For the purpose of this Fund, the term “Well-Informed Investors” shall exclude any natural persons.

Chapter I. - Name, Registered office, Object, Duration

1. Corporate name. The Fund is hereby formed as a public limited company (société anonyme) qualifying as an investment company with variable share capital - specialised investment fund (société d’investissement à capital variable - fonds d’investissement spécialisé), under the name of “SCM Infrastructure Select”. The Fund shall be governed by the 2007 Law.

2. Registered office. The registered office of the Fund is established in the City of Luxembourg.

The Board of Directors is authorised to transfer the registered office of the Fund within the City of Luxembourg.

The registered office may be transferred to any other place in the Grand Duchy of Luxembourg by means of a resolution of an extraordinary general meeting of its Shareholders deliberating in the manner provided for any amendment to the Articles of Incorporation.

Should a situation arise or be deemed imminent, whether military, political, economic or social, which would prevent the normal activity at the registered office of the Fund, the registered office of the Fund may be temporarily transferred abroad until such time as the situation becomes normalised; such temporary measures will not have any effect on the Fund’s nationality, which, notwithstanding this temporary transfer of the registered office, will remain a Luxembourg Fund. The decision as to the transfer abroad of the registered office will be made by the Board of Directors.

3. Object. The object of the Fund is to provide attractive risk-adjusted returns from capital invested in Target Funds through its Sub-Funds, while reducing investment risks through diversification.

The Fund may take any measures and carry out any transaction, which it may deem useful for the fulfillment and development of its purpose to the largest extent permitted under the 2007 Law.

4. Duration. The Fund is established for an unlimited period of time.

Chapter II. - Capital, Shares

5. Share capital - Classes of shares.

5.1 Share capital.

The minimum share capital of the Fund shall be, as required by the 2007 Law, the equivalent in any currency of one million two hundred and fifty thousand Euros (EUR 1,250,000). This minimum must be reached within a period of twelve months following the authorisation of the Fund.

The capital of the Fund shall be represented by fully paid up Shares of no par value and shall at all times be equal to its Net Asset Value as defined in Article 10 hereof.

The initial share capital of the Fund is set at thirty-one thousand Euros (EUR 31,000.-) represented by thirty-one (31) fully paid up Shares of no par value. The accounting currency of the Fund is the EUR.

The share capital of the Fund shall be increased or decreased as a result of the issue by the Fund of new fully paid up Shares or the repurchase by the Fund of existing Shares from its Shareholders.

5.2 Sub-Funds

For the purpose of determining the capital of the Fund, the net assets attributable to each Sub-Fund shall, if not denominated in EUR, be converted into EUR and the capital shall be the aggregate of the net assets of all Sub-Funds.

The Board of Directors may, at any time, establish several pools of assets, each constituting a Sub-Fund (compartment) within the meaning of article 71 of the 2007 Law.

The Board of Directors shall attribute a specific investment objective and policy, specific investment restrictions and a specific denomination to each Sub-Fund.

The right of Shareholders and creditors relating to a particular Sub-Fund or raised by the incorporation, the operation or the liquidation of a Sub-Fund are limited to the assets of such Sub-Fund. The assets of a Sub-Fund will be answerable exclusively for the rights of the Shareholders relating to this Sub-Fund and for those of the creditors whose claim arose in relation to the incorporation, the operation or the liquidation of this Sub-Fund. In the relation between Shareholders, each Sub-Fund will be deemed to be a separate entity.

The proceeds of the issue of each Class of Shares of a given Sub-Fund shall be invested, in accordance with Article 3, in securities of any kind and other assets permitted by the 2007 Law, pursuant to the investment objective and policy determined by the Board of Directors for the Sub-Fund established in respect of the relevant Class(es) of Shares, subject to the investment restrictions provided by law or determined by the Board of Directors.

5.3 Classes of Shares

The Board of Directors may, at any time, issue different Classes of Shares, which may differ, inter alia, in their fee structure, minimum investment requirement, type of target investors, distribution policy, Reference Currency or hedging policy. Those Classes of Shares will be issued in accordance with the requirements of the 2007 Law and the 1915 Law and shall be disclosed in the Issue Document. The Shares of any Class are referred to as the "Shares" and each as a "Share" when reference to a specific Class of Shares is not required.

6. Form of shares. The Fund shall issue fully paid-in Shares of each Sub-Fund and each Class in uncertificated registered form only.

All issued Shares of the Fund shall be registered in the register of Shareholders which shall be kept by the Fund or by one or more entities designated thereto by the Fund and under the Fund's responsibility, and such register shall contain the name of each owner of registered Shares, his residence or elected domicile as indicated to the Fund, the number and Class of registered Shares held by him, the amount paid up on each Share, the transfer of Shares (subject to the provisions of Article 8 hereof) and the dates of such transfer.

The inscription of the Shareholder's name in the register of Shareholders evidences his right of ownership of such registered Shares.

The Fund shall consider the person in whose name the Shares are registered as the full owner of the Shares. Vis-à-vis the Fund, the Fund's Shares are indivisible, since only one owner is admitted per Share. Joint co-owners have to appoint a sole person as their representative towards the Fund. Notwithstanding the above, the Fund may decide to issue fractional Shares up to the nearest one thousandth of a Share. Such fractional Shares shall carry no entitlement to vote but shall entitle the holder to participate in the net assets of the relevant Class on a pro rata basis.

Any transfer of registered Shares, subject to the provisions of Article 8 hereof, shall be entered into the register of Shareholders; such inscription shall be signed by any member of the Board of Directors or by any other person duly authorised thereto by the Board of Directors.

Shareholders entitled to receive registered Shares shall provide the Fund with an address to which all notices and announcements may be sent. Such address will also be entered into the register of Shareholders.

In the event that a Shareholder does not provide an address, the Fund may permit a notice to this effect to be entered into the register of Shareholders and the Shareholder's address will be deemed to be at the registered office of the Fund, or at such other address as may be so recorded into the register of Shareholders by the Fund from time to time, until another address shall be provided to the Fund by such Shareholder. A Shareholder may, at any time, change his address as entered into the register of Shareholders by means of a written notification to the Fund at its registered office, or at such other address as may be set by the Fund from time to time.

Payments of distributions, if any, will be made to Shareholders in respect of registered Shares at their addresses indicated in the register of Shareholders.

7. Issue and subscription for shares.

7.1 Issue of the Shares

The Board of Directors is authorised without limitation to issue new Shares of any Class and in any Sub-Fund at any time without reserving for existing Shareholders any preferential or pre-emptive right for the Shares to be issued.

The Board of Directors may impose restrictions on the frequency with which Shares are issued. The Board of Directors may, in particular, decide that Shares in any Sub-Fund and/or Class shall only be issued during one or more Offer Periods or at any other frequency as provided for in the Issue Document.

Shares shall be issued and allotted only upon acceptance of a Subscription Agreement containing, inter alia, the Commitment of the prospective Shareholder to subscribe for Shares and to pay them in by contribution of a certain amount

of cash to the Fund. In exchange of its Commitment, the Fund will issue fully paid-in Shares to the relevant prospective Shareholder.

7.2 Commitments and Draw Downs

Commitments to subscribe for Shares will be payable to the relevant Sub-Fund, in whole or in part, on the date specified in any Funding Notice sent by the Management Company or any agent duly appointed by the Management Company. The Board of Directors will issue fully paid up Shares of the relevant Class in the Sub-Fund to such Investor to the extent that his Commitment is called up and paid in conformity with the Funding Notice.

Draw Downs will usually be made by sending a Funding Notice not less than seven (7) Business Days in advance of the date on which the amount called pursuant to said Funding Notice is payable by the relevant Investors. Unless the Investor has made arrangements with the Management Company to make payment in some other currency or by some other method, payment must be made in the Reference Currency of the Sub-Fund by SWIFT.

With regard to each Class in the relevant Sub-Fund, the Management Company will draw down Commitments from all Investors proportionally to their respective total Commitment(s).

At each Draw Down following the acceptance of their Subscription Agreement, Subsequent Investors will be first drawn down by the Management Company up to and until such time that the Funded Commitments made by such Subsequent Investors bear the same proportion as the Funded Commitments of the Prior Investors.

Generally, each Draw Down shall be made in proportion and shall be equal to a percentage of each relevant Investor's total Commitment, unless such percentage would result in any Percentage Limited Investor breaching any percentage restriction to which it is subject as set out in the Subscription Agreement and/or if, as a result thereof, the Fund or any Sub-Fund may become exposed to tax disadvantages, fines, penalties that it would not have otherwise incurred. In such case, the Management Company will draw down such Percentage Limited Investors up to a maximum amount that does not breach the above-mentioned percentage restriction. The amount which could not be called due to this limitation will be reallocated to the relevant Percentage Limited Investor's Unfunded Commitments and such portion will be drawn down in priority to any other Investors, but with respect to the percentage limitation, at the next following Draw Down and, if necessary, subsequent Draw Downs until such portion is entirely satisfied.

Notwithstanding the above, the Management Company may, with Investor Consent, deviate from the above Draw Down procedures.

7.3 Actualisation Interest

Each Subsequent Investor will have to pay, in addition to the Subscription Price, an actualisation interest (the "Actualisation Interest"), as further described in the Issue Document. For the avoidance of doubt, an Investor may be both a Prior Investor and a Subsequent Investor for the purpose of this Article.

The Actualisation Interest shall not be treated as part of a Subsequent Investor's Commitment and Subsequent Investors shall pay it in addition to their respective Commitments.

The Actualisation Interest will be paid for the benefit of Prior Investors, via the relevant Sub-Fund, which will transmit it to the Prior Investors in proportion to their entitlement.

7.4 Restrictions to the Subscription for Shares

Shares are reserved to Well-Informed Investors only and in accordance with the Issue Document.

The offering of the Shares may be restricted to specific categories of persons in certain jurisdictions in order to conform to local law, customs or business practice or for fiscal or any other reason. It is the responsibility of any persons/entities wishing to hold Shares to inform themselves of and to observe all applicable laws and regulations of any relevant jurisdictions.

Furthermore, the Board of Directors may, in its absolute discretion, accept or reject any request for subscriptions for Shares. Moreover, the number of Investors in any Sub-Fund may not exceed, at any time, one hundred (100). The Board of Directors shall also prevent the ownership of Shares by any Prohibited Person as determined by the Board of Directors or require any subscriber to provide it with any information that it may consider necessary for the purpose of deciding whether or not he is, or will be, a Prohibited Person.

The Fund does not intend to issue Shares to persons other than to Well-Informed Investors with whom it has entered into a Subscription Agreement during the applicable Offer Period.

The Board of Directors may fix a minimum subscription level as well as a minimum holding amount which any Shareholder is required to comply with at any time as provided for in the Issue Document.

7.5 Subscription Price

Shares will be issued at the Subscription Price. The amount of the Subscription Price and the terms and conditions under which it will be paid are determined by the Board of Directors and disclosed in the Issue Document.

The Board of Directors may delegate to any duly authorised director, manager, officer or to any duly authorised agent the power to accept subscriptions and to receive payment of the Subscription Price of the Shares to be issued and to deliver them.

7.6 Default provisions

If an Investor fails to pay any amount on its Unfunded Commitments pursuant to a Funding Notice, in accordance with the agreed terms and conditions of its Subscription Agreement, on the date specified in said Funding Notice, any such unpaid amount shall automatically bear interest with effect from the date in question until payment in full at a rate defined in the Issue Document. Such an Investor will be deemed to be overdue (an “Overdue Investor”). For the avoidance of doubt, such interest will be paid in addition to the Overdue Investor’s Unfunded Commitments.

If payment of any amounts so due is not made at the latest on expiry of a period of fifteen (15) Business Days following service of a notice by the Management Company requiring the Overdue Investor to pay the amount due plus interest, then such Overdue Investor will be deemed a Defaulting Investor.

The Board of Directors may, in its discretion, take any one or more of the following actions:

- remove the Defaulting Investor’s representative from the Shareholder Advisory Committee, if any;
- compulsorily redeem the Shares of the Defaulting Investor; the redemption proceeds shall be equal the lower of (i) eighty per cent (80%) of the Fair Market Value of such Shares as determined on the day on which the compulsory redemption becomes effective or (ii) the pro rata share of the Shares concerned in the liquidation proceeds of the Sub-Fund and the payment of the redemption proceeds may, at the discretion of the Board of Directors, be delayed until the end of the liquidation of the Sub-Fund, provided that payments of redemption proceeds to a German Regulated Entity that holds the Shares directly or indirectly as part of its “guarantee assets” (“Sicherungsvermögen” as defined in Sec. 66 of the German Insurance Supervisory Act) or “other committed assets” (“Sonstiges gebundenes Vermögen” as defined in Sec. 54 para 1 or Sec. 115 of the German Insurance Supervisory Act) shall be made within two (2) years after the day on which the compulsory redemption becomes effective;
- provide the non-Defaulting Investors with a right to purchase, on a pro rata basis, the Shares of the Defaulting Investor at an amount equal to eighty per cent (80%) of the Fair Market Value of its shareholding in the relevant Class; or, in case one or more of the non-Defaulting Investors do not make use of such right, provide any interested non-Defaulting Shareholders with a right to purchase, on a pro rata basis among them, additional Shares under the same conditions; or, thereafter, provide eligible third parties with a right to purchase the Shares of the Defaulting Investor at an amount equal to eighty per cent (80%) of the Fair Market Value of its shareholding in the relevant Class;
- reduce or terminate the Defaulting Investor’s Commitment;
- deliver an additional Funding Notice to the other non-Defaulting Investors to make up any shortfall of the Defaulting Investor (not to exceed each non Defaulting Investor’s Unfunded Commitment);
- suspend the right of a Defaulting Investor to receive any distribution of any kind within the limits provided for in the Issue Document; and/or
- suspend the voting rights of all Shares belonging to a Defaulting Investor.

The Board of Directors may decide on other solutions as far as legally allowed if it believes such solutions to be more adequate to the situation. The Board of Directors may, in its discretion but having regard to the interests of the other Investors, waive any of these remedies against an Overdue Investor or Defaulting Investor.

However, the Board of Directors may not set-off any claims (including those under a Funding Notice and other events) against claims of a German Regulated Entity (e.g. from distribution resolutions of the Sub-Fund), if such claims of the German Regulated Entity are part of its “guarantee assets” (“Sicherungsvermögen” as defined in Sec. 66 of the German Insurance Supervisory Act).

8. Transfer of shares. Under the conditions set out in this Article and unless stated otherwise in the Issue Document, Shares and Unfunded Commitments are freely transferable in whole or in part to Well-Informed Investors, provided that the transfer does not result in a Prohibited Person holding Shares or in the number of Shareholders in a Sub-Fund exceeding one hundred (100), as an immediate consequence or in the future.

Unless otherwise provided for in this Article, Shares and Unfunded Commitments may not be transferred without the prior written consent of the Board of Directors, which consent may not be unreasonably withheld, subsequent to the receipt of a confirmation by each of the transferor and transferee with representation and guarantee that the proposed transfer does not violate the applicable laws and regulations. The Board of Directors may also request the transferor and transferee to provide the Board of Directors with a legal opinion to that effect. The withholding of the Board of Directors’ consent is not considered to be unreasonable in the following cases, such list not being exhaustive: where (i) the transferee is not considered sufficiently creditworthy by the Board of Directors; (ii) the transferee is a competitor of the Fund, the Management Company or the Investment Advisor; (iii) the Fund would incur a reputational risk; and (iv) the transferee does not confirm that it invests on its own account.

The consent of the Board of Directors is not required for the transfer of Shares or Unfunded Commitments to an Affiliate of the transferor.

A German Regulated Entity may freely transfer the Shares directly or indirectly held by it as part of its “guarantee assets” (“Sicherungsvermögen” as defined in Sec. 66 of the German Insurance Supervisory Act) or “other committed assets” (“Sonstiges gebundenes Vermögen” as defined in Sec. 54 para 1 or Sec. 115 of the German Insurance Supervisory Act) as well as of its Unfunded Commitments and such transfer does not require the approval of the other Shareholders or the Board of Directors, unless the transferee is not a Well-Informed Investor or is a Prohibited Person, and provided that such transfer does not result in the number of Shareholders in a Sub-Fund exceeding one hundred (100) and provided

further in respect of a transfer of Unfunded Commitments that the transferee is of sufficient creditworthiness, i.e. benefits from an “investment grade” credit rating. The same shall apply to German Shareholders subject to similar legal requirements which include German investment companies (Kapitalanlagegesellschaften oder Kapitalverwaltungsgesellschaften) holding the Shares on behalf of a German investment fund subject to the German Investment Act (Investmentgesetz) or Capital Investment Act (Kapitalanlagegesetzbuch). If the requirements of this paragraph are not fulfilled, the Board of Directors may reject the transfer.

Upon the transfer of the Shares and Unfunded Commitments of an Investor, the transferee shall accept and become solely liable for all liabilities and obligations of such Investor relating to such Shares and Unfunded Commitments and the transferor shall be released from (and shall have no further liability for) such liabilities and obligations. Once the transferor has transferred its Shares and Unfunded Commitments, it shall have no further liability of any nature under the Issue Document or in respect of the Sub-Fund in relation to the transferred Unfunded Commitments and Shares.

To the extent that, and as long as, the Sub-Fund’s Shares are part of a German Regulated Entity’s guarantee assets, and such German Regulated Entity is under the legal obligation to appoint a trustee (“Treuhand”) in accordance with Sec. 70 of the German Insurance Supervisory Act, as amended from time to time, such Shares shall not be transferred without the prior written consent of the relevant Shareholder’s trustee or by the relevant Shareholder’s trustee’s authorised deputy. The same shall apply to other German Shareholders subject to similar legal requirements or having themselves subjected to such obligation on a voluntary basis.

For the purpose of this Article, the term “transfer” includes any sales, exchange, transfer, assignment and pledge or other disposal of all or part of the Shares held by a Shareholder.

9. Redemption of shares. Shareholders will not have a right to request the Fund to redeem any or part of their Shares.

9.1 Compulsory Redemption from Prohibited Persons

If the Board of Directors discovers at any time that Shares are owned by a Prohibited Person, either alone or in conjunction with any other person, whether directly or indirectly, the Board of Directors may at its discretion and without liability, compulsorily redeem the Shares held by any such Prohibited Person. The redemption proceeds shall equal the lower of (i) eighty per cent (80%) of the Fair Market Value of such Shares as determined on the day on which the compulsory redemption becomes effective or (ii) the pro rata share of the Shares concerned in the liquidation proceeds of the Sub-Fund and the payment of the redemption proceeds may, at the discretion of the Board of Directors, be delayed until the end of the liquidation of the Sub-Fund concerned, provided that payments of redemption proceeds to a German Regulated Entity that holds the Shares directly or indirectly as part of its “guarantee assets” (“Sicherungsvermögen” as defined in Sec. 66 of the German Insurance Supervisory Act) or “other committed assets” (“Sonstiges gebundenes Vermögen” as defined in Sec. 54 para 1 or Sec. 115 of the German Insurance Supervisory Act) shall be made within two (2) years after the Valuation Day on which the compulsory redemption becomes effective.

The Board of Directors shall not proceed to compulsorily redeem the Shares held by the Prohibited Person before having given such Prohibited Person a written notice at least fifteen (15) Business Days prior to the compulsory redemption.

Upon redemption, the Prohibited Person will cease to be the owner of those Shares.

The payment of the redemption proceeds to such Prohibited Person shall be made at the liquidation of the Sub-Fund. Nevertheless, such payment may be anticipated at the discretion of the Board of Directors. In the event that the Board of Directors compulsorily redeems Shares held by a Prohibited Person, the Board of Directors may provide the other Shareholders (other than the Prohibited Person) with a right to purchase on a pro rata basis the Shares of the Prohibited Person at a price equal to eighty per cent (80%) of the Fair Market Value of such Shares as determined on the day on which the compulsory redemption becomes effective; or, in case not all of the other Shareholders make use of such right, provide any interested Shareholders (other than the Prohibited Person) with a right to purchase, on a pro rata basis among them, additional Shares under the same conditions; or, thereafter, in case the other Shareholders (other than the Prohibited Person) do not make use of such right, provide eligible third parties with a right to purchase the Shares of the Prohibited Person at an amount equal to eighty per cent (80%) of the Fair Market Value of such Shares as determined on the day on which the compulsory redemption becomes effective.

For the avoidance of doubt, the Shares redeemed and purchased in accordance with the preceding paragraph will not be cancelled in the share register.

The Board of Directors may require any Shareholder to provide it with any information that it may consider necessary for the purpose of determining whether or not such owner of Shares is or will be a Prohibited Person.

Any taxes, commissions and other fees incurred in connection with the redemption proceeds (including those taxes, commissions and fees incurred in any country in which Shares are sold) will be charged to the Prohibited Person by way of a reduction to any redemption proceeds.

9.2 Compulsory redemption for distribution purposes

Subject to the minimum capital requirement provided for by the 2007 Law, the Board of Directors may decide, at its discretion, to redeem Shares for distribution purposes. If the Board of Directors resolves to redeem Shares, Shares of all Investors of the Sub-Fund have to be redeemed proportionately unless all such investors give their consent. The

redemption price will be equal to the current Net Asset Value. The redemption price shall be paid out at a time as determined by the Board of Directors.

9.3 Other compulsory redemption possibilities

Shares may be compulsorily redeemed whenever the Board of Directors considers this to be in the best interest of the Fund or the relevant Sub-Fund, subject to the terms and conditions the Board of Directors will determine and within the limits set forth by law, the Issue Document and the Articles of Incorporation. In particular, Shares of any Class and Sub-Fund may be redeemed at the option of the Board of Directors, on a pro rata basis among existing Shareholders.

Shares compulsorily redeemed shall be redeemed at their relevant Net Asset Value calculated on the date specified in the relevant compulsory redemption notice.

Payment of the Net Asset Value will be made to Shareholders which are not Prohibited Persons not later than sixty (60) Business Days from the date on which the redemption has occurred unless legal constraints, such as foreign exchange controls or restrictions on capital movements, or other circumstances beyond the control of the Board of Directors make it impossible or impracticable to transfer the redemption proceed to the country in which the application for redemption was submitted.

The Board of Directors may, at its complete discretion but with the consent of the relevant Shareholder, decide to satisfy payment of the redemption price to this Shareholder wholly or partly in specie by allocating to such Shareholder investments from the pool of assets set-up in connection with the Sub-Fund, equal in value as of the date on which the Net Asset Value is calculated, to the value of the Shares to be compulsorily redeemed. The nature and type of assets to be transferred in such case shall be determined on a fair and reasonable basis and without prejudicing the interests of the other Shareholders of the Sub-Fund, and the valuation used shall be confirmed by a special report of the Auditor. The cost of such transfer shall be borne by the transferee.

If any Shareholder is or becomes a Prohibited Person, solely because such Shareholder's ownership of Shares prevents the Fund or any Sub-Fund from complying with the requirements of the U.S. Hiring Incentives to Restore Employment Act, in lieu of redeeming such Shareholder's Shares, the Board of Directors may, with the consent and at the cost of the Shareholder concerned, form and operate an investment vehicle organized in the United States that is treated as a "domestic partnership" under the United States Internal Revenue Code of 1986, as amended, and transfer such Shareholder's Shares in the SubFund to such investment vehicle.

9.4 Special redemption from the Founding Shareholder

After the first Draw Down, the Board of Directors may, with the approval of the Founding Shareholder, carry out a special redemption of the Shares issued to the Founding Shareholder at the time of incorporation of the Fund, subject to the condition that the satisfaction of such redemption will not cause the Fund's capital to fall below the minimum capital as set out in Article 5.1. Such redemption shall be satisfied by the payment of the original issue price of such Shares.

9.5 Cancellation of redeemed Shares

All redeemed Shares shall be cancelled, subject to the provisions of Article 9.1.

10. Reporting and calculation of net asset value.

10.1 Reporting

An annual report including audited financial statements for the Fund will be available for Shareholders within six (6) months after the end of each Financial Year.

The Fund's Financial Year begins on 1 January of each year and ends on 31 December of the same year. The first Financial Year of the Fund shall begin on the day of creation of the Fund and shall end on 31 December 2013. The Fund will issue audited annual reports. The Fund's first annual report will be published for this first Financial Year.

The financial statements and annual reports of the Fund will be prepared in accordance with LuxGAAP.

In addition, the Shareholders will also be provided with quarterly unaudited reports within five (5) months of the end of a calendar quarter for the first three (3) calendar quarters. The first quarterly unaudited reports will be provided as of the end of the calendar quarter, in which the relevant Sub-Fund has made its first commitment to a Target Fund.

Furthermore, the Fund will provide each Shareholder upon request with further financial information concerning a Sub-Fund as of each Valuation Day, including the calculation of the Net Asset Value per Share, the issue prices of Shares and the composition of the portfolio.

10.2 Net Asset Value Calculation

Subject to the supervision of the Board of Directors or any duly appointed agent, the Central Administration Agent shall on each Valuation Day calculate, pursuant to the provisions of the Issue Document and the Articles of Incorporation in the currencies of the Share Classes of the Sub-Fund(s), the Net Asset Value and the Net Asset Value per Share.

10.3 Net Asset Value and Net Asset Value per Share

The Net Asset Value and the Net Asset Value per Share and Class shall be calculated in accordance with LuxGAAP for the preparation of the annual financial statements required by law. In addition, the Net Asset Value per Share and Class shall be calculated for the preparation of the quarterly reports as per Article 10.1 above.

The Fund's Net Asset Value corresponds to the difference between the Fund's Gross Asset Value and its liabilities determined in accordance with LuxGAAP. The Net Asset Value per Share of each Class is the result of the division of

the overall Net Asset Value attributable to such Class by the number of Shares of such Class in circulation on the relevant Valuation Day; it is expressed in the currencies of the Classes of the Sub-Fund and is calculated up to three decimal places.

Investments in Target Funds shall, in principle, be valued at their latest available net asset value as reported or provided by such Target Funds or their agents. Such net asset value may be adjusted for subsequent net capital movements (i.e. capital calls, distributions etc.) where deemed appropriate by the Board of Directors. The Board of Directors may, in its discretion, permit some other method of valuation to be used if it considers that such valuation better reflects the fair value of any asset or liability of the Fund and/or its Sub-Funds in compliance with LuxGAAP. This method will then be applied in a consistent way. The value of all assets and liabilities not expressed in the currencies of the Share Classes of the Sub-Fund will be converted into the currencies of the Share Classes of the Sub-Fund at the rate of exchange applicable in Luxembourg on the relevant Valuation Day. If such quotations are not available, the rate of exchange will be determined in good faith by or under procedures established by the Board of Directors or any duly appointed agent.

10.4 Net Asset Value Calculation Update / Evaluation Event

If since the time of determination of the Net Asset Value and the Net Asset Value per Share there has been a material change in relation to (i) a substantial part of the properties or property rights of the Fund or (ii) the quotations in the markets on which a substantial portion of the investments of the Fund are dealt in or quoted, the Board of Directors may, in order to safeguard the interests of the Shareholders, cancel the first valuation and carry out a second valuation with prudence and in good faith.

A similar update procedure may be carried out by the Board of Directors if a Target Fund, in which the relevant Sub-Fund is invested, (i) has failed to deliver valuations and financial statements on time or (ii) has, since the delivery of its last valuations and financial statements, experienced certain events, which may reasonably be expected to materially affect their respective value. In such a case the Board of Directors may carry out a valuation with prudence and in good faith using the latest available report and prepared by such Target Fund and adjusting the respective valuations by any net capital movements (draw downs, distributions etc.).

10.5 Net Asset Value Calculation Details

In addition to the rules set out in Article 10.3 and 10.4 above, the calculation of the Net Asset Value of the Fund shall be made in the following manner:

Assets of the Fund

The assets of the Fund shall include:

- (a) all debt or equity securities or instruments, shares, units, participations and interests, including investments in Target Funds;
- (b) all shares, units, convertible securities, debt and convertible debt securities or other securities of Subsidiaries registered in the name of the Fund or any of its Subsidiaries;
- (c) all property, real estate assets or property interest owned by the Fund or any of its Subsidiaries, all shareholdings in convertible and other debt securities of real estate companies;
- (d) all cash in hand or on deposit, including any interest accrued thereon;
- (e) all bills and demand notes payable and accounts receivable (including proceeds of securities or any other assets sold but not delivered);
- (f) all bonds, convertible bonds, time notes, certificates of deposit, shares, stock, debentures, debenture stocks, subscription rights, warrants and other securities, interests in limited partnerships, financial instruments and similar assets owned or contracted for by the Fund;
- (g) all stock dividends, cash dividends and cash payments receivable by the Fund to the extent information thereon is reasonably available to the Fund or the Depositary;
- (h) all interest accrued on any interest-bearing assets owned by the Fund except to the extent that the same is included or reflected in the value attributed to such asset;
- (i) the formation expenses of the Fund, including the cost of issuing and distributing Shares of the Fund, insofar as the same have not been written off;
- (j) all other assets of any kind and nature including expenses paid in advance, insofar as the same have not been written off.

The value of the Fund's assets shall be determined as follows:

- (a) Securities or investment instruments that are listed on a stock exchange or dealt in on another regulated market, are valued at their last sales prices reported on such exchange on the Valuation Day or, if no prices were quoted on such date, at the last reported "bid" price (in the case of a security or investment instrument held long) and the last reported "asked" price (in the case of a security or investment instrument sold short) on the Valuation Day or, if no such prices have been quoted on such date, at the value assigned reasonably and in good faith by Board of Directors;
- (b) Securities or investment instruments that are not listed on a stock exchange or dealt in on another regulated market as well as other non-listed assets (excluding interests in Target Funds, which will be valued in accordance with letter (d) below) will be valued on the basis of the probable net realisation value (excluding any deferred taxation) estimated reasonably and in good faith by the Board of Directors;

(c) Short-term debt securities with remaining maturities of one (1) year or less at the time of purchase are valued at cost;

(d) Units or shares issued by an investment structure (including an undertaking for collective investment, “UCI”, and, for the avoidance of doubt, interests in Target Funds) shall be valued in accordance with the Articles 10.3 and 10.4;

(e) The value of any cash in hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received is deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as may be considered appropriate in such case to reflect the true value thereof;

(f) The Board of Directors will check the overall accuracy of the valuations and may, in its discretion, permit some other method of valuation to be used if it considers that such valuation better reflects the fair value of any asset or liability of the Fund and/or its Sub-Funds in compliance with LuxGAAP. This method will then be applied in a consistent way.

Liabilities of the Fund

The Liabilities of the Fund shall include:

(a) all loans and other indebtedness for borrowed money (including convertible debt), bills and accounts payable;

(b) all accrued interest on such loans and other indebtedness for borrowed money (including accrued fees for commitment for such loans and other indebtedness);

(c) all accrued or payable expenses;

(d) all known liabilities, present and future, including all matured contractual obligations for payments of money or property, including the amount of any unpaid distributions declared by the Fund, where the Valuation Day falls on the record date for determination of the person entitled thereto or is subsequent thereto;

(e) an appropriate provision for future taxes based on capital and income to the Valuation Day, as determined from time to time by the Fund, and other reserves (if any) authorised and approved by the Board of Directors, as well as such amount (if any) as the Board of Directors may consider to be an appropriate allowance in respect of any contingent liabilities of the Fund provided that for the avoidance of doubt, on the basis that the assets are held for investment it is not expected that such provision shall include any deferred taxation;

(f) all other liabilities of the Fund of whatsoever kind and nature reflected in accordance with generally accepted accounting standards. In determining the amount of such liabilities the Fund shall take into account all taxes which may be payable on the assets, income and expenses chargeable to the Sub-Fund; the Management Fee and fees of the Depositary, the Central Administration Agent, the Paying Agent and the Registrar and Transfer Agent, the global distributor as well as any entity appointed to serve as domiciliary and corporate agent; standard brokerage and bank charges incurred by the Sub-Fund’s business transactions (these charges are included in the cost of investments and deducted from sales proceeds); to the extent not covered by the Management Fee or the Investment Advisory Fee, all Investment-Related Expenses, including, for the avoidance of doubt, but not limited to accounting, due diligence, legal and other professional fees and expenses incurred by Management Company and the Investment Advisor in respect of the selection and ongoing monitoring of potential and actual Target Funds (including, without limitation, travelling costs and other out-of-pocket expenses); costs and expenses charged to the Sub-Fund by Target Funds in accordance with the relevant documents of the Target Funds; the cost, including that of legal advice, tax advice, auditors and valuers, which may be payable by the Management Company or the Depositary or the Central Administration Agent or the Registrar and Transfer Agent for actions taken in relation to the Sub-Fund; these include, but are not limited to, legal or audit opinions if required to certify ownership of assets; the costs of arranging and holding meeting(s) of the Shareholder Advisory Committee (if any) and of the annual general meeting of Shareholders; the costs of arranging and holding meetings of the Board including travelling costs and other out-of-pocket expenses; the fees and expenses incurred in connection with the registration of the Sub-Fund with, or the approval or recognition of the Sub-Fund by, the competent authorities in any country or territory and all fees and expenses incurred in connection with maintaining any such registration, approval or recognition; the fees and costs incurred in relation to the setting-up and the operation of any Subsidiaries; and the cost of preparing, depositing, translating and publishing the Issue Document, the Articles of Incorporation and other documents in respect of the Sub-Fund, including notifications for registration, Issue Documents and memoranda for all governmental authorities and, stock exchanges (including local securities dealer’s associations) which are required in connection with the Sub-Fund or with offering the Shares, the cost of establishing, printing and distributing yearly and quarterly reports for the Shareholders, together with the cost of establishing, printing and distributing all other reports and documents which are required by the relevant legislation or regulations, the cost of bookkeeping and computation of the Net Asset Value per Share, the cost of notifications to Shareholders, the fees of the auditors and legal advisers, and all other similar administrative expenses. The Fund and each of its Sub-Funds may accrue administrative and other expenses of a regular or recurring nature based on an estimated amount rateably for yearly or other periods.

For the purpose of the above,

(a) Shares to be issued by the Fund shall be treated as being in issue as from the time specified by the Board of Directors on the Valuation Day with respect to which such valuation is made and from such time and until received by the Fund the price therefore shall be deemed to be an asset of the Fund;

(b) Shares of the Fund to be redeemed (if any) shall be treated as existing and taken into account until the date fixed for redemption or conversion, and from such time and until paid by the Fund the price therefore shall be deemed to be a liability of the Fund;

(c) all investments, cash balances and other assets expressed in currencies other than the currencies of the Share Classes of the respective Sub-Fund will be converted into the currencies of the Share Classes of the respective Sub-Fund at the rate of exchange applicable in Luxembourg on the relevant Valuation Day; and

(d) where on any Valuation Day the Fund has contracted to:

- purchase any asset (if the underlying risks and rewards of transaction are transferred), the value of the consideration to be paid for such asset shall be shown as a liability of the Fund and the value of the asset to be acquired shall be shown as an asset of the Fund;

- sell any asset (if the underlying risks and rewards of transaction are transferred), the value of the consideration to be received for such asset shall be shown as an asset of the Fund and the asset to be delivered by the Fund shall not be included in the assets of the Fund;

provided, however, that if the exact value or nature of such consideration or such asset is not known on such Valuation Day, then its value shall be estimated by the Board of Directors.

10.6 Temporary suspension of calculation of Net Asset Value per Share

The Board of Directors may suspend the determination of the Net Asset Value per Share:

- during any period when, as a result of the political, economic, military or monetary events or any circumstance outside the control, responsibility and power of the Board of Directors, or the existence of any state of affairs in the market, if, in the opinion of the Board of Directors, a fair price cannot be determined for the assets of the Fund;

- in the case of a breakdown of the means of communication normally used for valuing any asset of the Fund or if for any reason the value of any asset of the Fund which is material in relation to the Net Asset Value per Share (as to which the Board of Directors shall have sole discretion) may not be determined as rapidly and accurately as required;

- if, as a result of exchange restrictions or other restrictions affecting the transfer of funds, transactions on behalf of the Fund are rendered impracticable, or if purchases, sales, deposits and withdrawals of the assets of the Fund cannot be effected at the normal rates of exchange;

- during any period when the value of the net assets of any Subsidiary of the Fund may not be determined accurately;

- where a general meeting of Shareholders has been called to decide upon the liquidation of the Fund; or

- when for any other reason, the prices of any investments cannot be promptly or accurately determined.

Any such suspension shall be published, if appropriate, by the Board of Directors and shall be notified to Shareholders of the relevant Sub-Fund having made an application for subscription of Shares for which the calculation of the Net Asset Value has been suspended.

Chapter III. - Management

11. Directors. The Fund shall be managed by a Board of Directors composed of not less than three (3) members, who need not be Shareholders of the Fund. They shall be elected for a term not exceeding six (6) years. In case a director is elected without any indication on the term of his mandate, he is deemed to be elected for six (6) years from the date of his election. Upon expiry of its mandate, a director may seek reappointment.

The directors shall be elected by a general meeting of Shareholders, which shall further determine the number of directors, their remuneration and the term of their office.

Directors shall be elected by the majority of the votes of the Shares present or represented at such general meeting.

Any director may be removed with or without cause or be replaced at any time by resolution adopted by the general meeting.

In the event of a vacancy in the office of director, the remaining directors may temporarily fill such vacancy; the Shareholders shall take a final decision regarding such nomination at their next general meeting.

12. Board meetings. The Board of Directors shall choose from among its members a chairman. The first chairman may be appointed by the first general meeting of Shareholders.

The Board of Directors may choose one or more vice-chairmen. It may also choose a secretary, who need not be a director, who shall write and keep the minutes of the meetings of the Board of Directors and of the Shareholders. The Board of Directors shall meet upon call by the chairman or any two (2) directors, in Luxembourg or as the case may be from time to time any such other place as indicated in the notice of such meeting.

The chairman shall preside at the meetings of the Board of Directors and of the Shareholders. In his absence, the Shareholders or the directors shall decide by a majority vote that another director, or in case of a Shareholders' meeting, that any other person shall be in the chair of such meetings.

Written notice of any meeting of the Board of Directors shall be given to all directors at least twenty-four (24) hours prior to the date set for such meeting, except in circumstances of emergency, in which case the nature of such circumstances shall be set forth in the notice of meeting. This notice may be waived by consent in writing or by cable, e-mail,

facsimile transmission or any other similar means of communication, of each director. Separate notice shall not be required for meetings held at times and places fixed in a resolution adopted by the Board of Directors.

Any director may act at any meeting by appointing in writing, by cable, e-mail, facsimile transmission or any other similar means of communication another director as his proxy. A director may represent several of his colleagues.

Any director may participate in a meeting of the Board of Directors by conference call, video conference or similar means of communications equipment complying with technical features which guarantee an effective participation to the meeting allowing all the persons taking part in the meeting to hear one another on a continuous basis and allowing an effective participation of such persons in the meeting. The participation in a meeting by these means is equivalent to a participation in person at such meeting. A meeting held through such means of communication is deemed to be held at the registered office of the Fund. Each participating director shall be authorised to vote by video or by telephone.

The directors may only act at duly convened meetings of the Board of Directors.

The directors may not bind the Fund by their individual signatures, except if specifically authorised thereto by resolution of the Board of Directors.

The Board of Directors can deliberate or act validly only if at least the majority of the directors are present or represented.

Resolutions are taken by a majority vote of the directors present or represented. In the event that at any meeting the number of votes for or against a resolution are equal, the chairman of the meeting shall have a casting vote.

Resolutions of the Board of Directors will be recorded in minutes signed by the chairman of the meeting or, in his absence, by the chairman pro tempore who presided at such meeting or by any two (2) directors. Copies of extracts of such minutes to be produced in judicial proceedings or elsewhere will be validly signed by the chairman of the meeting or any two directors.

Resolutions in writing approved and signed by all directors shall have the same effect as resolutions voted at the board meetings; each director shall approve such resolution in writing, by telefax, by e-mail or any other similar means of communication. Such approval shall be confirmed in writing and all documents shall form the record that proves that such decision has been taken.

13. Powers of the board of directors. The Board of Directors is, within the limits set in these Articles of Incorporations and the Issue Documents, vested with the broadest powers to perform all acts of disposition, management and administration within the Fund's purpose, in particular in compliance with the investment policy and investment restrictions as determined in the Issue Document.

All powers not expressly reserved by law or by the present Articles of Incorporation to the general meeting of Shareholders of the Fund or a Sub-Fund are in the competence of the Board of Directors.

For the avoidance of doubt, inter alia, the appointment or removal (except in case of the gross negligence, fraud or wilful misconduct of the relevant entity) of the Management Company, a potential investment manager or other asset manager to which the Fund or the Management Company may from time to time delegate any asset management decisions, as well as any amendments of these Articles of Incorporation, the investment policy and restrictions as stipulated in the Issue Document of the Fund and any Sub-Fund and any decisions regarding a potential merger, dissolution or liquidation of the Fund and/or a Sub-Fund remain in the sole capacity of the Shareholders and require a resolution of the Shareholders of the Fund or the relevant Sub-Fund, as applicable, according to Articles 19 to 27.

14. Corporate signature. Vis-à-vis third parties, the Fund is validly bound by the joint signatures of any two (2) directors or by the joint signatures of any two (2) officers of the Fund or of any other person(s) to whom authority has been delegated by the Board of Directors.

15. Delegation of power. The Board of Directors may delegate its powers to conduct the daily management and affairs of the Fund and the representation of the Fund for such daily management and affairs to any member of the Board of Directors, officers or other agents, legal or physical person, who may but are not required to be Shareholders of the Fund, under such terms and with such powers as the Board of Directors shall determine and who may, if the Board of Directors so authorises, sub-delegate their powers under its own supervision.

The Board of Directors may also confer all powers and special mandates to any person, and may, in particular appoint any officers, including a general manager and any assistant general managers as well as any other officers that the Fund deems necessary for the operation and management of the Fund. Such appointments may be cancelled at any time by the Board of Directors. The officers need not be directors or Shareholders of the Fund. Unless otherwise stipulated by these Articles of Incorporation, the officers shall have the rights and duties conferred upon them by the Board of Directors.

Furthermore, the Board of Directors may create from time to time one or several committees composed of directors and/or external persons and to which it may delegate powers as appropriate.

The Board of Directors may also confer special powers of attorney by notarial or private proxy.

16. Management company. The Fund may appoint a Management Company to, under the supervision of the Board of directors, administer and manage each Sub-Fund in accordance with the Issue Documents, the Articles of Incorporation and Luxembourg laws and regulations and in the exclusive interest of the Shareholders, and it will be empowered, subject

to the rules as further set out hereafter, to exercise all of the rights attached directly or indirectly to the assets of each Sub-Fund.

To the extent that, and as long as, the Fund has appointed a Management Company especially in accordance with the preceding paragraph, references to the “Board of Directors” shall, where appropriate and in accordance with the provisions of the Issue Documents, be construed as also including the Management Company, the case being, as represented by the Management Company board. Where the Fund has not appointed a Management Company or in case of any discontinuation of the services of the Management Company, the Board of Directors shall assume all the aforementioned powers and responsibilities.

17. Investment manager and investment advisors. The Fund may appoint a investment manager to manage, under the overall control and responsibility of the Board of Directors, the securities portfolio of one or more Sub-Funds of the Fund.

The Fund may furthermore appoint one or more investment advisor(s) with the responsibility to prepare the purchase and sale of any eligible investments for one or more Sub-Fund of the Fund and otherwise advise the Fund with respect to asset management as further described in the Issue Documents.

The powers and duties of the investment manager and the respective investment advisor as well as their remuneration will be described in an investment management agreement and/or investment advisory agreement to be entered into by the Fund and the respective investment manager and/or investment advisor (as the case may be).

18. Conflict of interest. A conflict of interests shall arise where a Sub-Fund is presented with (i) an investment proposal involving a Target Fund owned (in whole or in part), controlled, managed or advised, directly or indirectly, by the Management Company, the Board of Directors, the Investment Advisor or any Affiliates thereof, or an Investor of the relevant Sub-Fund, or (ii) any disposal of an investment to another Sub-Fund or portfolio controlled, managed or advised by the Management Company, the Board of Directors, Investment Advisor or any Affiliate thereof, or to a member of the Board of Directors, the Management Company or of the Investment Advisor or any Affiliate thereof, or an Investor of the relevant Sub-Fund (together the “Relevant Persons”). Such conflict of interests will be fully disclosed by the Relevant Person to the Board of Directors and referred by the Board of Directors to the relevant Shareholder Advisory Committee. This Shareholder Advisory Committee, if any, shall resolve by decision taken with simple majority on the recommendations made by the Board of Directors regarding such investment/divestment proposal before the investment or divestment is made.

Where no Shareholder Advisory Committee has been established, the Board of Directors will make a special report regarding the conflict(s) of interest to the next following general meeting of Shareholders of the Fund or the respective Sub-Fund, as applicable, before any other resolution is put to vote.

As regards conflicts of interest of the Board of Directors, the Board of Directors will in any case be obliged to make a special report thereon to the next following general meeting of Shareholders of the Fund or the respective Sub-Fund, as applicable, before any other resolution is put to vote.

Notwithstanding anything to the contrary in the Fund Documents, the Relevant Persons may actively engage in transactions on behalf of other investment funds and accounts which involve the same securities and instruments in which the Sub-Funds will invest. It is therefore possible that a Relevant Person may have potential conflicts of interests with the Fund. The Relevant Persons may provide services to other investment funds and accounts that have investment objectives similar or dissimilar to those of the Sub-Funds and/or which may or may not follow investment programs similar to the Sub-Funds, and in which the Sub-Funds will have no interest. The portfolio strategies of the Relevant Persons used for other investment funds or accounts could conflict with the transactions and strategies advised by the Relevant Person in managing a Sub-Fund and affect the prices and availability of the securities and instruments in which the Sub-Fund invests.

The Relevant Persons may give advice or take action with respect to any of their other clients which may differ from the advice given or the timing or nature of any action taken with respect to investments of a Sub-Fund. The Relevant Persons have no obligation to give a right of first refusal to the Fund or the relevant Sub-Fund when presented with an investment opportunity.

The Relevant Persons will devote as much of their time to the functioning of a Sub-Fund as they deem necessary and appropriate. The Relevant Persons are not restricted from forming additional investment funds, from entering into other investment advisory relationships, or from engaging in other business activities, even though such activities may be in competition with a Sub-Fund and/or may involve substantial time and resources of the Relevant Persons. These activities will not qualify as creating a conflict of interest in that the time and efforts of the Relevant Persons will not be devoted exclusively to the business of the Fund and its Sub-Funds but will be allocated between the business of the Fund and its Sub-Funds and other advisees of the Relevant Persons.

Other present and future activities of the Relevant Persons may give rise to additional conflicts of interest.

Chapter IV. - General meeting of shareholders

19. Powers of the general meeting of shareholders. Any regularly constituted meeting of Shareholders of the Fund shall represent the entire body of Shareholders of the Fund. The general meeting of the Shareholders shall deliberate

only on the matters which are not reserved to the Board of Directors by these Articles of Incorporation or by Luxembourg law.

The general meeting of the Shareholders shall have the power to vote inter alia on

- (a) the amendment to these Articles of Incorporation in accordance with Article 35,
- (b) the dissolution of the Fund in accordance with Article 31, and
- (c) the merger of the Sub-Funds in accordance with Article 33.2.

20. Annual general meeting. The annual general meeting of the Shareholders will be held at the registered office of the Fund or at any other location in the City of Luxembourg, at a place specified in the notice convening the meeting, on the last Monday in the month of June at 15:00 (Luxembourg time). If such day is not a Business Day, the annual general meeting of Shareholders shall be held on the preceding Monday.

21. Other general meetings. The Board of Directors may convene other general meetings of the Shareholders. The Board of Directors shall be obliged to convene a general meeting so that it is held within a period of one month if Shareholders representing ten per cent (10%) of the share capital of the Fund require so in a written request with an indication of the agenda.

Such other general meetings will be held at such places and times as may be specified in the respective notices convening the meeting.

22. Convening notice. A general meeting of Shareholders is convened, in accordance with Luxembourg law, by the Board of Directors or by Shareholders representing a minimum of ten per cent (10%) of the share capital of the Fund.

Notices of all general meetings are sent by registered mail by the Central Administration Agent to all Shareholders at their registered address at least eight (8) calendar days prior to the date of the meeting. Such notice will indicate the time and place of such meeting and the conditions of admission thereto, will contain the agenda and will refer to the requirements of Luxembourg law with regard to the necessary quorum and majorities at such meeting.

If all the Shareholders are present or represented at a general meeting of the Shareholders and if they state that they have been informed of the agenda of the meeting, the Shareholders can waive all convening requirements and formalities.

23. Presence, representation. All Shareholders are entitled to attend and speak at all general meetings of the Shareholders.

A Shareholder may act at any general meeting of the Shareholders by appointing in writing or by telefax, cable, telegram, telex and email as his proxy another person who need not be a Shareholder himself.

The Shareholders participating in the general meeting of Shareholders by videoconference, conference call or by other means of telecommunication allowing for their identification are deemed to be present for the quorum and the majority requirements. These means must comply with technical features guaranteeing an effective participation to the meeting whereof the deliberations are retransmitted in a continuing way.

24. Proceedings. General meetings of the Shareholders shall be chaired by the chairman of the Board of Directors or by a person designated by the chairman of the Board of Directors.

The chairman of any general meeting of the Shareholders shall appoint a secretary.

Each general meeting of the Shareholders shall elect one scrutineer to be chosen from the Shareholders present or represented.

The above-described persons in this Article 24 together form the office of the general meeting of the Shareholders.

25. Vote. Each Share entitles the holder thereof to one vote.

Unless otherwise provided by law or by the Articles of Incorporation, all resolutions of the general meeting of the Shareholders shall be taken by at least two thirds of the votes cast at such meeting, regardless of the proportion of the capital represented.

Any decision to terminate the Fund Management Agreement or the Investment Advisory Agreement(s) or to appoint a new management company or a new investment advisor or, as the case may be, an investment manager or an asset manager, shall be approved by a resolution of the Shareholders adopted with the approval of at least eighty per cent (80%) of the Shares in issue, except in case of cause, in which case no Shareholder approval is required. "Cause" shall mean cases of fraud, gross negligence or wilful misconduct in the performance of the duties of the relevant entity under the relevant service agreement, the Issue Document or the Articles of Incorporation as determined by a final decision of a court of competent jurisdiction and resulting in a material economic disadvantage for the Fund.

26. Minutes. The minutes of each general meeting of the Shareholders shall be signed by the chairman of the meeting, the secretary and the scrutineer.

Copies or extracts of these minutes to be produced in judicial proceedings or otherwise shall be signed by the chairman of this meeting.

27. General meetings of shareholders of a single sub-fund. The Shareholders of a Sub-Fund may hold, at any time, specific general meetings to decide on any matters which relate exclusively to such Sub-Fund.

General meetings of Shareholders of a Sub-Fund shall, inter alia, decide on a potential modification of investment policy and, in accordance with Article 33.1 and 33.2, the termination, division and amalgamation of Sub-Funds.

Furthermore, the Shareholders of a Sub-Fund shall have the right to ask for an up-date on the recent investment activities of the Sub-Fund at the general meetings of the Sub-Fund.

The provisions set out in Articles 19 to 26 of these Articles of Incorporation as well as in the 1915 Law shall apply to such general meetings.

Unless otherwise provided for by law or herein, resolutions of a general meeting of Shareholders of a Sub-Fund are passed by at least two thirds of the votes cast at such meeting.

Chapter V. - Financial year, distribution of profits

28. Financial year. The Fund's Financial Year begins on 1 January of each year and ends on 31 December of the same year, provided that the Fund's first Financial Year shall begin on the creation of the Fund and end on 31 December 2013.

29. Auditors. The accounting data related in the annual reports of the Fund shall be examined by one or more Auditors appointed by the general meeting of Shareholders which shall be remunerated by the Fund.

The Auditors shall fulfil all duties prescribed by the 2007 Law.

30. Distributions. The Board of Directors will pursue a distribution policy whereby all distributable proceeds from any Target Funds, whether of an income or capital nature, will be distributed by paying dividends or otherwise (including by redeeming Shares) (the "Distributions"), following satisfaction of all expenses and liabilities of the Sub-Fund, to the Shareholders by the Board of Directors following the end of the Offer Period promptly at such times as the Board of Directors in its sole discretion deems appropriate. The Board of Directors will generally seek to make distributions as soon as reasonably practical after the relevant amounts become available for distribution.

The Board of Directors in its sole discretion may retain and use proceeds received by a Sub-Fund from its investments in order to (i) satisfy capital calls from the Target Funds, (ii) pay Organisational Expenses, (iii) pay any other fees and expenses of the Fund or the Sub-Fund, including the Management Fee, or (iv) in case of a higher cash requirement due to currency fluctuations.

The Board of Directors may withhold from amounts distributable to the Shareholders or otherwise to pay over to the appropriate taxing authorities amounts of withholding, income or other tax required to be so withheld or paid over.

For any Shares entitled to distributions, the general meeting of Shareholders of the relevant Sub-Fund and/or Class shall, upon proposal from the Board of Directors and within the limits provided by Luxembourg law, decide whether and to what extent distributions are to be paid out of the respective Sub-Fund's assets and may from time to time declare, or authorise the Board of Directors to declare distributions.

For any Shares entitled to distributions, the Board of Directors may furthermore decide to pay interim dividends in compliance with the Issue Document and the conditions set forth by law.

Distributions may only be made if the net assets of the Fund do not fall below the minimum set forth by law (i.e. EUR 1,250,000.-).

Distributions will be made in cash. However, the Board of Directors is authorised, subject to prior consent of the relevant Shareholder(s), to make in specie distributions/payments of assets of the Fund. Any such distributions/payments in specie will be valued in a report established by an auditor qualifying as a réviseur d'entreprises agréé drawn up in accordance with the requirements of Luxembourg law.

Payments of distributions to Shareholders shall be made at their respective addresses as specified in the register of Shareholders.

Distributions remaining unclaimed for five years after their declaration will be forfeited and revert to the relevant Sub-Fund and/or Class.

No interest shall be paid on a dividend declared by the Fund and kept by it at the disposal of its beneficiary.

Distributions are at any time recallable by the respective Sub-Fund against the issuance of new Shares. In this case, the rules of Article 7 on the issuing of Shares and especially, but not limited to, the defaulting investor rules shall apply mutatis mutandis.

Chapter VI. - Dissolution, Liquidation

31. Voluntary dissolution. At the proposal of the Board of Directors and unless otherwise provided by law and the Articles of Incorporation, the Fund may be dissolved by a resolution of the Shareholders adopted in the manner required to amend these Articles of Incorporation, as provided for in Article 35.

Whenever the share capital falls below two thirds of the minimum capital indicated in Article 5, the question of the dissolution of the Fund shall be referred to the general meeting of Shareholders by the Board of Directors. The general meeting, for which no quorum shall be required, shall decide by simple majority of the Shares represented at the meeting.

The question of the dissolution of the Fund shall further be referred to the general meeting whenever the share capital falls below one-fourth of the minimum capital set by Article 5; in such an event, the general meeting shall be held without

any quorum requirements and the dissolution may be decided by Shareholders holding one-fourth of the Shares represented at the meeting.

The meeting must be convened so that it is held within a period of forty (40) days as from the date when it is ascertained that the net assets of the Fund have fallen below two thirds or one-fourth of the legal minimum respectively as the case may be.

In case of voluntary dissolution, the Board of Directors will act as liquidator of the Fund.

32. Liquidation. In the event of the dissolution of the Fund, the liquidation will be carried out by one or more liquidators (who may be natural persons or legal entities) appointed by the Shareholders who will determine their powers and their compensation. Such liquidators must be approved by the CSSF and must provide all guarantees of honorability and professional skills.

After payment of all the debts of and charges against the Fund and of the expenses of liquidation, the net assets shall be distributed to the Shareholders pro rata to the number of the Shares held by them. The amounts not claimed by the Shareholders at the end of the liquidation shall be deposited with the Caisse de Consignations in Luxembourg. If these amounts were not claimed before the end of a period of five years, the amounts shall become statute-barred and cannot be claimed anymore.

In case that the sale of shares in underlying assets is not possible at prices deemed reasonable by the Board of Directors at the time of liquidation due to market or company specific conditions, the Board of Directors reserves the right to distribute all or part of the Fund's assets in kind to the Shareholders in compliance with the principle of equal treatment of Shareholders.

In the event that the Board of Directors envisages making a distribution in kind, the Board of Directors will offer to the Shareholder the right to receive, at the Shareholder's election, all or any portion of such distribution in the form of the net proceeds actually received by the Fund, as agent on behalf of the Shareholder, from disposing of the securities that otherwise would have been distributed to the Shareholder in kind as further specified in this section and the Board of Directors will send to the Shareholder a notice in relation to the proposed distribution in kind.

33. Termination, division and amalgamation of sub-funds or classes.

33.1 Termination of a Sub-Fund or Class

In the event that for any reason the Net Asset Value of any Sub-Fund and/or Class has decreased to, or has not reached, an amount determined by the Board of Directors to be the minimum level for such Sub-Fund and/or Class to be operated in an economically efficient manner, or in case of a substantial modification in the political, economic or monetary situation relating to such Sub-Fund and/or Class would have material adverse consequences on the investments of that Sub-Fund and/or Class, or as a matter of economic rationalization, the Board of Directors may decide to liquidate the Sub-Fund. In such a case, the Board of Directors will liquidate the assets of the Sub-Fund in an orderly manner and the net proceeds from the disposal or liquidation of investments will be distributed to the Shareholders in proportion to their holding of Shares.

In the same circumstances as provided for above, the Board of Directors may decide to compulsorily redeem all the Shares of the relevant Sub-Fund and/or Class at their Net Asset Value per Share (taking into account actual realization prices of investments and realization expenses) as calculated on the Valuation Day at which such decision shall take effect.

The Fund shall serve a notice to the Shareholders of the relevant Sub-Fund and/or Class prior to the effective date for the compulsory redemption, which will set forth the reasons for, and the procedure of, the redemption operations. Registered Shareholders shall be notified in writing.

Any request for subscription shall be suspended as from the moment of the announcement of the termination, the merger or the transfer of the relevant Sub-Fund and/or Class.

Notwithstanding the powers conferred to the Board of Directors by the preceding paragraphs, the general meeting of Shareholders of any Sub-Fund and/or Class may, upon proposal from the Board of Directors, resolve to terminate such Sub-Fund and to redeem all the Shares of the relevant Sub-Fund and/or Class and to refund to the Shareholders the Net Asset Value of their Shares (taking into account actual realisation prices of investments and realisation expenses) determined with respect to the Valuation Day on which such decision shall take effect. For such general meeting of Shareholders, there shall be a quorum requirement of fifty per cent (50%) of the Shares in issue, which shall resolve at the two thirds majority of the Shares present or represented at such meeting.

Distributions will generally be made in cash. A distribution in specie will only be possible with the prior approval of the Shareholders concerned.

Assets which could not be distributed to their owners upon the implementation of the redemption will be deposited as soon as possible with the Caisse de Consignations on behalf of the persons entitled thereto.

All redeemed Shares shall be cancelled by the Fund.

33.2 Amalgamation, Division or Transfer of Sub-Funds or Classes

Under the same circumstances as provided above in Article 33.1, the Board of Directors may decide to allocate the assets of any Sub-Fund and/or Class to those of another existing Sub-Fund and/or Class within the Fund or to another Luxembourg undertaking for collective investment or to another Sub-Fund and/or Class within such other Luxembourg

undertaking for collective investment (the “new Sub-Fund”) and to redesignate the Shares of the relevant Sub-Fund and/or Class as Shares of another Sub-Fund and/or Class (following a split or consolidation, if necessary, and the payment of the amount corresponding to any fractional entitlement to Shareholders). Such decision will be published in the same manner as described above in Article 33.1 (and, in addition, the publication will contain information in relation to the new Sub-Fund), one month before the date on which the amalgamation becomes effective in order to enable Shareholders to request redemption of their Shares, free of charge, during such period.

Under the same circumstances as provided above in Article 33.1, the Board of Directors may decide to reorganise a Sub-Fund and/or Class by means of a division into two or more Sub-Funds and/or Classes. Such decision will be published in the same manner as in Article 33.1 (and, in addition, the publication will contain information about the two or more new Sub-Funds) one month before the date on which the division becomes effective, in order to enable the Shareholders to request redemption of their Shares free of charge during such period.

A contribution of the assets and of the liabilities distributable to any Sub-Fund, and/or Class to another undertaking for collective investment referred to in the first paragraph of this Article or to another Sub-Fund and/or Class within such other undertaking for collective investment shall require a resolution of the Shareholders of the Sub-Fund and/or Class concerned, taken with a fifty per cent (50%) quorum requirement of the Shares in issue and adopted at a two thirds majority of the Shares present or represented at such meeting, except when such an amalgamation is to be implemented with a Luxembourg undertaking for collective investment of the contractual type (fonds commun de placement) or a foreign based undertaking for collective investment, in which case resolutions shall be binding only upon such Shareholders who will have voted in favour of such amalgamation.

Chapter VII. - Final provisions

34. The depositary. The Fund shall enter into a custody agreement with a banking or saving institution as defined by the Luxembourg law of 5 April 1993 on the financial sector, as amended from time to time.

The Depositary shall fulfil the duties and responsibilities as provided for by the 2007 Law.

If the Depositary desires to retire, the Board of Directors shall use its best endeavours to find a successor Depositary and will appoint it in replacement of the retiring Depositary. The Board of Directors may terminate the appointment of the Depositary but shall not remove the Depositary unless and until a successor Depositary shall have been appointed to act in the place thereof. In both the case of voluntary withdrawal of the Depositary or of its removal by the Board of Directors, the Depositary, until it is replaced, which must happen within two months, shall take all necessary steps for the good preservation of the interests of the investors.

35. Amendments of these articles of incorporation. Unless otherwise provided by the present Articles of Incorporation and as far as permitted by the 1915 Law, at any general meeting of the Shareholders convened in accordance with the law to amend the Articles of Incorporation of the Fund or to resolve issues for which the law or these Articles of Incorporation refer to the conditions set forth for the amendment of the Articles of Incorporation, the quorum shall be at least one half of the Shares in issue being present or represented. If such quorum requirement is not met, a second general meeting of Shareholders will be called which may validly deliberate, irrespective of the portion of the Shares represented.

In both meetings, unless otherwise provided by the present Articles of Incorporation and as far as permitted by the 1915 Law, resolutions must be passed by at least two thirds of the votes cast at such meeting.

36. Indemnification. Within the limits of applicable law, the Fund will indemnify the Board of Directors, the Management Company, the Investment Advisor and Sub-Investment Advisor (if any) and their officers, directors, managers, employees and associates as well as all members of a Shareholder Advisory Committee (each an “Indemnitee”, together the “Indemnitees”) against all claims, liabilities, cost and expenses incurred in connection with their role as such, other than for gross negligence, fraud or wilful misconduct. Shareholders will not be individually obligated with respect to such indemnification beyond the amount of their investments in the Fund and their Unfunded Commitments.

The Indemnitees shall have no liability for any loss incurred by the Fund or any Shareholder howsoever arising in connection with the service provided by them in accordance with the Fund Documents, and each Indemnitee shall be indemnified and held harmless out of the assets of the Fund against all actions, proceedings, reasonable costs, charges, expenses, losses, damages or liabilities incurred or sustained by an Indemnitee in or about the conduct of the Fund’s business affairs or in the execution or discharge of his duties, powers, authorities or discretions in accordance with the terms of the appointment of the Indemnitee, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by him in defending (whether successfully or otherwise) any civil proceedings concerning the Fund or its affairs in any court whether in Luxembourg or elsewhere, unless such actions, proceedings, costs, charges, expenses, losses, damages or liabilities resulted from his gross negligence, wilful misconduct or fraud.

37. Applicable law. All matters not governed by these Articles of Incorporation shall be determined in accordance with the 1915 Law and the 2007 Law.
