FAL, Fondation pour l'accès au logement, Fondation.

Siège social: L-1713 Luxembourg, 202B, rue de Hamm.
R.C.S. Luxembourg G 201.

Comptes annuels au 31 décembre 2010

Généralités

La FONDATION POUR L'ACCES AU LOGEMENT, en abrégé la FAL, a été constituée pour une durée illimitée le 3 février 2009 par acte authentique par devant Maître Alex Weber, Notaire à Bascharage. Reconnue d'utilité publique, ses statuts ont été approuvés par arrêté grand-ducal du 9 mars 2009 et publiés au Mémorial le 10 avril 2009.

La Fondation a pour objet de promouvoir et de réaliser l'accès au logement des personnes défavorisées. A cet effet, une agence immobilière sociale (AIS) a été créée. Elle s'occupe de la gestion de logements propres ou sur mandat d'un propriétaire-bailleur public ou privé. Ces logements sont destinés à toute personne exposée à la précarité, la pauvreté et/ou l'exclusion sociale.

Les services et activités de la FAL sont offerts à toute personne indépendamment de sa nationalité, de son origine ethnique, de son sexe, de sa confession ou encore de son opinion politique.

Le siège social de la Fondation est établi à L-1713 Luxembourg, 202B, rue de Hamm.

La Fondation est inscrite au Registre de Commerce et des Sociétés sous le numéro d'immatriculation G 201.

L'exercice social commence le 1^{er} janvier pour se terminer le 31 décembre. Par exception, le premier exercice a commencé lors de la constitution, le 3 février 2009, pour se terminer le 31 décembre 2009.

Les comptes de la Fondation sont audités par Grant Thornton Lux Audit S.A., Réviseur d'Entreprises Agréé, à Capellen.

Rapport du réviseur d'entreprises agréé

Rapport sur les comptes annuels

Conformément au mandat donné par le Conseil d'Administration, nous avons effectué l'audit des comptes annuels ci joints de la FONDATION POUR L'ACCES AU LOGEMENT comprenant le bilan au 31 décembre 2010 ainsi que le compte de profits et pertes pour l'exercice clos à cette date, et un résumé des principales méthodes comptables et d'autres notes explicatives.

Responsabilité du Conseil d'Administration dans l'établissement et la présentation des comptes annuels

Le Conseil d'Administration est responsable de l'établissement et de la présentation sincère de ces comptes annuels, conformément aux obligations légales et réglementaires relatives à l'établissement et la présentation des comptes annuels en vigueur au Luxembourg ainsi que d'un contrôle interne qu'il juge nécessaire pour permettre l'établissement de comptes annuels ne comportant pas d'anomalies significatives, que celles-ci proviennent de fraudes ou résultent d'erreurs.

Responsabilité du Réviseur d'Entreprises Agréé

Notre responsabilité est d'exprimer une opinion sur ces comptes annuels sur la base de notre audit. Nous avons effectué notre audit selon les Normes Internationales d'Audit telles qu'adoptées pour le Luxembourg par la Commission de Surveillance du Secteur Financier. Ces normes requièrent de notre part de nous conformer aux règles d'éthique et de planifier et de réaliser l'audit pour obtenir une assurance raisonnable que les comptes annuels ne comportent pas d'anomalies significatives.

Un audit implique la mise en oeuvre de procédures en vue de recueillir des éléments probants concernant les montants et les informations fournis dans les comptes annuels. Le choix des procédures relève du jugement du Réviseur d'Entreprises Agréé, de même que l'évaluation des risques que les comptes annuels contiennent des anomalies significatives, que celles-ci proviennent de fraudes ou résultent d'erreurs. En procédant à celle évaluation, le Réviseur d'Entreprises Agréé prend en compte le contrôle interne en vigueur dans l'entité relativement à l'établissement et la présentation sincère des comptes annuels afin de définir des procédures d'audit appropriées en la circonstance, et non dans le but d'exprimer une opinion sur le fonctionnement efficace du contrôle interne de l'entité.

Un audit comporte également l'appréciation du caractère approprié des méthodes comptables retenues et le caractère raisonnable des estimations comptables faites par le Conseil d'Administration de même que l'appréciation de la présentation d'ensemble des comptes annuels.

Nous estimons que les éléments probants recueillis sont suffisants et appropriés pour fonder notre opinion.

Opinion

A notre avis, les comptes annuels donnent une image fidèle du patrimoine et de la situation financière de la FONDATION POUR L'ACCES AU LOGEMENT au 31 décembre 2010, ainsi que des résultats pour l'exercice clos à cette date, conformément aux obligations légales et réglementaires relatives à l'établissement et la présentation des comptes annuels en vigueur au Luxembourg.

Luxembourg le 11 octobre 2012.

Principes, Règles et Méthodes comptables

La comptabilité de la Fondation est tenue en EUR et les comptes annuels sont exprimés dans cette devise. Ils ont été préparés en concordance avec les principes comptables généralement admis au Luxembourg (LuxGAAP) conformément aux dispositions légales et réglementaires en vigueur. Les politiques comptables et les principes d'évaluation sont, en dehors des règles imposées par la loi, déterminés et mis en place par le Conseil d'Administration.

Les règles d'évaluation utilisées sont les suivantes:

- Les transactions effectuées dans une devise autre que l'euro durant l'exercice sont enregistrées au cours du jour de la transaction. Pour les créances et les dettes, les bénéfices de change réalisés et les pertes de change réalisées ou non réalisées à la clôture des comptes sont enregistrées au Compte de Profits et Pertes aux cours de change en vigueur à la date de clôture. Pour les avoirs en banque, tant les bénéfices réalisés que les pertes de change réalisées ou non réalisées à la date de clôture des comptes sont enregistrés au Compte de Profits et Pertes. Les autres éléments sont tenus au cours de change historique.

- Les immobilisations incorporelles et corporelles sont portées à l'actif du bilan à leur coût d'acquisition ou, lors d'un apport, d'un don ou d'un legs en nature, à leur valeur d'expertise ou d'estimation. Ces montants sont diminués des corrections de valeur calculées de façon linéaire sur base de la durée de vie estimée des immobilisations. Des corrections de valeur supplémentaires sont comptabilisées lorsque les immobilisations ne peuvent plus être utilisées par la Fondation.

- Les immobilisations financières sont portées à l'actif à leur prix d'acquisition. Des corrections de valeur sont actées si des moins-values sont constatées.

- Les créances envers les clients sont indiquées à leur valeur nominale. Les créances envers les clients douteux sont indiquées dans un compte distinct. Une correction de valeur tient compte des risques éventuels de non-recouvrement.

- Les dettes sont inscrites au bilan à leur valeur nominale.

- Les subventions reçues de l'Etat pour l'acquisition d'immobilisations sont portées au passif du bilan pour leur valeur initiale et les amortissements vont de pair avec ceux pratiqués pour les immobilisations corporelles.

4.4. Furthermore, the Company is entitled to take any action which may seem necessary or useful in order to achieve or to further the corporate purpose on the basis and within the limits of the 2007 Act.

Art. 5. Share Capital, Shares, NAV.

5.1 The share capital of the Company shall be represented by fully paid management shares subscribed by the General Partner only (the "Management Shares") and limited shares subscribed by the Shareholders of the Company (hereinafter referred as to "Shares" whether it is appropriate depending on the context to apply either for the sole limited shares or for both Management Shares and limited shares) of no par value and shall at any time be equal to the total net assets of the Company pursuant to article 13 hereof.

The General Partner shall, in its capacity as unlimited shareholder of the Company, hold at least one Management Share that is reserved to the General Partner.

5.2 The subscribed capital increased by the share premium (if any) of the Company must reach the aggregate amount of one million two hundred fifty thousand euro (EUR 1,250,000.-) within the first twelve months following its approval by the Commission de Surveillance du Secteur Financier (the "CSSF"), and thereafter may not be less than this amount.

The dismissal of the General Partner will only be effective as of the date of the appointment of the new general partner.

5.4 The Company has a multi-compartment structure and the General Partner may decide to set up one or more compartment(s) as defined in article 71 of the 2007 Act (the "Compartment"). Each Compartment may differ from other Compartments, inter alia, in their duration, investment objective and policy, fee structure, subscription and/or redemption procedures, minimum initial and subsequent investment and/or holding requirements, net asset value per Share (the "NAV per Share"), type of target investors and distribution policy applying to them as more fully described in the confidential private placement memorandum of the Company (the "PPM"). Each Compartment may have its own funding, classes of Shares, investment policy, capital gains, expenses and losses, distribution policy or other specific features.

5.5 Within a Compartment, the General Partner may, at any time, issue different classes of Shares (the "Classes", each class of Shares being a "Class") which may differ inter alia, in their fee structure, currencies, subscription, transfer, conversion and/or redemption procedures, minimum initial and subsequent investment and/or holding requirements, NAV per Share, type of target investors and distribution policy applying to them as more fully described in the PPM.

The General Partner shall hold at least one (1) Management Share in each Compartment.

5.9 Each Compartment is treated as a separate entity and operates independently, each portfolio of assets being invested for the exclusive benefit of this Compartment. The subscription or acquisition of Shares relating to a particular Compartment does not give the holder of such Shares any rights with respect to any other Compartment.

5.10 For the purpose of determining the capital of the Company, the net assets attributable to each Class will, if not already denominated in euro, be converted into euro and the capital of the Company shall be the aggregate of net assets of all Classes of all Compartments.

Art. 6. Form of shares.

6.1 All Shares of the Company are issued in registered form only. The Shares are not represented by certificates.

6.2 All issued registered Shares of the Company shall be registered in the register of Shareholders which shall be kept at the registered office by the Company or by one or more persons designated thereto by the Company, and such register shall contain the name of each owner of registered Shares, his residence or elected domicile as indicated to the Company, the number of registered Shares held by him, the Class, the amount paid up for each Share, the transfer of Shares and the dates of such transfer. The ownership of the Shares will be established by the entry in this register.

6.3 Each investor shall provide the Company with an address, fax number and email address to which all notices and announcements may be sent. Shareholders may, at any time, change their address as entered into the register of Shareholders by way of a written notification sent to the Company at its registered office, or at such other address as may be set by the Company from time to time.

6.4 In the event that a Shareholder does not provide an address, the Company may permit a notice to this effect to be entered into the register of Shareholders and the Shareholder's address will be deemed to be at the registered office of the Company, or such other address as may be so entered into the Shareholders register by the Company from time to time, until another address shall be provided to the Company by such Shareholder.

6.5 The Company will recognise only one (1) holder per Share. If one or more Shares are jointly owned or is the ownership of such shares is disputed, all persons claiming a right to such share(s) must appoint a sole attorney to represent such shareholding in dealing with the Company. The failure of such attorney shall result in the suspension of all rights attached to such Share. The same rule shall apply in the case of conflict between an usufruct holder (usufruitier) and a bare owner (nu-proprietaire). Moreover, in the case of joint Shareholders, the Company reserves the right to pay any

redemption proceeds, distributions or other payments to the first registered holder only, whom the Company may consider to be the representative of all joint holders, or to all joint Shareholders together, at its absolute discretion.

Shares shall be issued at the subscription price applicable to the relevant Compartment and Class as determined by the General Partner and disclosed in the PPM. The General Partner may also, in respect of any one given Compartment, Class of Shares, levy a subscription charge and has the right to waive partly or entirely this subscription charge. Any taxes, commissions and other fees incurred in the respective countries in which the Shares of the Company are marketed will also be charged.

7.7 The Company may agree to issue Shares as consideration for a contribution in kind of assets in accordance with the condition set forth by Luxembourg law, in particular the obligation to deliver a valuation report from an auditor qualifying as a réviseur d'entreprises agréé. Specific provision relating to contribution in kind will be detail in the PPM, if applicable.

or (b) 5% over EURIBOR 3 months published by Reuters at 11.00 a.m. (London time) for the period from the aforementioned date until the date on which such outstanding amount and interest thereon shall have been paid in full (the "Default Interest").

9.2 If however, the Defaulting Investor fails to pay in full the outstanding amount and interest accrued thereon, on or before the fifteenth Business Day (as defined in article 21) from the requested day for said payment, the Company may (without prejudice to any other rights it may have), in its sole discretion, and without further notice:

The Shareholders will have to amend the corporate name of the Company so as to include the corporate name of the new general partner.

Transfer of Shares

10.3 Transfer of Shares shall be valid or effective if:

(a) the transfer would not result in a violation of any term or condition of these Articles or of the PPM or of Luxembourg law or any other jurisdiction or subject the Company to any other adverse tax, legal or regulatory consequences as determined by the Company;

(b) the transfer would not result in the Company being required to register as an investment company under the U.S. Investment Company Act of 1940, as amended;

(c) such transfer is approved by the General Partner;

(d) the transferee represents in a form acceptable to the Company that such transferee is not a Restricted Person.

10.4 The transferor shall be responsible for and pay all costs and expenses (including any taxation) arising in connection with any such permitted transfer. The transferor and the transferee shall indemnify the Indemnified Persons (as defined in article 20), in a manner satisfactory to the General Partner against any claims and expenses to which the Indemnified Persons may become subject arising out of or based upon any false representation or warranty made by, or breach or failure to comply with any covenant or agreement of, such transferor or transferee in connection with such transfer. In

addition, each investor agrees to indemnify the Company and each Indemnified Person from any claims and expenses resulting from any transfer or attempted transfer of its Shares and (undrawn) commitment in violation of these Articles, the PPM (and the terms of the agreement entered into by each Shareholder and the Company for the account of such Compartment (the "Subscription Agreement")). Any transfer of Shares shall be made by a written declaration of transfer to be inscribed in the register of Shareholders of the Company, dated and signed by the transferor and the transferee or by suitable powers of attorney to act therefore. The Company may also accept as evidence of transfer on the basis of correspondence or other documents recording the agreement of the transferor and the transferee or accept as evidence of transfer any other instruments of transfer satisfactory to the Company.

Art. 11. Conversion of shares.

11.1 Unless otherwise provided, Shareholders are not allowed to convert all, or part, of the Shares into another Class.

Art. 12. Ownership restriction.

12.1 Shares are available to Well-Informed Investors as defined in the 2007 Act.

12.2 The Company may restrict or prevent the ownership of Shares by any individual or other entity:

(a) if in the opinion of the Company such holding may be detrimental to the Company;

(b) it may result (either individually or in conjunction with other investors in the same circumstances) in:

(i) the Company, the General Partner, a Compartment or any of their respective affiliates or any investment or potential investment of the Company to violate any law or regulation or could result in the Company, the General Partner, a Compartment or any of their respective affiliates or any investment or potential investment of the Company suffering material taxation or other pecuniary or fiscal disadvantages which they may not have suffered had such person ceased to be an investor;

(ii) the Company or a Compartment being subject to the U.S. Employee Retirement Income Security Act of 1974, as amended; or

(iii) the Company or a Compartment being required to register its Shares under the laws of any jurisdiction other than Luxembourg (including, without limitation, the U.S. Securities Act of 1933 or the U.S. Investment Company Act of 1940); or

(c) if it may result in a breach of any law or regulation applicable to the relevant individual or entity itself, the Company or a Compartment, whether Luxembourg law or other law (including anti-money laundering and terrorism financing laws and regulations); and in particular if a relevant Shareholder does not qualify as a Well-informed Investor or has lost such qualification for whatever reason;

(d) if as a result thereof the Company may become exposed to tax disadvantages or other financial disadvantages that it would not have otherwise incurred;

(such individual or legal entities are to be determined by the General Partner and are defined herein as "Restricted Persons"). A person or entity that does not qualify as a Well-Informed Investor shall be regarded as a Restricted Person.

12.3 For such purposes the Company may:

(a) decline to issue any Shares and decline to register any transfer of Shares, where it appears that such transfer would result in legal or beneficial ownership of such Shares by a Restricted Person; and

(b) at any time require any person whose name is entered in, or any person seeking to register the transfer of Shares on the register of Shareholders to furnish it with any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such Shareholder's Shares rests with a Restricted Person, or whether such registration will result in beneficial ownership of such Shares/(undrawn) commitment by a Restricted Person.

12.4 If it appears that an investor is a Restricted Person, the Company shall be entitled to, in its absolute discretion:

(a) decline to accept the vote of the Restricted Person at the general meeting and disregard its vote on any matter requiring the investor's consent; and/or

(b) retain all dividends paid or other sums distributed with regard to the Shares held by the Restricted Person; and/or

(c) instruct the Restricted Person to sell his/her/its Shares and to demonstrate to the Company that this sale was made within thirty (30) calendar days of the sending of the relevant notice, subject each time to the applicable restrictions on transfer as set out in article 10 hereof and in the PPM; and/or

(d) cancel the Restricted Person's (undrawn) commitment; and/or

(e) compulsorily redeem all Shares held by the Restricted Person at a price based on the lesser of (i) the latest available NAV per Share of the Restricted Person at the date on which the Company becomes aware that the relevant investor is a Restricted Person (or the moment of consideration being irrelevant if the NAV per Share is equal to zero or negative) and (ii) the aggregate Capital Contributions of the Restricted Person, less a penalty fee equal to, in the absolute discretion

of the General Partner, either (i) 30% of the applicable price or (ii) the costs incurred by the Company as a result of the holding of Shares by the Restricted Person (including all costs linked to the compulsory redemption).

12.5 The exercise of the powers by the Company in accordance with this article may in no way be called into question or declared invalid on the grounds that the ownership of Shares was not sufficiently proven or that the actual ownership of Shares did not correspond to the assumptions made by the Company on the date of the purchase notification, provided that the Company exercised the above-named powers in good faith.

Art. 13. Calculation of the Net Asset Value.

13.1 The NAV per Shares of each Class and / or Compartment shall be calculated under the responsibility of the General Partner upon the frequency set forth below in the reference currency of the Compartment or Class, as stipulated in the PPM on each valuation date as stipulated in the PPM and at least once a year (a "Valuation Date") in accordance with the Luxembourg law.

13.2 Calculation of the NAV

(a) The value of the total portfolio and distribution entitlements attributed to a particular Class of a particular Compartment on a given Valuation Date adjusted with the liabilities relating to that Class on that Valuation Date represents the total NAV attributable to that Class of that Compartment on that Valuation Date. The assets of such Class will be commonly invested within a Compartment but subject to different fee structures, distribution, marketing targets, currency or other specific features as stipulated in the PPM. A separate NAV per Share, which may differ as consequence of these variable factors, will be calculated for each Class as follows: the NAV of that Class of that Compartment on that Valuation Date divided by the total number of Shares of that Class of that Compartment then outstanding on that Valuation Date.

(b) For the purpose of calculating the NAV per Class of a particular Compartment, the NAV of each Compartment shall be determined by calculating the aggregate of:

(i) the value of all assets of the Company which are allocated to the relevant Compartment in accordance with the provisions of these Articles; less

(ii) all the liabilities of the Company which are allocated to the relevant Compartment in accordance with the provisions of these Articles on the relevant Valuation Date.

(c) The total net assets of the Company will result from the difference between the gross assets (including the market value of investments owned by the Company and its intermediary vehicles) and the liabilities of the Company based on a consolidated view, provided that:

(i) the equity or liability interests attributable to a Shareholder derived from these financial statements will be adjusted to take into account the fair (i.e. discounted) value of deferred tax liabilities as determined by the Company in accordance with its internal rules;

(ii) the acquisition costs for investments (including the costs of establishment of intermediary vehicle, as the case may be) shall be amortised over the planned strategic investment period of each of such investment, as confirmed by the General Partner, or for a maximum period of five (5) years rather than expensed in full when they are incurred; and

(iii) the set up costs, which under no circumstance will exceed four hundred fifty thousand euro (EUR 450,000.-), at 31 December 2011, for the Company and any Compartment shall be amortised over a period of up to five (5) years rather than expensed in full when they are incurred.

(d) The value of the assets of the Company will be determined as follows:

(i) the interests in unlisted portfolio funds registered in the name of the Company or in the name of an intermediary vehicle shall be valued at their last official and available net asset value, as reported or provided by such portfolio funds or their agents, or at their last unofficial net asset values (i.e., estimates of net asset values) if more recent than their last official net asset values. The official or unofficial net asset value of a portfolio fund may be adjusted for subsequent capital calls and distributions and applicable redemption charges where appropriate. The Company shall adjust the NAV or other valuation so provided where the Company considers such net asset valuation or other valuation information does not accurately reflect the Company's or Compartment's interests in such portfolio fund, whether because such information has been generated after a delay from the portfolio fund's own valuation point, change in markets or otherwise. The NAV is final and binding notwithstanding that it may have been based on unofficial or estimated net asset values;

(ii) the interests of investments registered in the name of the Company or in the name of an subsidiary or other company, entity or arrangement (such as a limited partnership, unit trust or trust) in which one or more Compartment (s) holds any direct or indirect interest (the "Intermediary Vehicle") which are listed on a stock exchange or dealt in another regulated market will be valued on the basis of the last available published stock exchange or market value;

(iii) the value of any cash on hand or on deposit, bills and demand notes and accounts, receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid, and not yet received shall be deemed to be the full amount thereof, unless it is unlikely to be received in which case the value thereof shall be arrived at after making such discount as the Company may consider appropriate in such case to reflect the true value thereof;

(iv) any transferable security and any money market instrument negotiated or listed on a stock exchange or any other organised market will be valued on the basis of the last known price, unless this price is not representative, in which case the value of such asset will be determined on the basis of its fair value estimated by the Company with good faith;

(v) investments registered in the name of the Company or in the name of an intermediary vehicle, other than those mentioned in paragraphs 13.2(d)(i) to 13.2(d)(iv) may be valued by one or more independent valuers in accordance with the terms of the PPM, provided that the Company may deviate from such valuation if deemed in the interest of the Company and its Shareholders.

(e) The General Partner, in its discretion, may permit some other method of valuation to be used if it considers that such valuation better reflects the fair value of any asset or liability of the Company in compliance with Luxembourg law. This method will then be applied in a consistent way. The administrator can rely on such deviations as approved by the Company for the purpose of the NAV calculation.

(f) All assets denominated in a currency other than the reference currency of the respective Class shall be converted at the mid-market conversion rate between the reference currency and the currency of denomination as at the Valuation Date.

(g) The assets and liabilities shall be allocated as follows:

(i) the proceeds to be received from the issue of Shares of any Class shall be applied in the books of the Company to the Compartment corresponding to that Class, provided that if several Classes are outstanding in such Compartment, the relevant amount shall increase the proportion of the net assets of such Compartment attributable to that Class;

(ii) the assets and liabilities and income and expenditure applied to a Compartment shall be attributable to the Class or Classes corresponding to such Compartment;

(iii) where the Company incurs a liability in relation to any asset of a particular Class or particular Classes within a Compartment or in relation to any action taken in connection with an asset of a particular Class or particular Classes within a Compartment, such liability shall be allocated to the relevant Class or Classes within such Compartment;

(iv) in the case where any asset or liability of the Company cannot be considered as being attributable to a particular Class, such asset or liability shall be allocated to all the Classes pro rata to their respective NAVs or in such other manner as determined by the General Partner acting in good faith, provided that (i) where assets of several Classes are held in one account and/or are co-managed as a segregated pool of assets by an agent of the General Partner, the respective right of each Class shall correspond to the prorated portion resulting from the contribution of the relevant Class to the relevant account or pool, and (ii) such right shall vary in accordance with the contributions and withdrawals made for the account of the Class, as described in the PPM, and finally (iii) all liabilities, whatever Class they are attributable to, shall, unless otherwise agreed upon with the creditors, be binding upon the Company as a whole;

(v) upon the payment of distributions to the Shareholders of any Class, the NAV of such Class shall be reduced by the amount of such distributions.

Art. 14. Temporary suspension of the calculation of the NAV.

14.1 The Company may at any time and from time to time suspend the determination of the NAV of Shares of any Compartment and/or the issue of the Shares of such Compartment to subscribers and/or the redemption of the Shares of such Compartment from its Shareholders and/or the conversions of Shares of any Class in a Compartment:

(a) when one or more stock exchanges or markets, which provide the basis for valuing a substantial portion of the assets of the relevant Compartment, or when one or more foreign exchange markets in the currency in which a substantial portion of the assets of the relevant Compartment are denominated, are closed otherwise than for ordinary holidays or if dealings therein are restricted or suspended;

(b) when, as a result of political, economic, military or monetary events or any circumstances outside the responsibility and the control of the General Partner, disposal of the assets of the relevant Compartment is not reasonably or normally practicable without being seriously detrimental to the interests of the Shareholders;

(c) in the case of a breakdown in the normal means of communication used for the valuation of any investment of the Company or if, for any reason beyond the responsibility of the General Partner, the value of any asset of the relevant Compartment may not be determined as rapidly and accurately as required;

(d) if, as a result of exchange restrictions or other restrictions affecting the transfer of funds, transactions on behalf of the Company are rendered impracticable or if purchases and sales of the Company's assets cannot be effected at normal rates of exchange;

(e) when for any other reason, the prices of any investments within a Compartment cannot be promptly or accurately determined;

(f) upon the publication of a notice convening a general meeting of Shareholders for the purpose of winding-up the Company or any Compartment(s);

(g) when the suspension is required by law or legal process; and/or

(h) when for any reason the General Partner determines that such suspension is in the best interests of Shareholders.

14.2 Any such suspension may be notified by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby. The Company shall notify Shareholders requesting redemption or conversion of their Shares of such suspension.

14.3 Such suspension as to any Compartment will have no effect on the calculation of the NAV per Share, the issue, redemption and conversion of Shares of any other Compartment.

The said proxies, after having been signed "ne varietur" by the proxyholder of the appearing parties and the undersigned notary, will remain annexed to the present deed for the purpose of registration.

The appearing parties, represented as stated hereabove, have requested the undersigned notary to enact the following:

- STAR PHARMA INVESTMENT LIMITED and SPOKANE INVESTMENTS LIMITED are the shareholders of IDE S.AR.L., a private limited liability company (société à responsabilité limitée), incorporated pursuant to a deed of Maître Paul Bettingen, notary residing in Niederanven, on August 24, 2006, published in the Mémorial C, Recueil des Sociétés et Associations ("Mémorial C") n°1788 on September 25, 2006. The articles of incorporation have been amended for the last time pursuant to a deed of Maître Roger Arrensdorff, notary, residing in Luxembourg, Grand Duchy of Luxembourg, on December 6, 2012, not yet published in the Mémorial C (RC B118.983).

- The IDE's share capital is presently set at three hundred twenty-seven thousand and three hundred fifty dollars (USD 327,350) represented by six thousand five hundred forty-seven (6,547) shares with a par value of fifty dollars (USD 50) each.

Now, therefore, the appearing parties, acting through their proxyholder, have requested the undersigned notary to record the following resolutions:

First resolution

The Shareholders decide to increase the subscribed capital by an amount of five thousand dollars (USD 5,000) to bring it from its present amount of three hundred twenty-seven thousand and three hundred fifty dollars (USD 327,350) to three hundred thirty two thousand three hundred fifty dollars (USD 332,350) by the issuance of one hundred (100) new shares with a par value of fifty dollars (USD 50) each, having the same rights as the already existing shares.

Thereupon, SPOKANE INVESTMENTS LIMITED, prenamed and represented as stated above, waives its rights to subscribe for the aforementioned capital increase.

STAR PHARMA INVESTMENT LIMITED, prenamed and represented as stated above, declares to subscribe for one hundred (100) new shares and to have them fully paid up by a contribution in cash of an aggregate amount of five thousand dollars (USD 5,000). The amount of five thousand dollars (USD 5,000) is as from now at the disposal of the Company, evidence thereof having been submitted to the undersigned notary.

The justifying documents of the subscription and of the payment have been produced to the undersigned notary, who expressly acknowledges it.

Second resolution

As a consequence of the preceding resolution, the Shareholders of the Company decide to amend article 5 of the articles of association of the Company, which will henceforth have the following wording:

"Art. 5. Capital. The capital of the Company is set at three hundred thirty two thousand and three hundred fifty dollars (USD 332,350) represented by six thousand and six hundred forty seven (6,647) shares with a par value of fifty dollars (USD 50) each."

There being no further business, the meeting is terminated.

The aggregate amount of the costs, expenditures, remunerations or expenses, in any form whatsoever, which the Company incurs or for which it is liable by reason of the present increase of capital, is approximately seven hundred fifty Euros (EUR 750.-).

The undersigned notary, who knows and understands English, states that on request of the appearing parties, the present deed is worded in English, followed by a French version and in case of discrepancies between the English and the French text, the English version will be binding.

WHEREOF the present notarial deed was drawn up in Luxembourg, on the day indicated at the beginning of this deed.

The document having been read to the person appearing, she signed together with the notary the present original deed.

(ensemble dénommées les Associés).

ici représentées par Mlle Chloé Dellandrea, avocat, résidant à Luxembourg, en vertu de procurations données sous seing privé.

Lesquelles procurations, après avoir été signées ne varieront par le mandataire des parties comparantes et le notaire instrumentant, resteront annexées au présent acte pour être soumises avec lui aux formalités de l'enregistrement.

Les parties comparantes, représentées comme décrites ci-dessus, ont requis le notaire instrumentant d'acter ce qui suit:

- STAR PHARMA INVESTMENT LIMITED et SPOKANE INVESTMENTS LIMITED sont les associés de IDE S.AR.L, une société à responsabilité limitée constituée suivant acte reçu par Maître Paul Bettingen, notaire de résidence à Niederanven en date du 24 août 2006, publié au Mémorial C, Recueil des Sociétés et Associations («Mémorial C») n°1788 du 25 septembre 2006. Les statuts ont été modifiés pour la dernière fois suivant acte reçu par Maître Roger Arrensdorff, notaire de résidence à Luxembourg, Grand-Duché de Luxembourg, en date du 6 décembre 2012, non encore publié au Mémorial C (RC B118.983).

- le capital social de IDE S.AR.L est actuellement fixé à trois cent vingt-sept mille trois cent cinquante dollars (USD 327.350) représenté par six mille cinq cent quarante-sept (6.547) parts sociales ayant une valeur nominale de cinquante dollars (USD 50) chacune.

Les parties comparantes, représentées par le mandataire, ont requis le notaire instrumentant d'acter les résolutions suivantes:

Première résolution

Les Associés décident d'augmenter le capital social souscrit d'un montant de cinq mille dollars (USD 5.000) pour le porter de son montant actuel de trois cent vingt-sept mille trois cent cinquante dollars (USD 327.350) à trois cent trente-deux mille trois cent cinquante dollars (332.350 USD) par l'émission de cent (100) nouvelles parts sociales d'une valeur nominale de cinquante dollars (USD 50) chacune, ayant les mêmes droits que les parts sociales déjà existantes.

Intervention - Souscription - Libération

Ces faits exposés, SPOKANE INVESTMENTS LIMITED, prénommée et représentée comme décrit ci-dessus, renonce à son droit de souscrire à l'augmentation de capital social susmentionnée.

STAR PHARMA INVESTMENT LIMITED, prénommée et représentée comme décrit ci-dessus, déclare souscrire à cent (100) nouvelles parts sociales et les libérer entièrement par un apport en numéraire d'un montant de cinq mille dollars (USD 5.000). La somme de cinq mille dollars (USD 5.000) est à la disposition de la Société, ce qui a été prouvé au notaire instrumentant.

Les documents justificatifs de la souscription et du paiement en numéraire ont été présentés au notaire soussigné, qui le reconnaît expressément.

Deuxième résolution

En conséquence de la résolution précédente, les Associés de la Société décident de modifier l'article 5 des statuts qui aura désormais la teneur suivante:

« **Art. 5. Capital.** Le capital social est fixé à trois cent trente-deux mille trois cent cinquante dollars (USD 332.350) représenté par six mille six cent quarante-sept (6.647) parts sociales ayant une valeur nominale de cinquante dollars (USD 50) chacune».

Plus rien n'étant à l'ordre du jour, la séance est levée.

Frais

Les parties ont évalué le montant des frais, dépenses, rémunérations et charges, sous quelque forme que ce soit, qui incombent à la Société ou qui sont mis à sa charge à raison de l'augmentation de capital à environ sept cent cinquante euros (EUR 750,-).

Le notaire soussigné, qui a personnellement connaissance de la langue anglaise, déclare que le mandataire des parties comparantes l'a requis de documenter le présent acte en langue anglaise, suivi d'une version française, et en cas de divergence entre le texte anglais et le texte français, le texte anglais fera foi.

DONT ACTE, fait et passé à Luxembourg, date qu'en tête des présentes.

Et après lecture faite et interprétation donnée au mandataire des parties comparantes, celui-ci a signé le présent acte avec le notaire.

STATUTES

In the year two thousand and thirteen, on the twenty-second of January.

Before Us Maître Henri BECK, residing in Echternach, the Grand Duchy of Luxembourg.

THERE APPEARED:

Diener Syz Holding AG, a company incorporated and governed under the laws of Switzerland, having its registered office address at Asylstrasse 77, 8032 Zurich, Switzerland, and registered with the Commercial Register of the Canton of Zurich under number CH-020.3.034.053-1, here represented by Mr. Juerg Syz, with professional address at Asylstrasse 77, 8032 Zurich, Switzerland, acting as the empowered Director of Diener Syz Holding AG, by virtue of the proxy given on January 16, 2013.

The said proxy, signed ne varietur by the person appearing, acting as said before, and the undersigned notary, will remain attached to the present deed to be filed with the registration authorities.

Such appearing company, represented as stated here above, has required the officiating Notary to enact the deed of incorporation of a Luxembourg public limited liability company ("société anonyme") with variable capital, qualifying as a société d'investissement à capital variable - fonds d'investissement spécialisé (SICAV-SIF) pursuant to the Luxembourg law of February 13th, 2007 relating to specialised investment funds, as such law may be amended, supplemented or rescinded from time to time (hereinafter the "SIF Law"), and which it declares organized by itself and the articles of association of which (hereinafter the "Articles of Association") shall be as follows:

Chapter I. Name, Form, Term, Object, Registered Office

Art. 1. Name and Form. There exists among the subscriber and those who may become owners of shares in the future, a company in the form of a public limited liability company ("société anonyme") with variable capital, under the name of "D&S Asia Green Property Fund II, S.A. SIF-SICAV" governed by the SIF Law (hereinafter the "Company").

Art. 2. Registered Office. The registered office of the Company is established in Luxembourg City, the Grand Duchy of Luxembourg.

In the event the Board of Directors considers that extraordinary political, economic or social events liable to compromise the Company's normal operations at the registered office or ease of communication with said registered office or by said office with other countries have occurred or are imminent, it may temporarily transfer the registered office abroad until said abnormal situation no longer exists. However, any such temporary measure shall have no effect on the Company's nationality, which, notwithstanding said temporary transfer of the registered office, shall continue to be a Luxembourg company.

The Company may, by simple decision of the Board of Directors, open branches or offices in the Grand Duchy of Luxembourg or elsewhere.

The registered office may be moved by simple decision of the Board of Directors, either within the commune or, within the limits authorised by Luxembourg law, to another commune of the Grand Duchy of Luxembourg.

Art. 3. Duration. The Company is incorporated for a maximum duration of 9 years beginning as from the Final Closing (as defined in the Memorandum).

Art. 4. Purpose. The purpose of the Company is the investment of the funds available to it directly or indirectly in real estate, securities of all kinds, as well as any other permissible assets in accordance with the SIF Law and the provisions of the private placement memorandum of the Company, as it may be amended from time to time (hereinafter the "Memorandum"), with a view of spreading investment risks and enabling its shareholders to benefit from the results of the management thereof. The Company may take any measures and conduct any operations it deems beneficial for the purpose of achieving or developing its object in accordance with the SIF Law.

Chapter II. Capital

Art. 5. Share Capital. The capital of the Company shall be represented by fully paid-up shares with no nominal value and shall at any time be equal to the total value of the net assets of the Company. The minimum subscribed capital of the Company, increased by any share premium as the case may be, shall be equivalent to one million, two hundred and fifty thousand Euro (EUR 1,250,000.-). Such minimum capital must be reached within a period of twelve months after the date on which the Company has been authorized as a specialised investment fund under the SIF Law.

Upon incorporation, the initial share capital of the Company is five hundred thousand Hong Kong Dollars (HKD 500,000.-) fully paid up, represented by fifty thousand (50,000) shares, of no nominal value, and which are divided into:

- forty thousand (40,000) A Shares (as defined in the Memorandum), without nominal value, all subscribed and fully paid-up; and

- ten thousand (10,000) B Shares (as defined in the Memorandum), without nominal value, all subscribed and fully paid-up.

The base currency of the Company shall be the Hong Kong Dollar (HKD). For the purpose of determining the capital of the Company, the net assets of the Company shall, if not denominated in Hong Kong Dollar, be converted into Hong Kong Dollar and the Company's capital shall be the aggregate of such net assets of the Company.

Art. 6. Capital Variation. The Company's share capital shall vary, without any amendment to the Articles of Association, as a result of the Company issuing new shares or redeeming its shares.

Chapter III. Shares, Net Asset Value

Art. 7. Classes of Shares. In accordance with the provisions of the Memorandum, shares are reserved to institutional, professional or well-informed investors within the meaning of the SIF Law and the Company will refuse to issue shares to the extent the legal or beneficial ownership thereof would belong to persons or companies which do not qualify as institutional, professional or well-informed investors within the meaning of the said law (hereinafter the "Eligible Investors"). Such restriction does not apply to the Company's investment manager and other persons who intervene in the management of the Company.

The Board of Directors may, at any time, create different classes of shares so as to correspond to (i) a specific sales and redemption charge structure and/or (ii) specific minimum investment requirements and/or (iii) different distribution, shareholders servicing or other fees and/or (iv) different types of targeted investors and/or (v) such other features as may be determined by the Board of Directors in accordance with the provisions of the Memorandum.

Those shares shall be issued, in accordance with article 9 hereof, on terms and conditions as shall be decided by the Board of Directors.

Art. 8. Form of Shares. The shares of the Company will be issued in registered form only.

All shares of the Company shall be registered in the register of shareholders kept by the Company or by an entity designated therefore by the Company, and such register shall contain the name of each owner of shares, his residence or elected domicile as indicated to the Company, the number and the class of shares held by him and the amounts paid.

The inscription of the shareholder's name in the register of shareholders evidences his right of ownership on such shares. The Board of Directors shall decide whether a certificate for such inscription shall be delivered to the shareholder or whether the shareholder shall receive a written confirmation of his shareholding.

Shareholders shall provide the Company with an address to which all notices and announcements may be sent. Such address will also be entered into the register of shareholders.

In the event that a shareholder does not provide an address, the Company may permit a notice to this effect to be entered into the register of shareholders and the shareholder's address will be deemed to be at the registered office of the Company, or at such other address as may be so entered into the register of shareholders by the Company from time to time, until another address shall be provided to the Company by such shareholder. A shareholder may, at any time, change his address as entered into the register of shareholders by means of a written notification to the Company at its registered office, or at such other address as may be set by the Company from time to time.

The Company recognizes only one single owner per share. If one or more shares are jointly owned or if the ownership of shares is disputed, all persons claiming a right to such share(s) have to appoint one single attorney to represent such share(s) towards the Company. The failure to appoint such attorney implies a suspension of the exercise of all rights attached to such shares.

Fractional shares will not be issued and will be rounded up to the nearest whole number.

Art. 9. Issue of Shares. The Board of Directors is authorized without limitation to issue an unlimited number of shares at any time, without reserving to the existing shareholders a preferential right to subscribe for the shares to be issued.

The Board of Directors may impose restrictions on the frequency at which shares shall be issued in any class of shares; the Board of Directors may, in particular, decide that shares of any class shall only be issued during one or more offering periods or at such other periodicity as provided for in the Memorandum.

Furthermore, in addition to the restrictions concerning the eligibility of investors as foreseen by the SIF Law, the Board of Directors may determine any other subscription conditions such as the minimum amount of commitments, the minimum amount of the aggregate net asset value of the shares of a class to be initially subscribed, the minimum amount of any additional shares to be issued, the subscription fees amount (if any), the restrictions on the ownership of shares and the minimum amount of any holding of shares. Such other conditions shall be disclosed and more fully described in the Memorandum.

Whenever the Company offers shares for subscription, the price per share at which such shares are offered shall be determined in compliance with the rules and guidelines fixed by the Board of Directors and reflected in the Memorandum. The price so determined shall be payable within a period as determined by the Board of Directors and reflected in the Memorandum.

The Board of Directors may delegate to any director, manager, officer or other duly authorized agent the power to accept subscriptions, to receive payment of the price of the new shares to be issued and to deliver them.

Art. 10. Redemption. The Shareholders may only require for the redemption of all or part of their shares if permitted by the Memorandum and within the limits imposed by the Memorandum, law and these Articles of Association.

In addition, the shares may be redeemed compulsorily whenever the Board of Directors considers redemption to be in the best interests of the Company as well as in any other case provided for in the Memorandum.

The Board of Directors may impose restrictions on the frequency at which shares may be redeemed in any class of shares; the Board of Directors may, in particular, decide that shares of any class shall only be redeemed on such redemption days as provided for in the Memorandum.

The redemption price shall be determined in accordance with the rules and guidelines fixed by the Board of Directors and reflected in the Memorandum for the shares of the Company. The price so determined shall be payable within a period as determined by the Board of Directors and reflected in the Memorandum.

Art. 11. Transfer of Shares. Shares may only be sold, transferred, pledged, encumbered or assigned with the written consent from the Board of Directors, which consent shall not be unreasonably withheld. Any sale, pledge, transfer, encumbrance or assignment of shares is subject to the seller, purchaser, beneficiary of encumbrance or assignee thereof fully and completely assuming in writing prior to the transfer or assignment, all outstanding obligations of the seller under the relevant share subscription agreement entered into by the seller and agreeing to be bound by the terms of the Memorandum and the relevant subscription agreement.

The Board of Directors shall not accept any sale, assignment, pledge or transfer of shares to any purchaser, assignee, pledgee or transferee who may not qualify as Eligible Investor.

Art. 12. Conversion. Shareholders are not entitled to require the conversion of whole or part of their shares of any class into shares of another existing class of the Company, unless otherwise specifically authorised in the Memorandum and under the conditions set forth therein.

Art. 13. Limitations on the Ownership of Shares. The Board of Directors may restrict or block the ownership of shares in the Company by any person (hereinafter a "Prohibited Person") if in the sole opinion of the Board of Directors, the holding of shares by such person may be detrimental to the interests of the existing shareholders and / or the Company,

if it may result in a breach of any law or regulation, whether Luxembourg or otherwise, or if as a result thereof the Company may become exposed to tax or other regulatory disadvantages, fines or penalties that it would not have otherwise incurred. A Prohibited Person includes any investor which does not meet the definition of Eligible Investor.

In such instance, the Board of Directors may:

- a) decline to issue any shares and decline to register any transfer of shares when it appears that such issue or transfer might or may have as a result the allocation of ownership of the shares to a Prohibited Person;
- b) proceed with the compulsory redemption of all the relevant shares if it appears that a Prohibited Person, either alone or together with other persons, is the owner of shares in the Company. The Company may then compulsorily redeem the shares at the applicable net asset value or as determined in the Memorandum subject to giving such Prohibited Person notice of at least fifteen (15) bank business days, and upon redemption, those shares will be cancelled and the Prohibited Person will cease to be a shareholder. In such event, the Board of Directors may also provide the shareholders of the Company (other than the Prohibited Person) with a right to purchase on a pro rata basis the shares of the Prohibited Person at the net asset value of those shares; or
- c) refuse, during any general meeting of shareholders, the right to vote of any shareholder who is or became a Prohibited Person.

Art. 14. Net Asset Value. The net asset value per share will be expressed in the reference currency of the Company and shall be determined by the Company's Central Administrative Agent (as defined in the Memorandum) under the supervision of the Board of Directors on each valuation day as defined in the Memorandum (hereinafter the "Valuation Day"), in accordance with Luxembourg laws and the Luxembourg GAAP.

The net asset value per share is calculated up to two decimal places.

In determining the net asset value per share, income and expenditure are treated as accruing daily.

The net asset value per share on any Valuation Day is determined by dividing: (i) the net assets of the Company on such Valuation Day, by (ii) the number of shares then outstanding in Company, in accordance with the valuation rules set forth in the Memorandum and Luxembourg GAAP.

I. The assets of the Company shall include:

- (i) all equipment installed at the property investments;
- (ii) all properties or property investments rights registered in the name of the Company or any of its subsidiaries, as defined in the Memorandum (hereinafter the "Subsidiaries");
- (iii) all shares, units, convertible securities, debt and convertible debt securities or other securities of Subsidiaries registered in the name of the Company;
- (iv) all shareholdings in convertible and other debt securities of property investments companies;
- (v) all cash in hand or on deposit, including any interest accrued thereon;
- (vi) all bills and demand notes payable and accounts receivable (including proceeds of properties, property investments rights, securities or any other assets sold but not delivered);
- (vii) all bonds, time notes, certificates of deposit, shares, stock, debentures, debenture stocks, subscription rights, warrants, options and other securities, financial instruments and similar assets owned or contracted for by the Company;
- (viii) all stock dividends, cash dividends and cash payments receivable by the Company to the extent information thereon is reasonably available to the Company or the depositary;
- (ix) all rentals accrued on any real estate properties or interest accrued on any interest-bearing assets owned by the Company except to the extent that the same is included or reflected in the value attributed to such asset; and
- (x) all other assets of any kind and nature including expenses paid in advance, insofar as the same have not been written off.

The value of the Company's assets shall be determined as follows:

- (i) property investments registered in the name of the Company or a direct or indirect Subsidiary of the Company will be valued by one or more independent appraisers at the end of each fiscal year and on such other days as the Board of Directors may determine. Half year desktop valuations will be used for the calculation of the net asset value on a Valuation Day other than at the end of each fiscal year;
- (ii) securities listed on a stock exchange or dealt in on another regulated market will be valued on the basis of the last available publicised stock exchange or fair market value;
- (iii) securities which are not listed on a stock exchange nor dealt in on another regulated market will be valued on the basis of the probable net realisation value (excluding any deferred taxation) estimated with prudence and in good faith by the Board of Directors;
- (iv) the value of any cash in hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof; and

(v) all other securities and other assets, including debt securities and securities for which no market quotation is available, are valued on the basis of dealer-supplied quotations or by a pricing service approved by the Board of Directors or, to the extent such prices are not deemed to be representative of market values, such securities and other assets shall be valued at fair value as determined in good faith pursuant to procedures established by the Board of Directors. Money market instruments held by the Company with a remaining maturity of 90 days or less will be valued by the amortised cost method, which approximates fair market value.

The value of all assets and liabilities not expressed in the reference currency of the Company will be converted into the reference currency at the relevant rates of exchange ruling on the relevant Valuation Day. If such quotations are not available, the rate of exchange will be determined with prudence and in good faith by or under procedures established by the Board of Directors.

II. The liabilities of Company shall include all:

- (i) loans and other indebtedness for borrowed money (including convertible debt), bills and accounts payable;
- (ii) accrued interest on such loans and other indebtedness for borrowed money (including accrued fees for commitment for such loans and other indebtedness);
- (iii) accrued or payable expenses (including administrative expenses, management fees, performance fees, investment advisory and property management and advisory fees, depositary fees, paying agency, central administration and domiciliation fees as well as reasonable disbursements incurred by the service providers);
- (iv) known liabilities, present and future, including all matured contractual obligations for payments of money or property investments, including the amount of any unpaid distributions declared by the Company where the Valuation Day falls on the record date for determination of the person entitled thereto or is subsequent thereto;
- (v) appropriate provision for future taxes based on capital and income to the calculation day, as determined from time to time by the Company, and other reserves (if any) authorised and approved by the Board of Directors, as well as such amount (if any) as the Board of Directors may consider to be an appropriate allowance in respect of any contingent liabilities of the Company;
- (vi) the formation expenses of the Company, including the cost of issuing and distributing shares of the Company; and
- (vii) other liabilities of the Company of whatsoever kind and nature reflected in accordance with Luxembourg law. In determining the amount of such liabilities, the Company shall take into account all expenses payable by the Company and may accrue administrative and other expenses of a regular or recurring nature based on an estimated amount pro rata for yearly or other periods.

The Board of Directors, in its discretion, may permit some other method of valuation to be used (like the European Venture Capital Association valuation methods) if it considers that such valuation better reflects the fair value of any asset or liability of the Company. This method will then be applied in a consistent way. The Central Administrative Agent (as defined in the Memorandum) can rely on such deviations as approved by and under the ultimate responsibility of the Board of Directors for the purpose of the net asset value calculation.

For the purpose of the above:

- (i) shares to be issued by the Company shall be treated as being in issue as from the time specified by the Board of Directors on the Valuation Day with respect to which such valuation is made and from such time and until received by the Company the price therefore shall be deemed to be an asset of the Company;
- (ii) shares of the Company to be redeemed (if any) shall be treated as existing and taken into account until the date fixed for redemption, and from such time and until paid by the Company the price therefore shall be deemed to be a liability of the Company;
- (iii) all investments, cash balances and other assets expressed in currencies other than the Hong Kong Dollar shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the net asset value per share; and
- (iv) where on any Valuation Day, the Company has contracted to:

(A) purchase any asset (if the underlying risks and rewards of transaction are transferred), the value of the consideration to be paid for such asset shall be shown as a liability of the Company and the value of the asset to be acquired shall be shown as an asset of the Company;

(B) sell any asset (if the underlying risks and rewards of transaction are transferred), the value of the consideration to be received for such asset shall be shown as an asset of the Company and the asset to be delivered by the Company shall not be included in the assets of the Company;

provided, however, that if the exact value or nature of such consideration or such asset is not known on such Valuation Day, then its value shall be estimated by the Board of Directors.

In compliance with the SIF Law, the accounts of the Subsidiaries will not be consolidated with the accounts of the Company.

The total net assets of the Company will be equal to the difference between the gross assets (including the fair market value, being the price determined dynamically at a specific date by buyers and sellers in an open market, of the Property

Investments, as defined in the Memorandum) and the liabilities of the Company based on accounts prepared in accordance with Luxembourg GAAP.

The calculation of the net asset value of the Company shall be made in the manner as provided for in the Memorandum. The latest net asset value per share may be obtained at the registered office of the Company at the latest sixty (60) Bank Business Days, as defined in the Memorandum, after the most recent Valuation Day.

Art. 15. Suspension of Calculation of the Net Asset Value. The Board of Directors may suspend the determination of the net asset value and/or, where applicable, the subscription, redemption and/or conversion (if permitted) of shares, for one or more classes in the Company, in the following cases:

- any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Board of Directors, disposal of the assets owned by the Company is not reasonably practicable without this being seriously detrimental to the interests of shareholders;
- any breakdown in the means of communication normally employed in determining the price of any of the Company's assets or if for any reason the value of any asset of the Company which is material in relation to the determination of the net asset value (as to which materiality the Board of Directors shall have sole discretion) may not be determined as rapidly and accurately as required;
- any period when the value of any wholly-owned (direct or indirect) Subsidiary of the Company may not be determined accurately;
- upon the publication of a notice convening a general meeting of shareholders for the purpose of resolving to dissolve the Company;
- any period when any one of the principal markets or other stock exchanges on which a portion of the assets of the Company, are quoted is closed (otherwise than for ordinary holidays) or during which dealings therein are restricted or suspended; or
- when for any other reason, the prices of any investments cannot be promptly or accurately ascertained.

Notice of such suspension shall be published, if deemed appropriate, by the Board of Directors.

Chapter IV. Administration and Management of the Company

Art. 16. Directors. A Board of Directors comprised of at least three members shall manage the Company. Board members do not need to be Company shareholders. The general meeting of shareholders shall appoint them for a term of office of six years at most, which shall be renewable.

Each director may be removed from office at any time with or without cause or replaced by means of a resolution of the general meeting of shareholders with a majority of at least 75% of the total votes in the Company.

If the seat of a director appointed by the general meeting of shareholders becomes vacant, the directors still in office may temporarily appoint a director. In this case, the general meeting shall make a permanent appointment at its next meeting.

Art. 17. Chairmanship and Board Meetings. The Board of Directors shall appoint a Chairman and possibly one or more Vice-Chairmen from amongst its members. It may also appoint a secretary who does not need to be a director.

The Board of Directors shall meet at the request of the Chairman or, if he is unable to act, a Vice-Chairman or two directors whenever this is in the Company's best interests, at the place, date and time specified in the notice of meeting. Any director who is unable to attend a Board meeting may appoint another director, in writing, telex, fax or any other means of electronic transmission, to represent him and to vote in his stead. A director may represent one or more of his colleagues.

Save for an emergency, all directors shall be given at least 24 hours' notice in writing of any Board meeting. In the event of an emergency, the nature and the reasons thereof shall be mentioned in the notice of meeting. There shall be no need for such notice of meeting if each director consents in writing or by cable, telegram, telex or fax to such waiver of notice. A specific notice of meeting shall not be required for a Board meeting held at a time and venue specified in a resolution that has already been adopted by the Board of Directors.

Board meetings shall be chaired by the Chairman or, in his absence, the eldest of the Vice-Chairmen, if any, or in their absence, the delegated director, if any, or in his absence, the eldest director attending the meeting.

The Board of Directors may conduct business and act only if the majority of directors are present or represented. Decisions shall be taken by a simple majority of votes cast by the directors attending the meeting or represented. The votes cast shall not include those of directors who did not take part in the voting, abstained, or cast a blank or void vote. If, during a Board meeting, there is a tie in voting for or against a decision, the person chairing the meeting shall have a casting vote.

All directors may participate at a Board meeting by telephone conference or by other like means of communications where all individuals attending said meeting can hear one another. Participation at a meeting by these means amounts to attendance in person at said meeting.

Notwithstanding the foregoing provisions, a Board decision may also be taken by circular letter. Such decision shall be approved by all directors who sign a single document or multiple copies thereof. Such decision shall have the same validity and force as if it had been taken at a meeting that had been duly convened and held.

The Chairman or the person who chairs the meeting in his absence shall sign the minutes of Board meetings.

Art. 18. Board Powers. The Board of Directors shall have the broadest powers to carry out all acts of management or disposal in the Company's best interests. All powers not expressly reserved to the general meeting under current law or these Articles of Association shall fall within the remit of the Board of Directors.

With regard to third parties, the Company shall be validly committed by the joint signature of two directors or the sole signature of all individuals to whom powers of signature have been delegated by the Board of Directors.

Art. 19. Daily Management. The Company's Board of Directors may delegate its powers relating to the daily management of the Company's business (including the right to act as the Company's authorised signatory) and to represent it for said management either to one or more directors or to one or more agents who need not necessarily be Company shareholders. Said individuals shall have the powers conferred on them by the Board of Directors. They may sub-delegate their powers, if authorised by the Board of Directors. The Board of Directors may also grant all special mandates by notarised power of attorney or by private power of attorney.

In order to reduce the operating and administrative expenses, while making it possible to achieve more extensive diversification of investments, the Board of Directors may decide that all or part of the Company's assets shall be jointly managed with assets owned by other collective investment undertakings or that all or part of the assets of sub-funds, categories and/or classes shall be jointly managed between them.

Art. 20. Investment Policy and Restrictions. The Board of Directors, applying the principle of the spreading of risks, shall be fully empowered to determine the investment policy and restrictions of the Company, and the course of conduct of the management and business affairs of the Company, within the restrictions as shall be set forth by the Board of Directors in compliance with the SIF Law and as laid down in the laws and regulations of those countries where the shares are offered for sale, or shall be adopted from time to time by resolutions of the Board of Directors and as shall be described in the Memorandum.

Art. 21. Delegation of Management and Advice. The Company may enter into one or more management agreement(s), in the broadest sense of the term within the meaning of the SIF Law, or consultancy agreements with any Luxembourg or foreign company within the limits and subject to the conditions authorised by law.

The Board of Directors may create from time to time one or several committees composed of the directors and/or external persons and to which it may delegate powers and roles as appropriate.

Art. 22. Conflict of Interest. No contract and transaction that the Company may enter into with other companies or firms may be affected or invalidated by the fact that one or more directors or executive directors of the Company has/have any interest whatsoever in such other company or firm or by the fact that he is a director, shareholder or partner, executive director or employee thereof.

The director or executive director of the Company who is a director, executive director or employee of a company or firm with which the Company signs contracts or otherwise does business shall not thereby be deprived of the right to deliberate, vote and act in connection with matters related to such contracts or such business. In the event a director or an executive director has a personal interest in a Company transaction, said director or executive director shall inform the Board of Directors of his personal interest and shall not deliberate or take part in the vote on said transaction. A report on said transaction and on the personal interest of such director or non-executive director shall be submitted at the next meeting of shareholders.

Art. 23. Indemnification. The Company may indemnify any director, manager, officer, executive or authorized representative of the Company, together with his heirs, executors and administrators, against expenses reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his activities on behalf of the Company, except in relation to matters as to which he shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct; in the event of an out-of-court settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Company is advised by a counsel that the person to be indemnified did not commit such a breach of duty. The foregoing right of indemnification shall not exclude other rights to which such person may be entitled.

Chapter V. General meetings

Art. 24. General Meetings of the Shareholders. The general meeting of shareholders shall represent the entire body of the shareholders. Its resolutions shall be binding upon all the shareholders regardless of the class of shares held by them. It shall have the broadest powers to order, carry out or ratify acts relating to the operations of the Company.

If and to the extent specifically required by applicable laws, each amendment to these Articles of Association entailing a variation of rights in a class of shares must be approved by a resolution of the shareholders' meeting of the Company and of a separate meeting(s) of the holders of shares of the relevant class(es) concerned.

General meetings of shareholders shall be convened by the Board of Directors, or by shareholders holding a minimum of 10% of the Company's share capital. General meetings of shareholders shall be convened pursuant to a notice given by the Board of Directors setting forth the agenda and sent by registered letter at least eight (8) calendar days prior to the meeting to each registered shareholder at the shareholder's address recorded in the register of registered shares.

An extraordinary general meeting convened to amend any provisions of the Articles of Association shall not validly deliberate unless at least one half of the capital is represented and the agenda indicates the proposed amendments to the Articles of Association.

If the first of these conditions is not satisfied, a second meeting may be convened, in the manner prescribed by the Articles of Association, by means of notices published twice, at fifteen days interval at least and fifteen days before the meeting in the Luxembourg official gazette, the Mémorial, and in two Luxembourg newspapers. Such convening notice shall reproduce the agenda and indicate the date and the results of the previous meeting. The second meeting shall validly deliberate regardless of the proportion of the capital represented. At both meetings, decisions, in order to be adopted, must be carried by at least two-thirds of the votes of the shareholders present or represented.

The annual general meeting of shareholders shall be held at the Company's registered office or at any other location in the Luxembourg City, to be specified in the notice of the meeting, at 12:00 (Central European Time) on first Monday of August of each year. If this day is not a banking day in Luxembourg, the annual general meeting shall be held on the next banking day. The annual general meeting may be held abroad if, in the opinion of the Board of Directors, exceptional circumstances beyond the scope of the Company's or of its shareholders' control will so require.

Other general meetings of shareholders may be held at the place and on the date specified in the notice of meeting.

If all shareholders are present or represented and consider themselves as being duly convened and informed of the agenda, the shareholders can waive all convening requirements and formalities so that the general meeting may take place without notice of meeting.

The Board of Directors may determine all other conditions that must be fulfilled by shareholders in order to attend any meeting of shareholders.

The business transacted at any meeting of the shareholders shall be limited to the matters contained in the agenda (which shall include all matters required by law) and business incidental to such matters.

Each share, whatever its value, shall provide entitlement to one vote. Fractions of shares do not give their holders any voting right.

Shareholders may take part in meetings by designating in any formal writing, other persons to act as their proxy.

Art. 25. General Meetings of Shareholders in a Class of Shares. The shareholders in any class of shares may hold, at any time, general meetings of shareholders to decide on any matter, which relate exclusively to such class.

Unless otherwise provided for by law or herein, resolutions of the general meeting of shareholders of a class are passed by a simple majority vote of the shareholders present or represented.

Chapter VI. Financial Year, Distributions

Art. 26. Financial Year. The Company's financial year shall start on April 1st of each year and shall end on March 31st of each year. The Company shall publish an annual report in accordance with Luxembourg laws.

Art. 27. Distributions. Distributions shall be paid in accordance with the order of payments set forth in the Memorandum, and, in particular, the Distribution Waterfall, as defined in the Memorandum. The general meeting of shareholders of the Company, upon proposal by the Board, within the limits provided by law, shall determine how the profits, if any, shall be treated, and from time to time may declare, or authorize the Board of Directors to declare, dividends, provided, however, that the capital of the Company does not fall below the prescribed minimum capital. Such rule, however, shall not apply after the final repayment or liquidation of the Company has commenced.

The Board may in its discretion decide to pay interim dividend in compliance with the conditions set forth by law.

Payments of distributions to shareholders shall be made to such shareholders at their addresses in the register of shareholders.

Distributions may be paid in such currency and at such time and place that the Board of Directors shall determine from time to time.

Any dividend distribution that has not been claimed within five (5) years of its declaration shall be forfeited in favour of the Company.

No interest shall be paid on a dividend declared by the Company and kept by it at the disposal of its beneficiary.

Chapter VII. Auditor

Art. 28. Auditor. The Company shall have the accounting data contained in the annual report audited by an independent auditor ("réviseur d'entreprises agréé") appointed by the shareholders' general meeting. The independent auditor shall fulfill all duties prescribed by Luxembourg laws and be entitled to a remuneration to be borne by the Company.

Chapter VIII. Depositary

Art. 29. Depositary. The Company will appoint a depositary which meets the requirements of the SIF Law. The depositary shall fulfill the duties and responsibilities as provided for by the SIF Law and be entitled to a remuneration to be borne by the Company.

If the depositary wishes to retire, the Board of Directors shall use its best endeavours to find a successor depositary within two months of such retirement. The Board of Directors may terminate the appointment of the depositary but shall not remove the depositary unless and until a successor depositary shall have been appointed to act in its place.

Chapter IX. Dissolution, Liquidation

Art. 30. Dissolution, Liquidation. The Company may at any time be dissolved by a resolution of the general meeting of shareholders subject to the quorum and majority requirements necessary for the amendment to these Articles of Association.

Whenever the share capital falls below two-thirds (2/3) of the minimum capital referred to in article 5 hereof, the question of the dissolution of the Company shall be referred by the Board of Directors to the general meeting. The general meeting, for which no quorum shall be required, shall decide by simple majority of the votes of the shares represented at the meeting.

The question of the dissolution of the Company shall further be referred to the general meeting whenever the share capital falls below one-fourth (1/4) of the minimum capital referred to in Article 5 hereof; in such an event, the general meeting shall be held without any quorum and the dissolution may be decided by shareholders holding one-fourth (1/4) of the shares represented at the meeting.

The meeting must be convened so that it is held within a period of forty (40) days from ascertainment that the net assets of the Company have fallen below two-thirds or one-fourth of the legal minimum, as the case may be.

Liquidation shall be carried out by one or several liquidators, who may be physical persons or legal entities, appointed by the general meeting of shareholders which shall determine their powers and their compensation.

Liquidation will take place in accordance with applicable Luxembourg laws. The net proceeds of the liquidation will be distributed to shareholders in proportion to their rights.

At the end of the liquidation process of the Company, any amounts that have not been claimed by the shareholders will be paid into the Caisse des Consignations, which keeps them available for the benefit of the relevant shareholders during the duration provided for by law.

Chapter X. General Provisions

Art. 31. Applicable Law. In respect of all matters not governed by these Articles of Association, the parties shall refer to the provisions of the law of 10th August 1915 on commercial companies and the amendments thereto, and the relevant laws and regulations applicable to Luxembourg undertakings for collective investment, notably the SIF Law.
