the relevant Class of Shares on a pro rata basis.

Transfer of Shares shall be effected (a) if share certificates have been issued, upon delivering the certificate or certificates representing such Shares to the Company along with other instruments of transfer satisfactory to the Corporation, and (b), if no share certificates have been issued, by written declaration of transfer to be inscribed in the Register, dated and signed by the transferor and transferee, or by persons holding suitable powers of attorney to act therefor. The Company may also recognize any other evidence of transfer satisfactory to it. The Company may charge a fee to cover reasonable costs associated with the transfer, such costs to be borne by either the transferee or transferor.

The Company will refuse to give effect to any transfer of Shares and refuse any transfer of Shares to be entered in the Register in circumstances where such transfer would result in Shares being held by any person precluded from holding Shares in the Company.

Art. 8. Restriction on ownership. The Board shall have power to impose such restrictions as it may think necessary for the purpose of ensuring that no Shares in the Company are acquired or held by or on behalf of any person, firm or corporate body, (i) if the holding of Shares by such person, firm or corporate body results in a breach of the law or regulations of Luxembourg or any country or governmental or regulatory authority, or (ii) if such holding may be detrimental to the Company or its shareholders, or (iii) if the Company or its shareholders may suffer adverse regulatory, tax or fiscal consequences, or (iv) if such person, firm or corporate body would not comply with specific eligibility criteria for a specific Sub-Fund or Class as determined by the Board and laid down in the sales documents of the Company, or (v) if the beneficial ownership of such Shares by any person who is a national of, or who is resident or domiciled in a specific country determined by the Board exceeding the maximum percentage fixed by the Board of the Company's capital which can be held by such persons (the "maximum percentage") or might entail that the number of such persons who are shareholders of the Company exceeds a number fixed by the Board (the "maximum number"); (such persons, firms or corporate bodies to be determined by the Board being herein referred to as "Prohibited Persons").

More specifically, the Company may restrict or prevent the ownership of shares in the Company by any Prohibited Person, and, without limitation, by any "US Person", as defined hereafter. In the context of this Article a "US Person" shall qualify as a "Prohibited Person". .

For such purposes the Company may:

- a) decline to issue any Share or to register any transfer of any Share where it appears to it that such registry would or might result in such Share being directly or beneficially owned by a Prohibited Person;
- b) at any time require any person whose name is entered in the Register to furnish it with any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such shareholder's Share rests or will rest in a Prohibited Person;
- c) decline to accept the vote of any Prohibited Person; and
- d) where it appears to the Company that any Prohibited Person whom the Company reasonably believes to be a Prohibited Person, either alone or in conjunction with any other person is beneficial owner of Shares, (i) direct such shareholder to (a) transfer his/her/its Shares to a person qualified to own such Shares, or (b) request the shareholder to redeem his/her/its Shares, or (ii) compulsorily redeem from any such shareholder all Shares he/she/it holds in the following manner:

1) The Company shall serve a notice (hereinafter called the "Redemption Notice") upon the shareholder holding such Shares or appearing in the Register as the owner of the Shares to be redeemed, specifying the Shares to be redeemed as aforesaid, the price to be paid for such Shares, and the place at which the redemption price in respect of such Share is payable. Any such notice may be served upon such shareholder by posting the same in a prepaid registered envelope addressed to such shareholder at his/her/its last address known to or appearing in the books of the Company. Immediately after the close of business on the date specified in the Redemption Notice, such shareholder shall cease to be a shareholder and the Shares previously held or owned by him/her/it shall be cancelled;

2) The price at which the Shares specified in any Redemption Notice shall be redeemed (herein called the "Redemption Price") shall be an amount based on the Net Asset Value per Share in the Company of the relevant Class, determined in accordance with article 11 hereof less any charges (if any); where it appears that, due to the situation of the shareholder, payment of the Redemption Price by the Company, any of its agents and/or any other intermediary may result in either the Company, any of its agents and/or any other intermediary to be liable to a foreign authority for the payment of taxes or other administrative charges, the Company may further withhold or retain, or allow any of its agents and/or other intermediary to withhold or retain, from the Redemption Price an amount sufficient to cover such potential liability until such time that the shareholder provides the Company, any of its agents and/or any other intermediary with sufficient comfort that their liability shall not be engaged, it being understood (i) that in some cases the amount so withheld or retained may have to be paid to the relevant foreign authority, in which case such amount may no longer be claimed by the shareholder, and (ii) that potential liability to be covered may extend to any damage that the Company, any of its agents and/or any other intermediary may suffer as a result of their obligation to abide by confidentiality rules;

3) Payment of the Redemption Price will be made to the shareholder appearing as the owner thereof in the currency of denomination for the relevant Class of Shares and will be deposited by the Company with a bank in Luxembourg or elsewhere (as specified in the redemption notice) for payment to such person but only. Upon deposit of such price as aforesaid no person interested in the Shares specified in such Redemption Notice shall have any further interest in such Shares or any of them, or any claim against in the Company or its assets in respect thereof, except the right of the shareholder appearing as the thereof owner to receive the price so deposited (without interest) from such bank as aforesaid.

4) The exercise by the Company of the powers conferred by this article shall not be questioned or invalidated in any case, on the ground that there was insufficient evidence of ownership of Shares by any person or that the true ownership of any Shares was otherwise than appeared to the Company at the date of any Redemption Notice, provided that in such case the said powers were exercised by the Company in good faith.

Whenever used in these Articles, the term "U.S. person" shall have the same meaning as in the sales documents of the Company.

The Board may, from time to time, amend or clarify the aforesaid meaning.

Art. 9. Redemption and Conversion of Shares. As is more specifically prescribed herein below, the Company has the power to redeem its own Shares at any time within the sole limitations set forth by law.

Any shareholder may at any time request the redemption of all or part of his/her/its Shares by the Company under the terms, conditions and limits set forth by the Board in the sales documents. Any redemption request must be filed by such shareholder in written form, subject to the conditions set out in the sales documents of the Company, at the registered office of the Company or with any other person or entity appointed by the Company as its agent for redemption of Shares, together with the delivery of the certificate or certificates for such shares in proper form (if issued) and accompanied by proper evidence of transfer or assignment.

Unless otherwise decided by the Board and disclosed in the sales documents, the redemption price shall be based on the Net Asset Value for the relevant Class of Shares as determined in accordance with the provisions of article 11 hereof as at the applicable Valuation Day, less such charges and adjustments, if any, as the sales documents may provide. This price may be rounded up or down to the nearest decimal, as the Board may determine, and such rounding will accrue to the benefit of the Company, as the case may be. The redemption price per Share shall be paid within a period as determined by the Board in the sales documents provided that any requested documents have been received by the Company, subject to article 13 hereof.

The Board may determine the notice period, if any, required for lodging any redemption request of any specific Class. The specific period for payment of the redemption proceeds of any Class of Shares of the Company and any applicable notice period as well as the circumstances of its application will be disclosed in the sales documents relating.

The Board may delegate to any duly authorised person, the duty of accepting requests for redemption and effecting payment in relation thereto.

The Board may (subject to the principle of equitable treatment of shareholders and the consent of the shareholder(s) concerned) satisfy redemption requests in whole or in part in kind by allocating to the redeeming shareholders investments from the portfolio in value equal to the Net Asset Value attributable to the Shares to be redeemed as described in the sales documents.

To the extent required by Luxembourg laws and regulations or by the Board, such redemption will be subject to a special audit report by the approved statutory auditor of the Company.

The specific costs for such redemptions in kind, in particular the costs of the special audit report, will be borne by the shareholder requesting the redemption in kind or by a third party, but will not be borne by the Company, unless the Board considers that the redemption in kind is in the interest of the Company or made to protect the interests of the Company.

Any request for redemption shall be irrevocable except in the event of suspension of redemption pursuant to article 13 hereof. Unless otherwise decided by the Board and disclosed in the sales documents, any shareholder may request conversion of whole or part of his/her/its Shares of one Class of a Sub-Fund into Shares of another Class of that Sub-

Fund or of another Sub-Fund at the respective Net Asset Values of the Shares of the relevant Classes, provided that the Board may impose such restrictions as disclosed in the sales documents as to, inter alia, frequency of conversion, and may make conversions subject to payment of a charge as specified in the sales documents.

If redemption requests for more than a certain percentage of the Net Asset Value of a Sub-Fund, as determined by the Board and disclosed in the sales documents of the Company (the "Threshold"), are received, then the Company may limit redemptions so they do not exceed this Threshold. In such event, redemptions shall be limited with respect to all shareholders seeking to redeem shares as of a same day so that each such shareholder shall have the same percentage of its redemption request honoured; the balance of such redemption requests shall be processed by the Company on the next day at the Net Asset value per Share applicable on such next day on which redemption requests are accepted, subject to the same limitation. On such day, such requests for redemption will be complied with in priority to subsequent requests.

In exceptional circumstances relating to a lack of liquidity of certain investments made by certain Sub-Funds and the related difficulties in determining the Net Asset Value of the Shares of certain Sub-Funds, the treatment of redemption requests may be postponed and/or the issue, redemptions and conversion of Shares suspended by the Board. In addition, the Board may, in such exceptional circumstances, extend the period for payment of redemption proceeds to such period as shall be necessary to realise the assets and/or repatriate proceeds of the sale of investments in the event of impediments due to exchange control regulations or similar constraints in the markets in which a substantial part of the assets of the Company are invested.

If a redemption or conversion would reduce the value of the holdings of a single shareholder of Shares of one Sub-Fund or Class below the minimum holding amount as the Board shall determine from time to time, then the Board may decide that this request be treated as if such shareholder had requested the redemption or conversion, as the case may be, of all his/her/its Shares of such Sub-Fund or Class.

The Company shall not give effect to any transfer of Shares in its register as a consequence of which an investor would not or no longer meet the minimum holding requirement.

The Board may in its absolute discretion compulsory redeem any holding with a value of less than the minimum holding amount to be determined from time to time by the Board and to be published in the sales documents of the Company.

Title III. Valuation - Determination of net asset value

Art. 10. Valuation Day/Frequency of calculation of Net Asset Value per Share

The Net Asset Value of Shares shall, for the purposes of the redemption, conversion and issue of Shares, be determined by the Company, from time to time, but in no instance less than once per year, as the Board may decide (every such day or time for determination of net asset value being referred to herein as a "Valuation Day").

Art. 11. Determination of Net Asset Value per Share. The net asset value of Share of each Class within each Sub-Fund (the "Net Asset Value") shall be expressed in the reference currency of the relevant Class (and/or in such other currencies as the Board shall from time to time determine) as a per Share figure and shall be determined as at any Valuation Day by dividing the net assets of the Company attributable to the relevant Class, being the value of the assets of the Company attributable to such Class less the liabilities attributable to such Class, as at any such Valuation Day, by the number of Shares of the relevant Class then outstanding, in accordance with the rules set forth below.

The Net Asset Value per Share shall be calculated up to six decimal places.

The Net Asset Value may be adjusted as the Board or its delegate may deem appropriate to reflect, among other considerations, any dealing charges including any dealing spreads, fiscal charges and potential market impact resulting from shareholders' transactions.

If, since the time of determination of the Net Asset Value as at the relevant Valuation Day, there has been a material change in the valuations of the investments attributable to the relevant Sub-Fund, the Company may, in order to safeguard the interests of the shareholders and of the Company, cancel the first valuation and carry out a second valuation.

I. The assets of the Company shall include (without limitation): 1) all cash on hand or on deposit, including any interest accrued thereon; 2) all bills and demand notes payable and accounts receivable (including proceeds of securities sold but not delivered);

3) all bonds, time notes, certificates of deposit, shares, stock, debentures, debenture stocks, subscription rights, warrants, options and other securities, financial instruments and similar assets owned or contracted for by the Company;

4) all stock dividends, cash dividends and cash distributions receivable by the Company to the extent information thereon is reasonably available to the Company;

5) all interest accrued on any interest-bearing assets owned by the Company except to the extent that the same is included or reflected in the principal amount of such asset;

6) the preliminary expenses of the Company, including the cost of issuing and distributing Shares of the Company, insofar as the same have not been written off;

7) the liquidating value of all futures and forward contracts and all call and put options the Company has an open position in;

8) all other assets of any kind and nature including expenses paid in advance. For the purpose of the determination of the Net Asset Value, the value of the assets shall be determined as follows:

(a) The value of any cash on hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends declared and interest accrued, and not yet received shall be deemed to be the full amount thereof, unless, however, the same is unlikely to be paid or received in full, in which case the value thereof shall be determined after making such discount as the Board may consider appropriate to reflect the true value thereof.

(b) The value of securities (including shares or units of closed-ended undertakings for collective investment) which are quoted, traded or dealt in on any stock exchange shall be based on the latest available price or, if appropriate, on the average price on the stock exchange which is normally the principal market of such securities, and each security traded on any other regulated market shall be valued in a manner as similar as possible to that provided for quoted securities.

(c) For non-quoted securities or securities not traded or dealt in on any stock exchange or other regulated market as well as quoted or non-quoted securities on such other market for which no valuation price is available, or securities for which the quoted prices are, in the opinion of the Board, not representative of the fair market value, the value thereof shall be determined prudently and in good faith by the Board on the basis of foreseeable sale prices.

(d) Liquid assets and money market instruments may be valued at nominal value plus any accrued interest or on an amortised cost basis.

(e) Each share or unit in an open ended undertaking for collective investment (including the shares held by a Sub-Fund of the Company in another Sub-Fund of the Company) will be valued at the last available net asset value whether estimated or final, which is computed for such unit or shares on the same Valuation Day, failing which, it shall be the last net asset value computed prior to the Valuation Day on which the Net Asset Value of the Shares in the Company is determined.

(f) If, since the day on which the latest Net Asset Value was calculated, events have occurred which may have resulted in a material change of the net asset value of shares or units in other undertaking for collective investment held by the Company, the value of such shares or units may be adjusted in order to reflect, in the reasonable opinion of the Board, such change of value.

(g) Futures and options are valued by reference to the previous day's closing price on the relevant market; the market prices used are the futures exchanges settlement prices.

(h) Swaps are valued at fair value based on the last available closing price of the underlying security.

(i) All other securities and assets will be valued at fair market value as determined in good faith pursuant to procedures established by the Board.

The Board may, at its discretion, permit some other method of valuation to be used, if it considers that such method of valuation better reflects the true value of any asset of the Company and is in accordance with good accounting practice.

II. The liabilities of the Company shall include (without limitation):

1) all loans, bills and accounts payable;

2) all accrued interest on loans of the Company (including accrued fees for commitment for such loans);

3) all accrued or payable fees and expenses (including administrative expenses, management fees, including incentive fees, custodian fees, central administrative agent's and registrar and transfer agent's fees);

4) all known liabilities, present and future, including all matured contractual obligations for payments of money or property, including the amount of any unpaid dividends declared by the Company;

5) an appropriate provision for future taxes based on capital and income as at the Valuation Day, as determined from time to time by the Company, and other reserves (if any) authorized and approved by the Board, as well as such amount (if any) as the Board may consider to be an appropriate allowance in respect of any contingent liabilities of the Company;

6) all other liabilities of the Company of whatsoever kind and nature reflected in accordance with generally accepted accounting principles. In determining the amount of such liabilities the Company shall take into account all expenses payable by the Company which shall comprise but not be limited to fees payable to its investment managers/advisers, including performance fees, if any, fees and expenses payable to its custodian and its correspondents, domiciliary and corporate agent, administrative agent, the registrar and transfer agent, listing agent, any paying agent, any distributor, any permanent representatives in places of registration, as well as any other agent employed by the Company, fees and expenses for legal, accounting and auditing services, the remuneration and out of pocket expenses of the Board, any fees and expenses involved in registering and maintaining the registration of the Company with any government agencies or stock exchanges in the Grand Duchy of Luxembourg and in any other country, reporting and publishing expenses, including the cost of preparing, printing, advertising and distributing prospectuses, explanatory memoranda, periodical reports or registration statements and the costs of any reports to the shareholders, expenses incurred in determining the Company's net asset value, the costs of convening and holding shareholders' meetings, all taxes, duties, governmental and similar charges, and all other operating expenses, including the costs of buying and selling assets, the costs of publishing the issue and redemption prices, if applicable, interest, bank charges, currency conversion costs and brokerage, postage, telephone and telex. The Company may calculate administrative and other expenses of a regular or recurring nature based on an estimated amount rateably for yearly or other periods, and may accrue the same in equal proportions over any such period.

There shall be established one pool of assets for each Sub-Fund in the following manner:

(1) Proceeds resulting from the issue of Shares in different Sub-Funds shall be allocated in the Company's books to the pool of assets of that Sub-Fund and the assets, liabilities, commitments, revenues and expenses relating to that Sub-Fund shall be allocated to the corresponding pool in compliance with the provisions below.

If within any pool Class specific assets are held by the Company for a specific Class of shares, the value thereof shall be allocated to the Class concerned and the purchase price paid therefor shall be deducted, at the time of acquisition, from the proportion of the other net assets of the relevant pool which otherwise would be attributable to such Class;

(2) When an asset derives from another asset, such asset will be recorded in the Company's books under the Sub-Fund holding the asset from which it derived, and, on each new valuation of the asset, the increase or decrease in value shall be allocated to the corresponding Sub-Fund.

(3) When the Company incurs a liability attributable to a specific asset in a given pool of assets or to a transaction performed in relation to the assets of a given Sub-Fund, this liability shall be allocated to that Sub-Fund.

(4) If an asset or a liability cannot be allocated to a given Sub-Fund, this asset or liability shall be allocated to all Sub-Funds in equal parts or, if the amounts involved so justify, in proportion to the Net Asset Values of the relevant Sub-Funds or in any other manner the Board shall decide in good faith.

(5) Following a dividend distribution to shareholders of a Sub-Fund, the Net Asset Value of that Sub-Fund shall be reduced by the amount of the distribution.

If there have been created within a Sub-Fund two or more Classes, the allocation rules set above shall apply, mutatis mutandis, to such Classes.

In the absence of bad faith, gross negligence or manifest error, every decision in calculating the Net Asset Value taken by the Board or by any agent which the Board may appoint for the purpose of calculating the Net Asset Value, shall be final and binding on the Company and present, past or future shareholders.

III. For the purpose of this Article:

1) Shares of the Company to be redeemed under article 9 shall be treated as existing and taken into account until immediately after the time specified by the Board on the Valuation Day as at which such valuation is made and from such time and until paid by the Company the price therefor shall be deemed to be a liability of the Company;

2) Shares in respect of which subscription has been accepted but payment has not yet been received shall be deemed to be existing as from the close of business on the Valuation Day on which they have been allotted and the price therefor, until received by the Company, shall be deemed a debt due to the Company;

3) all investments, cash balances and other assets expressed in currencies other than the reference currency of the relevant Sub-Fund shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the Net Asset Value of Shares and

4) effect shall be given on any Valuation Day to any purchases or sales of securities contracted for by the Company on such Valuation Day, to the extent practicable.

Art. 12. Co-Management and Pooling. The Board may authorise investment and management of all or any part of the portfolio of assets established for two or more Sub-Funds on a pooled basis, or of all or any part of the portfolio of assets of the Company on a co-managed or cloned basis with assets belonging to other Luxembourg collective investment schemes, all subject to appropriate disclosure and compliance with applicable regulations, and as more fully described in the sales documents for the Shares.

Art. 13. Temporary suspension of calculation of Net Asset Value per Share and of issue, redemption and conversion of Shares

The Board may suspend the determination of the Net Asset Value of one or more Sub-Fund(s) and in consequence the issue, redemption and conversion of Shares of such Sub-Fund(s) in any of the following events:

(a) during any period when any of the principal markets or stock exchanges or other markets on which a substantial portion of the investments of the Company attributable to such Sub-Fund(s) from time to time is quoted or

dealt in is closed otherwise than for ordinary holidays, or during which dealings therein are restricted or suspended;

(b) during any period when the net asset value of one or more undertaking for collective investment, in which the Company will have invested and the units or the shares of which constitute a significant part of the assets of the Company attributable to such Sub-Fund(s), cannot be determined accurately so as to reflect their fair market value as at the Valuation Day or the calculation of this net asset value is suspended;

(c) the existence of any state of affairs which constitutes an emergency as a result of which disposal or valuation of assets owned by the Company attributable to Sub-Fund(s) would be impracticable;

(d) any breakdown in the means of communication or computation normally employed in determining the price or value of any of the investments of such Sub-Fund(s) or the current prices or values on any market or stock exchange in respect of the assets attributable to such Sub-Fund(s);

(e) any period when the Company is unable to repatriate funds for the purpose of making payments on the redemption of the shares of such Sub-Fund(s) or during which any transfer of funds involved in the realisation or acquisition of investments or payments due on redemption of shares cannot in the opinion of the Board be effected at normal rates of exchange;

(f) if the Company or any Sub-Fund or Class is being or may be wound up, or following the date on which notice is given of the general meeting of shareholders at which a resolution to wind up the Company or the Sub-Fund or Class is to be proposed;

(g) during any period when in the opinion of the Board there exist circumstances outside of the control of the Company where it would be impracticable or unfair towards the shareholders to continue dealing in shares of any class of the Company.

Any such suspension shall be published, if appropriate, by the Company and shall be notified to investors requesting issue of shares and to shareholders requesting redemption or conversion of their shares by the Company at the time of the filing of the relevant request.

Such suspension as to any Sub-Fund shall have no effect on the calculation of the Net Asset Value, the issue, redemption and conversion of the shares of any other Sub-Fund.

Any application for subscription, redemption or conversion of Shares is irrevocable except in case of suspension of the calculation of the Net Asset Value of the relevant Sub-Fund, in which case investors may give notice in writing that they wish to withdraw their application. If no such notice is received by the Company prior to the end of the period of suspension, such application will be dealt with on the first applicable Valuation Day following the end of the period of suspension.

If relevant, the above provisions will apply mutatis mutandis in relation to the suspension of the Net Asset Value of one or more Class(es) within a Sub-Fund.

Title IV. Management and Supervision

Art. 14. The Company shall be managed by the Board composed of not less than three members (each a "Director"); members of the Board need not be shareholders of the Company.

The Directors shall be elected by the shareholders at their general meeting for a period ending at the next annual general meeting and until their successors are elected and qualify, provided, however, that a Director may be removed with or without cause and/or replaced at any time by resolution adopted by the shareholders.

In the event of a vacancy in the office of Director because of death, retirement or otherwise, the remaining Directors may elect, by majority vote, another person to fill such vacancy until the next meeting of shareholders.

Art. 15. The Board will choose from among its members a chairman, and may choose from among its members one or more vice-chairmen. It shall also choose a secretary, who need not be a Director, who shall be responsible for keeping the minutes of the meetings of the Board and of the shareholders. The Board shall meet upon call by any two Directors, at the place indicated in the notice of meeting.

The chairman shall preside at all meetings of shareholders and of the Board, but in his absence the shareholders or the Board may appoint any person (in respect of shareholder meetings) or another Director as chairman pro tempore by vote of the majority present at any such meeting.

Written notice of any meeting of the Board shall be given to all Directors at least 24 hours in advance of the hour set for such meeting, except in circumstances of emergency, in which case the nature of such circumstances shall be set forth in the notice of meeting. This notice may be waived by the consent in writing or by cable, telex, telefax or any other electronic means capable of evidencing such waiver of each Director. Separate notice shall not be required for individual meetings held at times and places prescribed in a schedule previously adopted by resolution of the Board.

Any Director may act at any meeting of the Board of Directors by appointing in writing or by cable or telegram, telex, fax or other electronic means capable of evidencing such appointment another Director as his proxy. One Director may represent one or more Directors. Directors may also cast their vote in writing or by cable, telegram, telex or telefax or any other electronic means capable of evidencing such vote.

Any Director may attend a meeting of the Board of Directors using teleconference or electronic means, provided that (i) the Director attending the meeting can be identified, (ii) all persons participating in the meeting can hear and speak to each other, (iii) the transmission is performed on an on-going basis and (iv) the Directors can properly deliberate. The participation in a meeting by such means shall constitute presence in person at the meeting and the meeting is deemed to be held at the registered office of the Corporation.

The Directors may only act at duly convened meetings of the Board. Directors may not bind the Company by their individual acts, except as specifically permitted by resolution of the Board.

The Board can deliberate or act validly only if at least a majority of the Directors are present or represented at a meeting of the Board. Decision shall be taken by a majority of the votes of the Directors present or represented at such meeting. In the event that in any meeting the number of votes for and against a resolution shall be equal, the chairman of the meeting shall have a casting vote.

Resolutions of the Board may also be passed in the form of a consent resolution in identical terms which may be signed on one or several counterparts.

The Board from time to time may appoint the officers of the Company, including a general manager, a secretary, and any assistant general managers, assistant secretaries or other officers considered necessary for the operations and management of the Company. Any such appointment may be revoked at any time by the Board. Officers need not be

Directors or shareholders of the Company. The officers appointed, unless otherwise stipulated in these Articles, shall have the powers and duties given them by the Board.

The Board may delegate its powers to conduct the daily management and affairs of the Company and its powers to carry out acts in furtherance of the corporate policy and purpose, to physical persons or corporate entities which need not be members of the Board. The Board may also delegate any of its powers, authorities and discretions to any committee, consisting of such person or persons (whether a member or members of the Board or not) as it thinks fit, provided that the majority of the members of the committee are Directors and that no meeting of the committee shall be quorate for the purpose of exercising any of its powers, authorities or discretions unless a majority of those present are Directors of the Company.

Art. 16. The minutes of any meeting of the Board shall be signed by the chairman pro tempore who presided at such meeting.

Copies or extracts of such minutes which may be produced in judicial proceedings or otherwise shall be signed by such chairman, or by the secretary, or by two Directors.

Art. 17. The Board shall, based upon the principle of spreading of risks, have power to determine the corporate and investment policy and the course of conduct of the management and business affairs of the Company. The Board shall also determine any restrictions which shall from time to time be applicable to the investments of the Company.

The Board may appoint special committees, such as investment committees and advisory committees, as described more fully in the sales documents, in order to conclude certain tasks and functions expressly delegated to such committee(s).

Art. 18. The Company will be bound towards third parties by the joint signature of any two Directors or by the joint or simple signature(s) of any other person(s) to whom such power has been delegated by the Board.

Art. 19. No contract or other transaction between the Company and any other corporation or firm shall be affected or invalidated by the fact that any one or more of the Directors or officers of the Company is interested in, or is a director, associate, officer or employee of such other Company or firm. Any Director or officer of the Company who serves as a director, officer or employee of any corporation or firm with which the Company shall contract or otherwise engage in business shall not, by reason of his/her/its connection and/or relationship with such other corporation or firm be prevented from considering and voting or acting upon any matters with respect to such contract or other business.

In the event that any Director or officer of the Company may have any personal interest in any transaction of the Company, such Director or officer shall make known to the Board such personal interest and shall not consider or vote on any such transaction, and such transaction, and such Director's or officer's interest therein, shall be reported to the next succeeding meeting of shareholders.

The term "personal interest", as used above, shall not include any relationship with or interest in any matter, position or transaction involving any entity promoting the Company, any subsidiary or affiliate thereof or such other corporation or entity as may from time to time be determined by the Board at its discretion, unless such personal interest is considered to be a conflicting interest by applicable laws and regulations.

The Company may indemnify any Director or officer and his heirs, executors and administrators against expenses reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been a Director or officer of the Company or, at its request, of any other corporation of which the Company is a shareholder or creditor and from which he is not entitled to be indemnified, except in relation to matters as to which he shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or misconduct; in the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Company is advised by counsel that the person to be indemnified did not commit such a breach of duty. The foregoing right of indemnification shall not exclude other rights to which he may be entitled.

Art. 20. Approved Statutory Auditor

The Company shall appoint an approved statutory auditor who shall carry out the duties prescribed by the Law. The approved statutory auditor shall be elected by the annual general meeting of shareholders and serve until its successor shall have been elected.

The approved statutory auditor in office may only be removed by the shareholders on serious grounds.

Title V. General meeting of shareholders

Art. 21. Any regularly constituted meeting of the shareholders of the Company shall represent the entire body of shareholders of the Company. It shall have the broadest powers to order, carry out or ratify acts relating to the operations of the Company.

Art. 22. The annual general meeting of shareholders shall be held, in accordance with Luxembourg law, at the registered office of the Company, or at such other place in Luxembourg as may be specified in the notice of meeting, on the third Wednesday of the month of June at 2 p.m. If such day is not a bank business day in Luxembourg, the annual general meeting shall be held on the next following bank business day. The annual general meeting may be held abroad if, in the absolute and final judgment of the Board, exceptional circumstances so require.

If permitted by and under the conditions set forth in Luxembourg laws and regulations, the annual general meeting of shareholders may be held at a date, time or place other than those set forth in the preceding paragraph, that date, time or place to be decided by the Board.

Other general meetings of shareholders or Class meetings may be held at such place and time as may be specified in the respective notices of meeting. Class meetings may be held to decide on any matters which relate exclusively to such Class. Two or several Classes may be treated as one single Class if such Classes are affected in the same way by the proposals requiring the approval of shareholders of the relevant Classes.

Art. 23. The quorum and majority requirements required by law shall govern the conduct of the meetings of shareholders of the Company, unless otherwise provided herein.

Each share of whatever Class and regardless of its net asset value per share, is entitled to one vote. A shareholder may act at any meeting of shareholders by appointing another person as his proxy in writing or by cable, telegram, telex, telefax message, facsimile or any other electronic means capable of evidencing such proxy.

Such proxy shall be deemed valid, provided that it is not revoked, for any reconvened shareholders' meeting. A corporation may execute a proxy under the hand of a duly authorised officer.

Except as otherwise required by law or as otherwise provided herein, resolutions at a meeting of shareholders duly convened will be passed by a simple majority of the votes cast. Votes cast shall not include votes attached to shares in respect of which the shareholder has not taken part in the vote or has abstained or has returned a blank or invalid vote.

The Board may determine all other conditions that must be fulfilled by shareholders for them to take part in any meeting of shareholders.

Art. 24. Shareholders will meet upon call by the Board or upon request of shareholders representing at least one tenth of the share capital of the Company, pursuant to notice setting forth the agenda sent in accordance with Luxembourg law to each shareholder at the shareholder's address in the Register of Shareholders.

If and to the extent required by Luxembourg law, notice shall, in addition, be published in the Mémorial Recueil Spécial des Sociétés et Associations of Luxembourg, in a Luxembourg newspaper and in such other newspaper as the Board may decide.

Under the conditions set forth in Luxembourg laws and regulations, the notice of any general meeting of shareholders may provide that the quorum and the majority at this general meeting shall be determined according to the shares issued and outstanding at a certain date and time preceding the general meeting (the "Record Date"), whereas the right of a shareholder to attend a general meeting of shareholders and to exercise the voting rights attaching to his/its/her shares shall be determined by reference to the shares held by this shareholder as at the Record Date.

Title VI. Accounting year, Allocation of profits

Art. 25. The accounting year of the Company shall begin on 1st January and shall terminate on 31st December of the same year. The first accounting year of the Company shall begin at its incorporation and shall terminate on 31st December 2012.

Art. 26. Appropriation of profits. Class meetings shall, upon proposal from the Board and within the limits provided by the Luxembourg law, determine how the results of the Company shall be disposed of, and may from time to time declare distributions, or authorise the Board to declare distributions.

For any Class or Classes entitled to distributions, the Board may decide to pay interim dividends in compliance with the conditions set forth by the Luxembourg law. The annual general meeting of shareholders shall ratify any interim dividends resolved by the Board.

The dividends declared will normally be paid in the currency in which the relevant class is expressed or, in exceptional circumstances, in any other currency as selected by the Board and may be paid at any other places and times as may be determined by the Board.

No distribution shall be made if as a result thereof the capital of the Corporation becomes less than the minimum prescribed by law.

Art. 27. Custodian Agreement. The Company shall enter into a custodian agreement with a credit institution, which shall satisfy the requirements of the Luxembourg laws, and in particular the Law (the "Custodian"). All assets of the Company are to be held by or to the order of the Custodian who shall assume towards the Company and its shareholders the responsibilities provided by the Law.

In case of withdrawal, whether voluntarily or not, of the Custodian, the Custodian will remain in function until the appointment, which must happen within two months, of another eligible credit institution.

Title VII. Dissolution, Liquidation

Art. 28. In the event of a dissolution of the Company, liquidation shall be carried out by one or several liquidators (who may be physical persons or legal entities) named by the meeting of shareholders effecting such dissolution and which shall determine their powers and their compensation.

Art. 29. Merger of Sub-Funds or Classes of Shares. In the event that for any reason the value of the net assets in any Sub-Fund or Class of Shares has decreased to or has not reached an amount determined by the Board to be the minimum level for such Sub-Fund or Class of Shares to be operated in an economically efficient manner, or if a change in the economic or political situation relating to the Sub-Fund or Class of Shares concerned would justify it, the Board has the discretionary power to liquidate such Sub-Fund or Class of Shares by compulsory redemption of the Shares of such Sub-Fund or Class of Shares at their Net Asset Value (taking into account actual realisation prices of investments and realization expenses), determined as at the Valuation Day at which such decision becomes effective. The Company shall publish a notice to the shareholders concerned by the compulsory redemption prior to the effective date for such redemption, which will indicate the reasons for, and the procedure of, the redemption operations. Unless the Board otherwise decides in the interests of, or to keep equal treatment between, the shareholders, the shareholders of the Sub-Fund or Class of Shares concerned may continue to request redemption or conversion of their Shares free of charge (but taking into account actual realisation prices of investments and realization expenses).

Notwithstanding the powers conferred to the Board by the preceding paragraph, the general meeting of shareholders of any Sub-Fund or Class of Shares may decide the redemption of all the Shares of such Sub-Fund or Class of Shares and refund to the shareholders the Net Asset Value of their Shares (taking into account actual realization prices of investments and realization expenses) determined as at the Valuation Day at which such decision shall take effect. There shall be no quorum requirements for such general meeting of shareholders which shall decide by resolution taken by simple majority of the votes cast.

Assets which could not be distributed to their beneficiaries upon the implementation of the redemption will be deposited with the Caisse de Consignation for the benefit of the persons entitled thereto.

The Board may decide to allocate the assets (and liabilities) of any Sub-Fund to those of another existing sub-fund within the Company or to another undertaking for collective investment or to another Sub-Fund within such other undertaking for collective investment (the "New Sub-Fund") and to re-designate the Shares of the Sub-Fund concerned as Shares of the New Sub-Fund (following a split or consolidation, if necessary, and the payment of the amount corresponding to any fractional entitlement to shareholders). Such decision will be published in the same manner as described in the first paragraph of this section (and, in addition, the publication will contain information in relation to the New Sub-Fund), one month before the date on which the amalgamation becomes effective in order to enable shareholders to request redemption of their Shares, free of charge, during such period. After such period, the decision commits the entirety of shareholders who have not used this possibility, provided however that, if the amalgamation is to be implemented with a Luxembourg undertaking for collective investment of the contractual type (*fonds commun de placement*) or a non EEA-based undertaking for collective investment, such decision shall be binding only on the shareholders who are in favor of such amalgamation.

Notwithstanding the powers conferred to the Board by the preceding paragraph, a contribution of the assets and of the liabilities attributable to any Sub-Fund to another Sub-Fund of the Company or to another undertaking for collective investment or to another sub-fund within such other undertaking for collective investment may be decided upon by a general meeting of the shareholders and shall require a resolution of the shareholders of the contributing Sub-Fund where no quorum is required and adopted by a simple majority of the votes cast at such meeting, except when such amalgamation is to be implemented with a Luxembourg undertaking for collective investment of the contractual type or with a non EEA-based undertaking for collective investment, in which case resolutions shall be binding only on the shareholders of the contributing Sub-Fund who have voted in favour of such amalgamation.

Title VIII. General provisions

Art. 30. All matters not governed by these Articles are to be determined in accordance with the law of 10 August 1915 on commercial companies as amended and the Law.

These Articles may be amended from time to time by a meeting of shareholders, subject to the quorum and voting requirements provided by the laws of Luxembourg. Any amendment affecting the rights of the holders of shares of any class vis-à-vis those of any other class shall be subject, further, to the said quorum and majority requirements in respect of each such relevant class.

Title IX. Transitory provisions

(1) The first accounting year will begin on the date of the incorporation of the Company and will end on 31st December 2012.

(2) The first annual general meeting will be held in 2013.

Art. 1. Name. There is hereby established among the subscribers and all those who may become owners of shares hereafter issued, a public limited company ("société anonyme") qualifying as an investment company with variable share capital ("société d'investissement à capital variable") under the name of CoreCommodity Strategy Fund (hereinafter the "Company").

Art. 2. Registered Office. The registered office of the Company is established in Luxembourg-City, Grand Duchy of Luxembourg.

Branches, subsidiaries or other offices may be established either in the Grand Duchy of Luxembourg or abroad by a decision of the Board.

In the event that the Board determines that extraordinary political, economy, social or military events have occurred or are imminent which would interfere with the normal activities of the Company at its registered office or with the ease of communication between such office and persons abroad, the registered office may be temporarily transferred abroad until the complete cessation of these abnormal circumstances; such provisional measures shall have no effect on the nationality of the Company which, notwithstanding such temporary transfer, shall remain a Luxembourg corporation.

Art. 3. Duration. The Company is established for an unlimited period of time. The Company may be dissolved by a resolution of the shareholders adopted in the manner required for amendment of the articles of incorporation of the Company (the "Articles of Incorporation"), as prescribed in Article 30 hereof.

Art. 4. Purpose. The exclusive purpose of the Company is to invest the funds available to it in securities of all types and other permitted assets, with the purpose of spreading investment risks and affording its shareholders the results of the management of its assets. The Company may invest the funds available to it in transferable securities and any other assets permitted by law and consistent with such purpose.

The Company may take any measures and carry out any transaction which it may deem useful for the fulfillment and development of its purpose to the fullest extent permitted under part II of the law of 17 December 2010 on undertakings for collective investment (the "2010 Law").

Title II. Share capital - Shares - Net asset value

Art. 5. Share Capital - Sub-Funds and Classes of Shares. The capital of the Company shall be represented by fully paid up shares of no par value and shall at any time be equal to the total net assets of the Company pursuant to Article 11. The minimum capital shall be the equivalent in one million two hundred fifty thousand Euro (EURO 1,250,000.-). The original capital is equal to the minimum of thirty-one thousand euros (EUR 31,000). The minimum capital of the Company must be achieved within six months after the date on which the Company has been authorised as a collective investment undertaking under Luxembourg law.

The initial share capital of the Company shall be set at forty-one thousand USD (USD 41,000) represented by four hundred and ten (410) shares, having a nominal value of one hundred USD (USD 100) each.

The Accounting Currency of the Company is the USD. The Company shall be an umbrella fund within the meaning of Article 181 of the 2010 Law. The Board may, at any time, as it deems appropriate, decide to create one or more compartments or sub-funds (each such compartment or sub-fund, a "Sub-Fund"). The shares to be issued in a Sub-Fund pursuant to Article 7 may, as the Board shall determine, be of one or more different classes (each such class, a "Class"), the features, terms and conditions of which shall be established by the Board. The proceeds from the issuance of shares of any Class shall be invested pursuant to the investment policy determined by the Board for the Sub-Fund that comprises the relevant Class(es), subject to the investment restrictions provided by law or determined by the Board. The Company constitutes a single legal entity, but the assets of each Sub-Fund shall be invested for the exclusive benefit of the shareholders of the corresponding Sub-Fund and the assets of a specific Sub-Fund are solely accountable for the liabilities, commitments and obligations of that Sub-Fund. For the purpose of determining the capital of the Company, the net assets attributable to each Class of shares shall, if not expressed in USD, be converted into USD and the capital shall be the total of the net assets of all the Classes of shares.

Art. 6. Form of Shares.

(1) The Board shall determine whether the Company shall issue Shares either in bearer form or in registered form. The shares of each Sub-Fund shall be issued in registered form, unless the Board specifically decides to issue certain shares in bearer form on such terms and conditions as the Board shall prescribe.

(2) All Shares in issue shall either be embodied in the global certificate or shall be registered in the register of shareholders which shall be kept by the Company or by one or more persons designated thereto by the Company, and such register shall contain the name of each owner of registered shares, his residence or elected domicile as indicated to the Company, the number of registered shares held by him/her/it and the amount paid up on each such share or fractional share.

The global certificate shall be signed by two Directors. Such signatures shall be either manual, or printed, or in facsimile. However, one of such signatures may be made by a person duly authorized thereto by the Board; in the latter case, it shall be manual.

The inscription of the shareholder's name in the register of shareholders evidences his right of ownership of such registered shares. The Company shall decide whether a certificate for such inscription shall be delivered to the Shareholder or whether the Shareholder shall receive a written confirmation of his/her/its shareholding.

(3) If the Board decides to issue bearer shares, bearer share certificates will be issued in such denominations the Board shall prescribe and shall provide on their face that they may not be transferred to any person, resident, citizen of the United States of America or entity organised by or for a U.S. person (as described in Article 10).

If bearer shares are issued, registered shares may be converted into bearer shares and bearer shares may be converted into registered shares at the request of the holder of such shares, subject to compliance with any conditions set forth in these Articles of Incorporation, in the sales documents and as determined by the Board. A conversion of registered shares into bearer shares will be effected by cancellation of the registered share certificate, if any, representation that the transferee is not a U.S. person and issuance of one or more bearer share certificates in lieu thereof, and the respective clearing system shall have the relevant bearer Shares added to the global certificate, thereby increasing the number of bearer Shares represented by the global certificate by the number of Shares added, and an entry shall be made in the register of Shareholders to evidence such cancellation. A conversion of bearer shares into registered shares will be effected by cancellation of the global share certificate, and, if requested, by issuance of a registered share certificate in lieu thereof, and an entry shall be made in the register of Shareholders to evidence such issuance, and the respective clearing system shall have the relevant shares deleted from the global certificate by the number of Shares thus deleted. At the option of the Board, the costs of any such conversion may be charged to the Shareholder requesting it.

(4) Before shares are issued in bearer form and before registered shares shall be converted into bearer shares, the Company may require assurances satisfactory to the Board that such issuance or conversion shall not result in such shares being held by a U.S. person.

(5) The share certificates shall be signed by two Directors. Such signatures shall be either manual, or printed, or in facsimile. However, one of such signatures may be made by a person duly authorised thereto by the Board; in the latter case, it shall be manual. The Company may issue temporary share certificates in such form as the Board may determine.

(6) If bearer shares are issued, transfer of bearer shares shall be effected by delivery of the relevant share certificates. Transfer of registered shares shall be effected (i) if share certificates have been issued, upon delivering of an instrument of transfer in appropriate form together with the certificates representing such shares to the Company and (ii) if no shares certificates have been issued, by a written declaration of transfer to be inscribed in the register of shareholders, dated and signed by the transferor and transferee, or by persons holding suitable powers of attorney to act therefore. Any transfer of registered shares shall be entered into the register of shareholders; such inscription shall be signed by one or more directors of the Company (herein, the "Directors" or the "Board", as the case may be) or by one or more persons duly authorised thereto by the Board.

(7) Shareholders entitled to receive registered shares shall provide the Company with an address to which all notices and announcements may be sent. Such address will also be entered into the register of shareholders.

In the event that a Shareholder does not provide an address, the Board may permit a notice to this effect to be entered into the register of Shareholders and the Shareholder's address will be deemed to be at the registered office of the Company, or at such other address as may be so entered into by the Board from time to time, until another address shall be provided to the Company by such Shareholder. A shareholder may, at any time, change his address as entered into the register of shareholders by means of a written notification to the Company at its registered office, or at such other address as may be set by the Company from time to time.

(8) If any shareholder can prove to the satisfaction of the Company that his/her/its share certificate has been lost, mutilated or destroyed, then, at his/her/its request, a duplicate share certificate may be issued under such conditions and guarantees, including but not restricted to a bond issued by an insurance company, as the Company may determine. Upon the issuance of the new share certificate, on which it shall be recorded that it is a duplicate, the original share certificate in replacement of which the new one has been issued shall become void.

Mutilated share certificates may be cancelled by the Company and replaced by new certificates.

The Company may, at its election, charge the shareholders the costs of a duplicate or of a new share certificate and all reasonable expenses incurred by the Company in connection with the issuance and registration thereof or in connection with the annulment of the original share certificate.

(9) The Company recognizes only one single owner per share. If one or more shares are jointly owned or if the ownership of such share(s) is disputed, all persons claiming a right to such share(s) have to appoint one single attorney

to represent such share(s) towards the Company. The failure to appoint such attorney implies a suspension of all rights attached to such share(s).

(10) The Company may decide to issue fractional Shares. Such fractional shares shall not be entitled to vote but shall be entitled to participate in the net assets attributable to the relevant Class of shares on a pro rata basis. In the case of bearer Shares, only certificates evidencing full Shares will be issued.

Art. 7. Issue of Shares. The Board is authorised without limitation to issue an unlimited number of fully paid up shares of one or more Classes at any time without reserving to the existing shareholders a preferential right to subscribe for the shares to be issued.

The Board may impose restrictions on the frequency at which shares shall be issued in any Sub-Fund; the Board may, in particular, decide that shares of any Sub-Fund shall only be issued during one or more offering periods or at such other periodicity as provided for in the sales documents for the shares.

Furthermore, the Board may temporarily discontinue or finally suspend the issuance of shares in any given Sub-Fund and without any prior notice to shareholders, if the Board determines that this is in the best interest of the relevant Sub-Fund and the existing shareholders.

Whenever the Company offers shares for subscription after the initial subscription period, if any, the price per share at which such shares are offered shall be the net asset value per share of the relevant Class as determined in compliance with Article 11 as of such Valuation Date (defined in Article 12) as is determined in accordance with such policy as the Board may from time to time determine. Such price shall be increased by such charges and commissions as the sales documents may provide. The purchase price of the shares subscribed shall be payable within the time limit as determined from time to time by the Board and disclosed in the sales documents for the shares of each Sub-Fund.

The Board may delegate to any Director, manager, officer or other duly authorised agent the power to accept subscriptions, to receive payment of the price of the new shares to be issued and to deliver them.

The Company may agree to issue shares as consideration for a contribution in kind of securities or other assets which could be acquired by the relevant Sub-Fund pursuant to its investment policy and restrictions, in compliance with the conditions set forth by Luxembourg law, in particular the obligation to deliver a valuation report from the auditor of the Company ("réviseur d'entreprises agréé").

Art. 8. Redemption of Shares. Any shareholder may request the redemption of all or part of his shares by the Company, under the terms and procedures set forth by the Board in the sales documents for the shares and within the limits provided by law and these Articles of Incorporation.

The Board may decide that, in respect of any Sub-Fund, no redemption request will be accepted from any shareholder unless each share to which the request relates has been held for a period to be determined by the Board, from the date of issue of the share.

The Board may decide that, in respect of any Sub-Fund, a redemption charge of up to such percentage of the net asset value as the Board may determine, may be levied.

The redemption price will normally be paid within the time limit as determined from time to time by the Board provided that the share certificates, if any, and the redemption documents have been received by the Company, notwithstanding the provisions of Article 12. The Board may extend the period of payment of redemption proceeds to such period as shall be necessary to repatriate proceeds of the sale of investments in the event of impediments due to exchange control regulations or similar constraints in the market in which a substantial part of the assets of the Company shall be invested. Any request for redemption shall be irrevocable and may not be withdrawn by any shareholder, except in case of temporary suspension of the calculation of the Net Asset Value.

The redemption price shall be equal to the net asset value per share of the relevant Class determined in respect of the applicable Valuation Date, less such charges and commissions (if any) at the rate provided by the sales documents for the shares. The relevant redemption price may be rounded up or down to the nearest unit as the Board shall determine.

In exceptional circumstances, the Board may request shareholders to accept a redemption in kind (i.e., receive a portfolio of investments from the Class of equivalent value to the appropriate cash redemption payment) provided that such redemption in kind does not prejudice the interests of the other shareholders of the relevant Class. In such case, the shareholder will have the right to require payment in the reference currency of the applicable Sub-Fund. The redemption in kind, if accepted by the shareholder, shall be effected in compliance with the conditions set forth by Luxembourg law, in particular the obligation to deliver a valuation report from the auditor of the Company ("réviseur d'entreprises agréé").

If as a result of any request for redemption, the value of the shares held by any shareholder in a particular class of shares would become less than the minimum initial investment specified in the sales documents or, if the minimum initial investment was waived at the time of subscribing for the shares of the relevant Class, less than the aggregate value of the shares of the relevant Class for which the shareholder originally subscribed, then the Board may decide that the redeeming shareholder shall be deemed to have requested the redemption of all of his shares of such Class. The Board may, at any time, compulsory redeem all shares from shareholders whose holding is less than the level as determined by the Board. In such case, the shareholder will receive one month prior notice so as to be able to increase his holding.

Further, if on any given date, the redemption requests pursuant to this Article exceed, together with the conversion requests pursuant to Article 9, ten percent of the total number of shares in issuance of any Class, the Board may decide that part or all of such requests for redemption and/or conversion will be deferred pro rata, so that the ten per cent limit is not exceeded. On the next applicable Valuation Date following that period, these redemption and/or conversion requests will be satisfied in priority to later requests, subject always to the ten per cent limit.

All redeemed shares shall be cancelled.

Art. 9. Conversion of Shares. The Board may, in its sole discretion, permit shareholders to convert shares of one Class of a Sub-Fund into shares of another Class of that or another Sub-Fund under such restrictions, in particular, as to the frequency, terms and conditions of conversions, and subject them to the payment of such charges and commissions as may be determined by the Board. In such case, full details of the frequency, terms and conditions as well as of the charges and commissions related to the conversion of shares shall be given in the sales documents.

The number of shares issued upon conversion of shares from one Class into another Class shall be computed by reference to the respective net asset value of the two Classes of shares, calculated on the common Valuation Date on which the conversion request is accepted, or on such other day as the Board may determine. If there is no common Valuation Date, the conversion shall be made on the basis of the net asset value calculated on the next following Valuation Date for each of the two Classes concerned or on such other days as the Board may reasonably determine.

If as a result of a conversion, the value of the shares held by any shareholder in the new Class would be less than the minimum subscription amount specified in the sales documents, the Board may decide not to accept the conversion request. If, as a result of a conversion, the value of a shareholder's holding in the original Class would become less than the relevant minimum subscription amount specified in the sales document or, if the minimum subscription amount was waived at the time of subscribing for the shares of the original Class, less than the aggregate value of the Shares of the relevant Class for which the shareholders originally subscribed, then the Board may decide that this request be treated as a request for conversion of the full balance of such shareholder's holding of shares in such Class.

The shares which have been converted into shares of another Class may be cancelled.

Art. 10. Restrictions on Ownership of Shares. The Board may restrict or prevent the ownership of shares in the Company by any person, firm or corporate body, if in the judgment of the Board such holding may be detrimental to the Company or the majority of its shareholders or any Sub-Fund or Class; if it may result in a breach of any law or regulation, whether Luxembourg or foreign; or if as a result thereof it may have adverse regulatory, tax or fiscal consequences, in particular if as a result thereof the Company would become subject to laws other than those of the Grand Duchy of Luxembourg (including but without limitation tax laws).

Specifically but without limitation, the Board may restrict the ownership of shares in the Company by any U.S. person, as defined by the US applicable law as amended, and for such purposes the Board may:

A. decline to issue any shares and decline to register any transfer of a share, where it appears to it that such registry or transfer would or might result in legal or beneficial ownership of such shares by a U.S. person; and

B. at any time require any person whose name is entered in, or any person seeking to register the transfer of shares in the register of shareholders, to furnish it with any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such shareholder's shares rests in a U.S. person, or whether such registry will result in beneficial ownership of such shares by a U.S. person; and

C. decline to accept the vote of any U.S. person at any meeting of shareholders of the Company; and

D. where it appears to the Board that any U.S. person either alone or in conjunction with any other person is a beneficial owner of shares, direct such shareholder to sell his shares and to provide to the Company evidence of the sale within thirty (30) days of the notice. If such shareholder fails to comply with the direction, the Company may compulsorily redeem or cause to be redeemed from any such shareholder all shares held by such shareholder in the following manner:

(1) The Company shall serve a second notice (the "purchase notice") upon the shareholder holding such shares or appearing in the register of shareholders as the owner of the shares to be purchased, specifying the shares to be purchased as aforesaid, the manner in which the purchase price will be calculated and the name of the purchaser.

Any such notice may be served upon such shareholder by posting the same in a prepaid registered envelope addressed to such shareholder at his last address known to or appearing in the books of the Company. The said shareholder shall thereupon forthwith be obliged to deliver to the Company the share certificate or certificates representing the shares specified in the purchase notice.

Immediately after the close of business on the date specified in the purchase notice, such shareholder shall cease to be the owner of the shares specified in such notice and, in the case of registered shares, his name shall be removed from the register of shareholders, and in the case of bearer shares, the certificate or certificates representing such shares shall be cancelled.

(2) The price at which each such share is to be purchased (the "purchase price") shall be an amount based on the net asset value per share of the relevant Class as at the Valuation Date specified by the Board for the redemption of shares in the Company next preceding the date of the purchase notice or next succeeding the surrender of the share certificate or certificates representing the shares specified in such notice, whichever is lower, all as determined in accordance with Article 8, less any service charge provided therein.

(3) Payment of the purchase price will be made available to the former owner of such shares normally in the currency fixed by the Board for the payment of the redemption price of the shares of the relevant Class and will be deposited for payment to such owner by the Company with a bank in Luxembourg or elsewhere (as specified in the purchase notice) upon final determination of the purchase price following surrender of the share certificate or certificates specified in such notice and unmatured dividend coupons attached thereto. Upon service of the purchase notice as aforesaid such former owner shall have no further interest in such shares or any of them, nor any claim against the Company or its assets in respect thereof, except the right to receive the purchase price (without interest) from such bank following effective surrender of the share certificate or certificates as aforesaid. Any funds receivable by a shareholder under this paragraph, but not collected within a period of five years from the date specified in the purchase notice, may not thereafter be claimed and shall revert to the Sub-Fund that comprises the relevant Class or Classes of shares. The Board shall have power from time to time to take all steps necessary to perfect such reversion and to authorize such action on behalf of the Company.

(4) The exercise by the Company of the power conferred by this Article shall not be questioned or invalidated in any case, on the ground that there was insufficient evidence of ownership of shares by any person or that the true ownership of any shares was otherwise than appeared to the Company at the date of any purchase notice, provided in such case the said powers were exercised by the Company in good faith. The Board has further the right to compulsory redeem part or all of the Share(s) held by a Shareholder who engages or envisages to engage in market timing, late trading or similar activities. The provisions of the previous paragraphs applying mutatis mutandis and may be further specified in the sales documents.

Art. 11. Calculation of Net Asset Value per Share. The net asset value per share of each Class of shares shall be expressed in the reference currency (as defined in the sales documents for the shares) of the relevant Class and shall be determined as of each Valuation Date by dividing the net assets of the Company attributable to each Class, being the value of the portion of assets attributable to such Class less the portion of liabilities attributable to such Class, calculated at such time as the Board shall have set for such purpose, by the total number of shares in the relevant Class then outstanding, in accordance with the valuation rules set forth below. The net asset value per share may be rounded up or down to the nearest unit of the relevant currency as the Board shall determine. The net asset value per share of each Class as at each Valuation Date, as described in Article 12, will be calculated and available in Luxembourg at a frequency determined by the Board from time to time.

The valuation of the net asset value of the different Classes of shares shall be made in the following manner:

I. The assets of the Company shall be deemed to include (without limitation):

- 1) all cash on hand or on deposit, including any interest accrued thereon;
- 2) all bills and demand notes payable and accounts receivable (including proceeds of securities sold but not delivered);
- 3) all securities, shares, debt instruments, debentures, options or subscription rights and other derivative instruments, warrants, units or shares of undertakings for collective investments and other investments and securities belonging to the Company;
- 4) all dividends and distributions due to the Company in cash or in kind to the extent known to the Company (the Company may however adjust the valuation to fluctuations in the market value of securities due to trading practices such as trading ex-dividends or ex-rights);
- 5) all interest accrued on any interest-bearing assets owned by the Company except to the extent that the same is included or reflected in the principal amount of such asset;
- 6) the liquidation value of all forward contracts and all call or put options the Company has an open position in;
- 7) the preliminary expenses of the Company insofar as the same have not been written off, provided that such preliminary expenses may be written off directly from the capital of the Company; and
- 8) all other assets of every kind and nature, including prepaid expenses.

The value of such assets shall be determined as follows:

- (a) Securities and/ or units or shares which are officially listed on a stock exchange or dealt in on another regulated market will be valued on the basis of the last available trading price.
- (b) Securities and money market instruments, which are not officially listed on a stock exchange nor dealt in on another regulated market, will be valued at the last available trading price or at the last available closing price, provided the Company, at the time of valuation, considers this price to be the best price at which the securities can be sold.
- (c) securities whose price is not a fair market price or is not available pursuant to a) and b), as well as and all other assets shall be valued at their probable realization value, which shall be determined prudently and in good faith;
- (d) The value of any cash in hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof.
- (e) The liquidating value of futures, forward or options contracts not dealt on a stock exchange or in another regulated markets shall mean their net liquidating value is determined, pursuant to the policies established by the Board of Directors,

on a basis consistently applied for each different variety of contracts. The liquidating value of futures, forward or options contracts dealt in on a stock exchange or another regulated markets shall be based upon the last available settlement prices of these contracts on such regulated markets on which the particular futures, forward or options contracts are dealt in by the relevant Sub-Fund; provided that if a futures, forward or options contract could not be liquidated on the day with respect to which net assets are being determined, the basis for determining the liquidating value of such contract shall be such value as the Board of Directors may deem fair and reasonable.

(f) Swaps will be valued at their specific market value after considering the development of the relevant underlying asset.

(g) any assets not denominated in the Sub-Fund's reference currency shall be translated into the Sub-Fund's reference currency at the last available reference exchange rate as quoted on the inter-bank market. If such rates are not available, the exchange rate shall be determined in good faith by the Company.

(h) commodity futures contracts, like other forward transactions trading on organized markets, shall be valued at the last available price or are valued on the basis of dealer-supplied quotations or by a pricing service approved by the Board of Directors.

(i) All other securities and other assets, including debt securities and securities for which no market quotation is available, are valued on the basis of dealer-supplied quotations or by a pricing service approved by the Board of Directors or, to the extent such prices are not deemed to be representative of market values, such securities and other assets shall be valued at fair market value as determined in good faith pursuant to procedures established by the Board of Directors.

If a Sub-Fund has more than one Class in issue, the management company shall calculate the Net Asset Value for each Class by dividing the portion of the Net Asset Value of the relevant Sub-Fund attributable to a particular Class by the number of shares of such Class in the relevant Sub-Fund which are in issue at the close of business in Luxembourg as of such Valuation Date (including Shares in relation to which a shareholder has requested redemption on such Valuation Date). In allocating assets and liabilities of the Company between Sub-Funds (and within each Sub-Fund between the different Classes), subscriptions, redemptions, investments, profits and losses that relate to a specific Sub-Fund (or Class) will be attributed to such Sub-Fund and, within the Sub-Fund, to the relevant Class. Where assets, income, capital appreciations, liabilities, expenses, capital depreciations relate to more than one Sub-Fund (or within a Sub-Fund, to more than one Class), they shall be attributed to each Sub-Fund (or Classes, as the case may be) in proportion to the extent to which they are attributable to each such Sub-Fund (or each such Class). Where assets, income, capital appreciations, liabilities, expenses or capital depreciations cannot be attributed to a particular Sub-Fund, Class, they shall be attributed in proportion to the relative Net Asset Values of the Sub-Funds, Classes as the Directors, in their sole discretion, determine is the most appropriate method of attribution.

The Board of Directors, in its discretion, may permit some other method of valuation to be used if it considers that such valuation better reflects the fair value of any asset or liability of the SICAV and/ or its Sub-Funds in compliance with Luxembourg laws. This method will then be applied in a consistent way. The Management Company can rely on such deviations as approved by the SICAV for the purpose of the Net Asset Value calculation.

The total Net Asset Value of the SICAV is equal to the sum of the net assets of the various activated Sub-Funds converted into USD at the rates of exchange prevailing in Luxembourg on the relevant Valuation Day.

II. The liabilities of the Company shall include (without limitation):

1. all borrowings, bills matured and accounts due.

2. all liabilities known, whether matured or not, including all matured contractual obligations that involve payments in cash or in kind (including the amount of dividends declared by the Company but not yet paid).

3. all reserves, authorised or approved by the Board, in particular those that have been built up to reflect a possible depreciation on some of the Company's assets.

4. any other commitments of the Company, except those represented by the Company's own resources. When valuing the amount of such other liabilities, all expenses to be borne by the Company must be taken into account and include, with no limitation:

(a) upfront costs (including the cost of drawing up and printing the prospectus, notarial fees, fees for registration with administrative and stock exchange authorities, marketing expenses and any other costs relating to the incorporation and launch of the Company and the Sub-Funds and to registration of the Company and the Sub-Funds in other countries), and expenses related to subsequent amendments to the articles of incorporation;

(b) the fees and/or expenses of the investment manager of the Company, the investment advisor, the custodian of the Company (including any correspondents (clearing System or bank) of the Custodian to whom custody of the assets of the Company is entrusted), the management company, the domiciliary agent and all other agents of the Company as well as the sales agent(s) under the terms of any agreements with the Company;

(c) legal expenses and annual audit fees incurred by the Company;

(d) advertising, distribution and translation costs;

(e) printing costs, translation (if necessary), publication and distribution of the half-yearly report and accounts, the certified! annual accounts and report and all expenses incurred in respect of the prospectus and publications in the financial press;

(f) costs incurred by meetings of shareholders and meetings of the Board;

(g) attendance fees (where applicable) for the Directors and reimbursement to the Board of their reasonable travelling expenses, hotel and other disbursements inherent in attending meetings of Board or general meetings of shareholders of the Company; expenses (including insurance costs) incurred by the Board in the performance of their duties.

(h) fees and expenses incurred in respect of registration (and maintenance of the registration) of the Company (and/or each Sub-Fund) with the public authorities or stock exchanges in order to license product selling or trading irrespective of jurisdiction;

(i) all taxes and duties levied by public authorities and stock exchanges;

(j) all other operating expenses, including licensing fees due for utilization of stock indices and financing, banking and brokerage fees incurred owing to the purchase or sale of assets or by any other means;

(k) all other administrative expenses.

All recurring charges will be charged first against income, then against capital gains and then against assets.

III. The Company will establish a separate pool of assets and liabilities in respect of each Sub-Fund and the assets and liabilities shall be allocated in the following manner:

(a) if a Sub-Fund issues shares of two or more Classes, the assets attributable to such Classes shall be invested in common pursuant to the specific investment objective, policy and restrictions of the Sub-Fund concerned;

(b) within any Sub-Fund, the Board may determine to issue Classes subject to different terms and conditions, including, without limitation, Classes subject to (i) a specific distribution policy entitling the holders thereof to dividends or no distributions, (ii) specific subscription and redemption charges, (iii) a specific fee structure and/or (iv) other distinct features;

(c) the net proceeds from the issue of shares of a Class are to be applied in the books of the Company to that Class of shares and the assets and liabilities and income and expenditure attributable thereto are applied to such Class of shares subject to the provisions set forth below;

(d) where any income or asset is derived from another asset, such income or asset is applied in the books of the Company to the same Sub-Fund or Class as the asset from which it was derived and on each revaluation of an asset, the increase or diminution in value is applied to the relevant Sub-Fund or Class;

(e) where the Company incurs a liability which relates to any asset of a particular Sub-Fund or Class or to any action taken in connection with an asset of a particular Sub-Fund or Class, such liability is allocated to the relevant Sub-Fund or Class;

(f) if any asset or liability of the Company cannot be considered as being attributable to a particular Sub-Fund or Class, such asset or liability will be allocated to all the Sub-Funds or Classes pro rata to their respective net asset values, or in such other manner as the Board, acting in good faith, may decide; and

(g) upon the payment of distributions to the holders of any Class of shares, the net asset value of such Class shall be reduced by the amount of such distributions.

All valuation regulations and determinations shall be interpreted and made in accordance with generally accepted accounting principles.

If there has been created within the same Sub-Fund one or more Classes, the allocation rules set forth above shall apply, as appropriate, to such Classes.

In the absence of bad faith, gross negligence or manifest error, every decision in calculating the net asset value taken by the Board or by any bank, company or other organization which the Board may appoint for the purpose of calculating the net asset value, shall be final and binding on the Company and present, past or future shareholders.

IV. For the purpose of this Article:

1) shares of the Company to be redeemed under Article 8 shall be treated as existing and taken into account until immediately after the time specified by the Board on the Valuation Date on which such valuation is made and from such time and until paid by the Company the price therefore shall be deemed to be a liability of the Company;

2) shares to be issued by the Company shall be treated as being in issuance as from the time specified by the Board on the Valuation Date on which such valuation is made and from such time and until received by the Company the price therefore shall be deemed to be a debt due to the Company;

3) all investments, cash balances and other assets expressed in currencies other than the reference currency of the relevant Sub-Fund shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the net asset value of shares and

4) where on any Valuation Date the Company has contracted to:

- purchase any asset, the value of the consideration to be paid for such asset shall be shown as a liability of the Company and the value of the asset to be acquired shall be shown as an asset of the Company;

- sell any asset, the value of the consideration to be received for such asset shall be shown as an asset of the Company and the asset to be delivered shall not be included in the assets of the Company; provided however, that if the exact value or nature of such consideration or such asset is not known on such Valuation Date, then its value shall be estimated by the Company in good faith.

Art. 12. Frequency and Temporary Suspension of Calculation of Net Asset Value per Share of Issuance, Redemption and Conversion of Shares. With respect to each Class, the net asset value per share and the price for the issuance, redemption and conversion of shares shall be calculated from time to time by the Company or any agent appointed thereto by the Company, at least once a month at a frequency determined by the Board, such date or time of calculation being referred to herein as the "Valuation Date".

The Board is authorised to temporarily suspend the calculation of the Net Asset Value of shares, as well as the issue, redemption and conversion of shares in one or more Sub-Funds in the following cases:

a) During any period when any market or stock exchange which is the principal market or stock exchange on which a substantial portion of the investments of one or more Sub-Funds is listed is closed, other than for ordinary holidays, or during which dealings are considerably restricted or suspended.

b) When for any other exceptional circumstance the price of any investments owned by the Company attributable to any Sub-Fund cannot promptly or accurately be ascertained.

c) When the means of communication normally used to calculate the value of assets in one or more Sub-Funds are suspended or when, for any reason whatsoever, the value of an investment in one or more Sub-Funds cannot be calculated with the desired speed and precision.

d) When restrictions on exchange or the transfer of capital prevent the execution of dealings for one or more Sub-Funds or when buying and selling transactions on their behalf cannot be executed at normal exchange rates.

e) When factors which depend, among other things, on the political, economy, military and monetary situation and which evade the control, responsibility and means of action of the Company, prevent the Company from having access to the assets in one or more Sub-Funds and from calculating their Net Asset Values in a normal or reasonable manner.

f) when the Company or any of the Sub-Funds is/are in the process of establishing exchange parities in the context of a merger, a contribution of assets, an asset or share split or any other restructuring transaction.

g) when there is a suspension of redemption or withdrawal rights by several investment funds in which the Company or the relevant Sub-Fund is invested;

h) in exceptional circumstances, whenever the Board considers it necessary in order to avoid irreversible negative effects on one or more Sub-Funds, in compliance with the principle of equal treatment of shareholders and in their best interests.

When exceptional circumstances might adversely affect shareholders' interests or in the case that significant requests for subscription, redemption or conversion are received, the Board reserve the right to set the value of shares in one or more Sub-Funds only after having sold the necessary securities, as soon as possible, on behalf of the Sub-Fund(s) concerned. In this case, subscriptions, redemptions and conversions that are simultaneously in the process of execution will be treated on the basis of a single Net Asset Value in order to ensure that all shareholders having presented requests for subscription, redemption or conversion are treated equally.

If any application for redemption or conversion is received in respect of any relevant Valuation Day (the "First Valuation Day") which either alone or when aggregated with other applications so received, is above the liquidity threshold determined by the Board for the relevant Sub-Fund, the Board reserves the right in its sole and absolute discretion (and in the best interests of the remaining shareholders) to scale down pro rata each application with respect to such First Valuation Day so that no more than the corresponding amounts be redeemed or converted on such First Valuation Day. To the extent that any application is not given full effect on such First Valuation Day by virtue of the exercise of the power to pro-rate applications, it shall be treated with respect to the unsatisfied balance thereof as if a further request had been made by the shareholder in respect of the next Valuation Day and, if necessary, subsequent Valuation Days, until such application shall have been satisfied in full. With regard to any application received in respect of the First Valuation Day, to the extent that subsequent applications shall be received in respect of following Valuation Days, such later applications shall be postponed in priority to the satisfaction of applications relating to the First Valuation Day, but subject thereto shall be dealt with as set out in the preceding sentence.

The suspension of the calculation of the net asset value and/or where applicable, of the subscription, redemption and/or conversion of shares, shall be notified to the relevant persons through all means reasonably available to the Company, unless the Board is of the opinion that a publication is not necessary considering the short period of the suspension.

Any such suspension of the calculation of the Net Asset Value shall be notified to the subscribers and shareholders requesting redemption or conversion of their shares on receipt of their request for subscription, redemption or conversion.

Subscriptions and requests for redemption and conversion still outstanding may be withdrawn by written notification so long as such notification is received by the Company before the suspension ends.

Suspended subscriptions, redemptions and conversions will be taken into account on the first Valuation Date after the suspension ends.

The suspension measures provided for in this article may be limited to one or more Sub-Funds and/or Class(es) of shares.

In addition, a Sub-Fund may subscribe, acquire and/or hold shares of one or more Sub-Funds of the Company ("Target Funds") provided that:

Art. 19. Indemnification of Directors. The Company may indemnify any Director or officer and his heirs, executors and administrators, against expenses reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been a Director or officer of the Company or, at its request, of any other company of which the Company is a shareholder or a creditor and from which he is not entitled to be indemnified, except in relation to matters as to which he shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or misconduct; in the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Company is advised by counsel that the person to be indemnified did not commit such a breach of duty. The foregoing right of indemnification shall not exclude other rights to which he may be entitled.

Art. 20. Conflicts of Interest. No contract or other transaction between the Company and any other company or firm shall be affected or invalidated by the fact that any one or more of the Directors or officers of the Company is interested in, or is a director, associate, officer or employee of, such other company or firm. Any Director or officer of the Company who serves as a director, officer or employee of any company or firm with which the Company shall contract or otherwise engage in business shall not, by reason of such affiliation with such other company or firm, be prevented from considering and voting or acting upon any matters with respect to such contract or other business.

In the event that any Director or officer of the Company may have in any transaction of the Company an interest opposite to the interests of the Company, such Director or officer shall make known to the Board such opposite interest and shall not consider or vote on any such transaction, and such transaction and such Director's or officer's interest therein shall be reported to the next following general meeting of Shareholders.

The term "opposite interest", as used in the preceding sentence, shall not include any relationship with or without interest in any matter, position or transaction involving the Management Company, the Investment Manager or the Custodian, or such other person, company or entity as may from time to time be determined by the Board in its discretion.

Title IV. General meetings - Accounting year - Distributions

Art. 22. General Meetings of Shareholders of the Company. The general meeting of shareholders of the Company shall represent the entire body of shareholders of the Company. Its resolutions shall be binding upon all the shareholders regardless of the Class of shares held by them. It shall have the broadest powers to order, carry out or ratify acts relating to the operations of the Company.

If the Company only has one single shareholder, such shareholder shall exercise the powers of the general meeting of shareholders.

The general meeting of shareholders shall meet upon call by the Board. It must be convened within one month following the written request of shareholders representing at least ten per cent (10%) of the Company's share capital.

Shareholders representing at least ten per cent (10%) of the Company's share capital may request the adjunction of one or several items to the agenda of any general meeting of shareholders. Such request must be addressed to the Company's registered office by registered mail at least five (5) days before the date of the meeting.

The annual meeting shall be held in accordance with Luxembourg law at the registered office of the Company, on the last Thursday of March in each year at 2:00 p.m (CET).

If such day is not a business day in Luxembourg, the annual meeting shall be held on the next business day.

Other meetings of shareholders may be held at such places and times as may be specified in the respective notices of meeting.

The Company is not required to send the annual accounts, the report of the Auditor and the management report to the Shareholders at the same time as the convening notice to the annual general meeting. Shareholders shall meet upon call by the Board pursuant to a notice setting forth the agenda, time and place of the meeting, the applicable quorum and the majority requirements, sent at least eight days prior to the meeting to each registered shareholder at the shareholder's address in the register of shareholders. The giving of such notice to registered shareholders need not be justified to the meeting. Notices of all general meetings will be published in the Mémorial, in Luxembourg newspaper(s) and in other newspaper(s) as the Board may decide, for Shareholder who hold bearer Shares, if any, to the extent required by Luxembourg law.

The agenda shall be prepared by the Board except in the instance where the meeting is called on the written demand of the shareholders in which instance the Board may prepare a supplementary agenda.

If all Shares are in registered form only convening notices may be mailed by registered mail only.

If all shareholders are present or represented and consider themselves as being duly convened and informed of the agenda, the general meeting of shareholders may take place without notice of meeting.

Shareholders taking part in a meeting through videoconference or through other means of communication allowing their identification are deemed to be present for the computation of the quorums and votes. The means of communication used must allow all the persons taking part in the meeting to hear one another on a continuous basis and must allow an effective participation of all such persons in the meeting.

The Board may determine all other conditions that must be fulfilled by shareholders in order to attend any meeting of shareholders.

The business transacted at any meeting of the shareholders shall be limited to the matters contained in the agenda (which shall include all matters required by law) and business incidental to such matters. To the extent required by law, the notice may, in addition, be published in the Mémorial, in one or more Luxembourg newspapers, and/or in such other newspaper(s) as the Board may decide in its sole discretion.

Each whole share of whatever Class is entitled to one vote, in compliance with Luxembourg law and these Articles of Incorporation. A shareholder may act at any meeting of shareholders by giving a proxy in writing, by facsimile or by any other means of communication, a copy being sufficient, to another person, who need not be a shareholder and who may be a Director of the Company.

The quorum requirement are those provided for under Luxembourg law and regulations.

Unless otherwise provided by law or herein, resolutions of the general meeting are passed by a simple majority of the votes validly cast, unless the item to be resolved upon relates to an amendment of the Articles of Incorporation, in which case the resolution will be passed in accordance with Article 30 thereof.

Art. 23. General Meetings of Shareholders in a Sub-Fund. The shareholders of the Class or Classes issued in respect of any Sub-Fund may hold, at any time, general meetings to decide on any matters which relate exclusively to such Sub-Fund.

The provisions of article 22 shall apply to such general meetings.

Each whole share is entitled to one vote in compliance with Luxembourg law and these Articles of Incorporation. Shareholders may act either in person or by giving a written proxy to another person who need not be a shareholder and may be a Director of the Company.

Unless otherwise provided for by law or herein, resolutions of the general meeting of shareholders of a Sub-Fund are passed by a simple majority vote of the shareholders present or represented.

Any resolution of the general meeting of shareholders of the Company, affecting the rights of the holders of shares of any Sub-Fund or Class vis-à-vis the rights of the holders of shares of any other Sub-Fund or Class or Classes, shall be subject to a resolution both of all the shareholders of the Company and of the shareholders of such Sub-Fund or Class or Classes in compliance with Article 68 of the Law of August 10, 1915 on commercial companies, as amended.

Art. 24. Merger or Liquidation of Sub-Funds. In the event that for any reason the value of the assets in any Sub-Fund has decreased to an amount determined by the Board to be the minimum level for such Sub-Fund to be operated in an economically efficient manner or in case of a substantial modification in the political, economy or monetary situation or as a matter of economy rationalization, the Directors may decide on a forced redemption of the remaining shares in the Sub-Fund concerned without the shareholders' approval being necessary. The said redemption will be effected on the basis of the Net Asset Value per share calculated after all the assets attributable to this Sub-Fund have been sold.

The Company shall serve a written notice to the holders of the relevant shares prior to the effective date of the compulsory redemption, which will indicate the reasons for, and the procedure of the redemption operations. Holders of registered shares shall be notified in writing. The Company shall inform holders of bearer shares (if any) by publication of a notice in newspapers to be determined by the Board, unless such shareholders and their addresses are known to the Company. Unless it is otherwise decided in the interests of, or to keep equal treatment between the shareholders, the shareholders of the Sub-Fund concerned may continue to request redemption or conversion of their shares free of charge (but taking into account actual realization price of investments and realization expenses) prior to the effective date of the compulsory redemption.

Notwithstanding the powers conferred to the Board by the preceding paragraph, a general meeting of shareholders of any Sub-Fund may, upon proposal from the Board, redeem all the shares of such Sub-Fund and refund to the shareholders the net asset value of their shares (taking into account actual realization price of investments and realization expenses) calculated on the Valuation Date at which such decision shall take effect. There shall be no quorum requirements for such general meeting of shareholders at which resolutions shall be adopted by simple majority of the votes validly cast, if such decision does not result in the liquidation of the Company.

Assets which may not be distributed to their beneficiaries upon the close of the liquidation period will be deposited in escrow with the Luxembourg Caisse de Consignation on behalf of the persons entitled thereto.

All redeemed shares shall be cancelled.

Under the circumstances provided in the first paragraph of this Article, the Board may decide to allocate the assets of any Sub-Fund to those of another existing Sub-Fund within the Company or to another undertaking for collective investment organized under or the 2010 Law, the law of 13 February 2007 (if possible) or to another class within such other undertaking for collective investment (the "new Sub-Fund") and to re-designate the shares of the Sub-Fund concerned as shares of the new Sub-Fund (following a split or consolidation, if necessary, and the payment of the amount corresponding to any fractional entitlement to shareholders). Such decision will be published in the same manner as described in the second paragraph of this Article (and, in addition, the publication will contain information in relation to the new Sub-Fund), one month before the date on which the decision of the merger shall bind the shareholders who have not requested redemption or conversion of their shares, free of charge, during such period.

Notwithstanding the powers conferred to the Board by the preceding paragraph, a contribution of the assets and liabilities attributable to any Sub-Fund to another Sub-Fund of the Company may be decided upon by a general meeting of the shareholders of the contributing Sub-Fund for which there shall be no quorum requirements and which will decide upon such a merger by resolution taken by simple majority of those validly cast, if the merger does not result in the liquidation of the Company. Shareholders of the contributing Sub-Fund must be granted a period of one month before the date on which the decision of the merger will bind the shareholders who have not requested redemption or conversion of their shares, free of charge.

A contribution of the assets and liabilities attributable to any Sub-Fund to another undertaking for collective investment or to another class within such other undertaking for collective investment to be decided by a general meeting of shareholders shall require a resolution of the shareholders of the contributing Sub-Fund where no quorum is required and adopted at a simple majority of the shares validly cast at such meeting, except when such merger is to be implemented with a Luxembourg undertaking for collective investment of the contractual type ("fonds commun de placement") or a foreign based undertaking for collective investment, in which case resolutions shall be binding only on the shareholders of the contributing Sub-Fund who have voted in favour of such merger.

Art. 25. Accounting Year. The accounting year of the Company shall run from 1st January of each year until the last calendar day of December of that year.

Art. 26. Distributions. The general meeting of shareholders of the Class or Classes issued in respect of any Sub-Fund shall, upon proposal from the Board and within the limits provided by law, determine how the results of such Sub-Fund shall be disposed of, and may from time to time declare, or authorize the Board to declare, distributions.

For any Class entitled to distributions, the Board may decide to pay interim dividends in compliance with the conditions set forth by law.

Dividends will be credited to registered shareholders by bank transfer or paid by issuing a dividend cheque. Payments of distributions to holders of bearer shares (if issued) shall be made upon presentation of the dividend coupon to the agent or agents therefore designated by the Company.

Distributions may be paid in such currency and at such time and place that the Board shall determine from time to time.

The Board may decide to distribute stock dividends in lieu of cash dividends upon such terms and conditions as may be set forth by the Board.

Any distribution that has not been claimed within five years of its declaration shall be forfeited and revert to the Sub-Fund that comprises the relevant Class or Classes of shares.

No interest shall be paid on a dividend declared by the Company and kept by it at the disposal of its beneficiary.

The Custodian shall fulfil the duties and responsibilities as provided for by the 2010 Law.

The Custodian may not be removed by the Company unless a new custodian is appointed and the duties of the Custodian shall continue thereafter for such period as may be necessary to allow the transfer of all assets of the Company to the succeeding custodian.

Whenever the share capital falls below two-thirds of the minimum capital indicated in Article 5, the question of the dissolution of the Company shall be referred to the general meeting by the Board. The general meeting, for which no quorum shall be required, shall decide by simple majority of the votes of the shares represented at the meeting.

The question of the dissolution of the Company shall further be referred to the general meeting whenever the share capital falls below one-fourth of the minimum capital set by Article 5; in such an event, the general meeting shall be held

without any quorum requirements and the dissolution may be decided by shareholders holding one-fourth of the votes of the shares represented at the meeting.

La Société peut également conférer tous mandats spéciaux par procuration authentique ou sous seing privé.

Art. 13.
