Manager(s) are only liable for the performance of their duties.

The Company shall indemnify any member of the Board of Managers, officer or employee of the Company and, if applicable, their successors, heirs, executors and administrators, against damages and expenses reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been Manager(s), officer or employee of the Company, or, at the request of the Company, any other company of which the Company is a shareholder or creditor and by which he is not entitled to be indemnified, except in relation to matters as to which he shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or misconduct. In the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Company is advised by its legal counsel that the person to be indemnified is not guilty of gross negligence or misconduct. The foregoing right of indemnification shall not exclude other rights to which the persons to be indemnified pursuant to the Articles of Incorporation may be entitled.

Art. 17. Auditors. Except where according to the Laws, the Company's annual statutory and/or consolidated accounts must be audited by an independent auditor, the business of the Company and its financial situation, including more in particular its books and accounts, may, and shall in the cases provided by law, be reviewed by one or more statutory auditors who need not be shareholders themselves.

The statutory or independent auditors, if any, will be appointed by the shareholder(s), which will determine the number of such auditors and the duration of their mandate. They are eligible for re-appointment. They may be removed at any time, with or without cause, by a resolution of the shareholder(s), save in such cases where the independent auditor may, as a matter of the Laws, only be removed for serious cause.

Chapter IV. Shareholders

Art. 18. Powers of the Shareholders. The shareholder(s) shall have such powers as are vested with them pursuant to the Articles of Incorporation and the Laws. The single shareholder carries out the powers bestowed on the general meeting of shareholders.

Any regularly constituted general meeting of shareholders of the Company represents the entire body of shareholders.

Art. 19. Annual General Meeting. The annual general meeting of shareholders, of which one must be held in case the Company has more than twenty-five (25) shareholders, will be held on the third Friday of the month of June at 03.00 p.m..

If such day is a day on which banks are not generally open for business in Luxembourg, the meeting will be held on the next following business day.

Art. 20. Other General Meetings. If the Company is composed of several shareholders, but no more than twenty-five (25) shareholders, resolutions of the shareholders may be passed in writing. Written resolutions may be documented in a single document or in several separate documents having the same content and each of them signed by one or several shareholders. Should such written resolutions be sent by the Manager(s) to the shareholders for adoption, the shareholders are under the obligation to, within a time period of fifteen (15) calendar days from the dispatch of the text of the proposed resolutions, cast their written vote by returning it to the Company through any means of communication allowing for the transmission of a written text. The quorum and majority requirements applicable to the adoption of resolutions by the general meeting of shareholders shall *mutatis mutandis* apply to the adoption of written resolutions.

General meetings of shareholders, including the annual general meeting of shareholders will be held at the registered office of the Company or at such other place in the Grand Duchy of Luxembourg, and may be held abroad if, in the judgement of the Manager(s), which is final, circumstances of force majeure so require.

Art. 21. Notice of General Meetings. Unless there is only one single shareholder, the shareholders may also meet in a general meeting of shareholders upon issuance of a convening notice in compliance with the Articles of Incorporation or the Laws, by the Manager(s), subsidiary, by the statutory auditor(s) (if any) or, more subsidiary, by shareholders representing more than half (1/2) of the capital.

The convening notice sent to the shareholders will specify the time and the place of the meeting as well as the agenda and the nature of the business to be transacted at the relevant general meeting of shareholders. The agenda for a general meeting of shareholders shall also, where appropriate, describe any proposed changes to the Articles of Incorporation and, if applicable, set out the text of those changes affecting the object or form of the Company.

If all the shareholders are present or represented at a general meeting of shareholders and if they state that they have been duly informed of the agenda of the meeting, the meeting may be held without prior notice.

Art. 22. Attendance - Representation. All shareholders are entitled to attend and speak at any general meeting of shareholders.

A shareholder may act at any general meeting of shareholders by appointing in writing, transmitted by any means of communication allowing for the transmission of a written text, another person who need not be a shareholder himself, as a proxy holder.

Art. 23. Proceedings. Any general meeting of shareholders shall be presided by the Chairman or by a person designated by the Manager(s) or, in the absence of such designation, by the general meeting of shareholders.
