STATUTES

In the year two thousand and fourteen, on the twenty-sixth day of June.

Before Us, Maître Henri Hellinckx, notary residing in Luxembourg, Grand Duchy of Luxembourg.

There appeared:

RP - Fonds Institutionnel, a company incorporated under the laws of Switzerland, having its registered office at Caroline 9, CP 288, CH-1001 Lausanne, Switzerland and registered with the Swiss Federal Commercial Registry Office under the number CHE-108.954.441;

here represented by Ms Lisa Klemann, professionally residing at 33, avenue J.F. Kennedy, L-1855 Luxembourg, Grand Duchy of Luxembourg, by virtue of a power of attorney, given under private seal.

The said proxy, after having been signed ne varietur by the appearing person and the undersigned notary, will remain attached to this notarial deed to be filed at the same time with the registration authorities.

Such appearing party, acting in its capacity as representative of the shareholder, has requested the officiating notary to enact the following articles of incorporation of a company, which it declares to establish as follows:

1. Art. 1. Form and Name.

1.1 There exists a société d'investissement à capital variable - fonds d'investissement spécialisé established as a public limited liability company (société anonyme) under the name of "ProPulse Fund" (the Company).

1.2 The Company will be governed by the act of 13 February 2007 relating to specialised investment funds, as amended (the 2007 Act), the act of 10 August 1915 on commercial companies, as it may be amended from time to time (the Companies Act) (provided that in case of conflicts between the Companies Act and the 2007 Act, the 2007 Act will prevail) as well as by these articles of association of the Company (the Articles).

1.3 The Company may have one shareholder (the Sole Shareholder) or more shareholders. The Company will not be dissolved by the death, suspension of civil rights, insolvency, liquidation or bankruptcy of the Sole Shareholder.

1.4 Any reference to the shareholders (the Shareholders) in the Articles will be a reference to the Sole Shareholder if the Company has only one Shareholder.

2. Art. 2. Registered Office.

2.1 The registered office of the Company is established in Luxembourg. It may be transferred within the boundaries of the municipality of Luxembourg by a resolution of the board of directors of the Company (the Board) if and to the extent permitted by law. It may be transferred to any other place within the Grand Duchy of Luxembourg by a resolution of the general meeting of Shareholders of the Company (the General Meeting) deliberating in the manner provided for amendment of the Articles.

2.2 The Board will further have the right to set up branches, offices, administrative centres and agencies wherever it will deem fit, either within or outside of the Grand Duchy of Luxembourg.

2.3 Where the Board determines that extraordinary political or military developments or events have occurred or are imminent and that these developments or events would interfere with the normal activities of the Company at its registered office, or with the ease of communication between such office and persons abroad, the registered office may be temporarily transferred abroad until the complete cessation of these extraordinary circumstances. Such temporary measure will have no effect on the nationality of the Company which, notwithstanding the temporary transfer of its registered office, will remain a company incorporated in the Grand Duchy of Luxembourg.

3. Art. 3. Duration.

3.1 The Company is formed for an unlimited duration, provided that the Company will however be automatically put into liquidation upon the termination of a Sub-fund if no further Sub-fund is active at this time.

3.2 The Company may be dissolved, at any time, by a resolution of the General Meeting adopted in the manner required for amendments of the Articles.

4. Art. 4. Corporate Objects.

4.1 The exclusive purpose of the Company is to invest the funds available to it in assets with the purpose of spreading investment risks and affording its Shareholders the results of the management of its assets.

4.2 The Company may take any measures and carry out any transaction, which it may deem useful for the fulfilment and development of its purpose and may, in particular and without limitation:

- (a) make investments whether directly or through direct or indirect participations in subsidiaries of the Company or other intermediary vehicles;
- (b) borrow money in any form or obtain any form of credit facility and raise funds through, including, but not limited to, the issue of bonds, notes, promissory notes, and other debt or equity instruments;
- (c) advance, lend or deposit money or give credit to companies and undertakings;
- (d) enter into any guarantee, pledge or any other form of security, whether by personal covenant or by mortgage or charge upon all or part of the assets (present or future) of the Company or by all or any of such methods, for the performance of any contracts or obligations of the Company, or any director, manager or other agent of the Company, or any company in which the Company or its parent company has a direct or indirect interest, or any company being a direct or indirect Shareholder of the Company or any company belonging to the same group as the Company;

to the fullest extent permitted under the 2007 Act.

5. Art. 5. Share Capital.

5.1 The capital of the Company will be represented by fully paid up shares of no par value and will at any time be equal to the value of the net assets of the Company pursuant to article 12.

5.2 The capital must reach an amount of at least one million two hundred and fifty thousand euro (EUR 1,250,000) within twelve months of the date on which the Company has been registered as a specialised investment fund (SIF) under the 2007 Act on the official list of Luxembourg SIFs, and thereafter may not be less than this amount (being provided that shares of a Target Sub-fund (as defined below) held by an Investing Sub-fund (as defined below) will not be taken into account for the purpose of the calculation of the EUR 1,250,000 minimum capital requirement).

5.3 The initial capital of the Company was of thirty one thousand Euro (EUR 31,000) represented by three hundred and ten (310) fully paid up shares with no par value.

5.4 The Company has an umbrella structure and the Board will set up a separate portfolio of assets that represents a sub-fund as defined in article 71 of the 2007 Act (a Sub-fund), and that is formed for one or more Classes. Each Sub-fund will be invested in accordance with the investment objective and policy applicable to that Sub-fund. The investment objective, policy and other specific features of each Sub-fund are set forth in the offering memorandum of the Company drawn up in accordance with article 52 of the 2007 Act (the Memorandum). Each Sub-fund may have its own funding, Classes, investment policy, capital gains, expenses and losses, distribution policy or other specific features.

5.5 Within a Sub-fund, the Board may, at any time, decide to issue different classes of shares (the Classes, each class of shares being a Class) the assets of which will be commonly invested but subject to different rights as described in the Memorandum, to the extent authorised under the 2007 Act and the Companies Act, including, without limitation different:

- (a) type of target investors;
- (b) fees and expenses structures;
- (c) subscription and/or redemption procedures;

(d) minimum investment and/or subsequent holding requirements;

(e) distribution rights and policies, and the Board may in particular, decide that shares pertaining to one or more Class (es) be entitled to receive incentive remuneration scheme in the form of carried interest or to receive preferred returns;

(f) marketing targets;

(g) transfer or ownership restrictions;

(h) currencies.

5.6 A separate Net Asset Value per share, which may differ as a consequence of these variable factors, will be calculated for each Class in the manner described in article 12.

5.7 The Company may create additional Classes whose features may differ from the existing Classes and additional Sub-funds whose investment objectives may differ from those of the Sub-funds then existing. Upon creation of new Sub-funds or Classes, the Memorandum will be updated, if necessary.

5.8 The Company is one single legal entity. However, in accordance with article 71 (5) of the 2007 Act, the rights of the Shareholder and creditors relating to a Sub-fund or arising from the setting-up, operation and liquidation of a Sub-fund are limited to the assets of that Sub-fund. The assets of a Sub-fund are exclusively dedicated to the satisfaction of the rights of the Shareholders relating to that Sub-fund and the rights of those creditors whose claims have arisen in connection with the setting-up, operation and liquidation of that Sub-fund, and there will be no cross liability between Sub-funds, in derogation of article 2093 of the Luxembourg Civil Code.

5.9 At the expiration of the duration of a Sub-fund, the Company will redeem all the shares in the Classes of that Sub-fund, in accordance with article 28, irrespective of the provisions of article 8 of the Articles.

5.10 The Board may create each Sub-fund for an unlimited or limited period of time; in the latter case, the Board may, at the expiration of the initial period of time, extend the duration of that Sub-fund one or more times, subject to the relevant provisions of the Memorandum. The Memorandum will indicate whether a Sub-fund is incorporated for an unlimited period of time or, alternatively, its duration and, if applicable, any extension of its duration and the terms and conditions for such extension.

5.11 For the purpose of determining the capital of the Company, the net assets attributable to each Class will, if not already denominated in EUR, be converted into EUR. The capital of the Company equals the total of the net assets of all the Classes of all Sub-funds.

6. Art. 6. Shares.

6.1 The shares of the Company will be in registered form (actions nominatives) and will remain in registered form. Shares are issued without par value and must be fully paid upon issue. The shares are not represented by certificates.

6.2 A register of shares will be kept at the registered office, where it will be available for inspection by any Shareholder. Such register will set forth the name of each Shareholder, its residence or elected domicile, the number and Class of shares held by it, the amounts paid in on each such share, and the transfer of shares and the dates of such transfers. The ownership of the shares will be established by the entry in this register.

6.3 Each Shareholder will provide the Company with an address, fax number and e-mail address to which all notices and announcements may be sent. Such address will also be entered into the register of Shareholders. Shareholders may, at any time, change their address as entered into the register of Shareholders by way of a written notification sent to the Company.

6.4 In the event that a Shareholder does not provide an address, the Company may permit a notice to this effect to be entered into the register of Shareholders and the Shareholder's address will be deemed to be at the registered office of the Company, or such other address as may be so entered into the register of Shareholders by the Company from time to time, until another address will be provided to the Company by such Shareholder. A Shareholder may, at any time, change his address as entered into the register of Shareholders by means of a written notification to the Company at its registered office, or at such other address as may be set by the Company from time to time.

6.5 The Company will recognise only one holder per share. In case a share is held by more than one person, the Company has the right to suspend the exercise of all rights attached to that share until one person has been appointed as sole owner in relation to the Company. The same rule will apply in the case of conflict between an usufruct holder (usufruitier) and a bare owner (nu-propriétaire) or between a pledgor and a pledgee.

6.6 The Company may decide to issue fractional shares up to four decimals. Such fractional shares do not carry voting rights, except where their number is such that they represent a whole share, but are entitled to participate in the net assets attributable to the relevant Class on a pro rata basis.

6.7 Subject to the provisions of article 10, the transfer of shares may be effected by a written declaration of transfer entered in the register of the Shareholders of the Company, such declaration of transfer to be executed by the transferor and the transferee or by persons holding suitable powers of attorney or in accordance with the provisions applying to the transfer of claims provided for in article 1690 of the Luxembourg Civil Code. The Company may also accept as evidence of transfer other instruments of transfer evidencing the consent of the transferor and the transferee satisfactory to the Company.

7. Art. 7. Issue of Shares.

7.1 The Board is authorised, without limitation, to issue an unlimited number of fully paid up shares at any time without reserving a preferential right to subscribe for the shares to be issued for the existing Shareholders.

7.2 Shares are exclusively reserved for subscription by well-informed investors within the meaning of article 2 of the 2007 Act (Well-Informed Investors).

7.3 Any conditions to which the issue of shares may be submitted will be detailed in the Memorandum provided that the Board may, without limitation:

- (a) impose restrictions on the frequency at which shares of a certain Class are issued (and, in particular, decide that shares of a particular Class will only be issued during one or more offering periods or at such other intervals as provided for in the Memorandum);

- (b) decide that shares of a particular Sub-fund or Class will only be issued to persons or entities that have entered into a subscription agreement under which the subscriber undertakes inter alia to subscribe for shares, during a specified period, up to a certain amount;

- (c) impose conditions on the issue of shares (including without limitation the execution of such subscription documents and the provision of such information as the Board may determine to be appropriate) and fix a minimum subscription amount, minimum subsequent subscription amount, and/or a minimum commitment or holding amount;

- (d) determine any default provisions on non or late payment for shares or restrictions on ownership in relation to the shares;

- (e) in respect of any one given Sub-fund and/or Class, levy a subscription charge and has the right to waive partly or entirely this subscription charge;

- (f) restrict the ownership of shares of a particular Class to certain type of persons or entities;

- (g) decide that payments for subscriptions to shares will be made in whole or in part on one or more dealing dates, closings or draw down dates at which the commitment of the investor will be called against issue of shares of the relevant Sub-fund and Class.

7.4 Shares in Sub-funds will be issued at the subscription price calculated in the manner and at such frequency as determined for each Sub-fund (and, as the case may be, each Class) in the Memorandum.

7.5 A process determined by the Board and described in the Memorandum will govern the chronology of the issue of shares in a Sub-fund.

7.6 The Board may confer the authority upon any of its members, any managing director, officer or other duly authorised representative to accept subscription applications, to receive payments for newly issued shares and to deliver these shares.

7.7 The Company may, in its absolute discretion, accept or reject, in whole or in part, any request for subscription for shares.

7.8 The Company may agree to issue shares as consideration for a contribution in kind of assets, in accordance with Luxembourg law, in particular in accordance with the obligation to deliver a valuation report from an auditor (réviseur d'entreprises agréé), and provided that such assets are in accordance with the investment objectives and policies of the relevant Sub-fund. All costs related to the contribution in kind are borne by the Shareholder acquiring shares in this manner.

8. Art. 8. Redemptions of Shares.

Redemption right of Shareholders

8.1 Unless otherwise provided for in the Memorandum, any Shareholder may request redemption of all or part of his shares from the Company, pursuant to the conditions and procedures set forth by the Board in the Memorandum and within the limits provided by law and these Articles.

8.2 Subject to the provisions of articles 12 and 13 of these Articles, the redemption price per share will be paid within a period determined by the Board and disclosed in the Memorandum, provided that any transfer documents have been received by the Company.

8.3 Unless otherwise provided for in the Memorandum, the redemption price per share for shares of a particular Class of a Sub-fund corresponds to the Net Asset Value per share of the respective Class less any redemption fee, if applicable. Additional fees may be incurred if distributors and paying agents are involved in a transaction. The relevant redemption price may be rounded up or down to the nearest unit of the currency in which it is to be paid, as determined by the Board.

8.4 A process determined by the Board and described in the Memorandum will govern the chronology of the redemption of shares in a Sub-fund.

8.5 If as a result of a redemption application, the number or the value of the shares held by any Shareholder in any Class falls below the minimum number or value that is then determined by the Board in the Memorandum, the Company may decide to treat such an application as an application for redemption of all of that Shareholder's shares in the given Class.

8.6 If, in addition, on a Valuation Day (as defined in article 12.1 below) or at some time during a Valuation Day, redemption applications as defined in this article and conversion applications as defined in article 9 of these Articles exceed a certain level set by the Board in relation to the shares of a given Class, the Board may resolve to reduce proportionally part or all of the redemption and/or conversion applications for a certain time period and in the manner deemed necessary by the Board, in the best interest of the Company. The portion of the non-proceeded redemptions will then be proceeded by priority on the Valuation Day following this period, these redemption and conversion applications will be given priority and dealt with ahead of other applications (but subject always to the foregoing limit).

8.7 The Board may, at the request of a Shareholder, agree to make, in whole or in part, a distribution in-kind of securities or other assets of a Sub-fund to that Shareholder in lieu of paying to that Shareholder redemption proceeds in cash. The Board will agree to do so if it determines that such a transaction would not be detrimental to the best interests of the remaining Shareholders of the relevant Sub-fund. Such distribution will be effected at the Net Asset Value per share of the relevant Class of the relevant Sub-fund from which the Shareholder is redeeming, and thus will constitute a pro rata portion of the Sub-fund's assets in terms of value. The assets to be transferred to such Shareholder will be determined by the Board, with regard to the practicality of transferring such assets and to the interests of the Sub-fund and continuing participants therein and to the Shareholder. Such a Shareholder may incur brokerage and/or local tax charges on any transfer or sale of securities so received in satisfaction of redemption. The redeeming Shareholder might not be able to sell or transfer any such assets for a long period of time and the net proceeds from this sale by the redeeming Shareholder of such assets may be more or less than the corresponding redemption price of shares in the relevant Sub-fund due to market conditions and/or differences in the prices used for the purposes of such sale or transfer and the calculation of the Net Asset Value per share of the Sub-fund. The valuation of assets will be subject to the review and approval of the independent auditor of the Company.

8.8 All redeemed shares will be cancelled.

8.9 All applications for redemption of shares are irrevocable, except - in each case for the duration of the suspension - in accordance with article 13 of these Articles, when the calculation of the Net Asset Value has been suspended or when redemption has been suspended as provided for in this article.

Compulsory redemptions

8.10 Shares may be redeemed at the initiative of the Company in accordance with, and in the circumstances set out under, this article. The Company may in particular decide to:

(a) redeem shares of any Class and Sub-fund, on a pro rata basis among Shareholders in order to proceed to a distribution on a pro rata basis among Shareholders, subject to compliance with the relevant distribution scheme (and, as the case may be, reinvestment rights) as provided for each Sub-fund in the Memorandum, if any;

(b) compulsory redeem shares:

- held by a Restricted Person as defined in, and in accordance with the provisions of article 11.1 of these Articles;
- in case of liquidation or merger of Sub-funds or Classes, in accordance with the provisions of article 28 of these Articles;
- held by a Shareholder who fails to make, within a specified period of time determined by the Company, any required capital contributions or certain other payments to the relevant Sub-fund (including the payment of any interest amount or charge due in case of default), in accordance with the terms of its subscription documents to the relevant Sub-fund in accordance with the provisions of the Memorandum; and
- in all other circumstances, in accordance with the terms and conditions set out in the subscription documents, Memorandum and these Articles.

9. Art. 9. Conversion of Shares.

9.1 Unless otherwise provided for in the Memorandum, a Shareholder may convert shares of a particular Class of a Sub-fund held in whole or in part into shares of the corresponding Class of another Sub-fund; conversions from shares of one Class of a Sub-fund to shares of another Class of either the same or a different Sub-fund are also permitted, except otherwise decided by the Board.

9.2 The Board may make the conversion of shares dependent upon additional conditions, as set forth in the Memorandum.

9.3 A conversion application will be considered as an application to redeem the shares held by the Shareholder and as an application for the simultaneous acquisition (subscription) of the shares to be subscribed. The conversion ratio will be calculated on the basis of the Net Asset Value per share of the respective Class; a conversion fee may be incurred. Additional fees may be incurred if distributors and paying agents are involved in a transaction. The prices of the conversion may be rounded up or down to the nearest unit of the currency in which they are to be paid, as determined by the Board. The Board may determine that balances of less than a reasonable amount to be set by the Board, resulting from conversions will not be paid out to Shareholders.

9.4 As a rule, both the redemption and the subscription parts of the conversion application should be calculated on the basis of the values prevailing on one and the same Valuation Day. If there are different order acceptance deadlines for the Sub-funds in question, the calculation may deviate from this, in particular depending on the sales channel. In particular either:

(a) the sales part may be calculated in accordance with the general rules on the redemption of shares (which may be older than the general rules on the issue of shares), while the purchase part would be calculated in accordance with the general (newer) rules on the issue of shares; or

(b) the sales part is not calculated until a time later in relation to the general rules on share redemption together with the purchase part calculated in accordance with the newer (in relation to the sales part) rules on the issue of shares.

9.5 Conversions may only be effected if, at the time, both the redemption of the shares to be converted and the issue of the shares to be acquired are simultaneously possible; there will be no partial execution of the application unless the possibility of issuing the shares to be subscribed ceases after the shares to be converted have been redeemed.

9.6 Subject to any currency conversion (if applicable) the proceeds resulting from the redemption of the original shares will be applied immediately as the subscription monies for the shares in the new Class into which the original shares are converted.

9.7 All applications for the conversion of shares are irrevocable, except - in each case for the duration of the suspension - in accordance with article 13 of these Articles, when the calculation of the Net Asset Value of the shares to be redeemed has been suspended or when redemption of the shares to be redeemed has been suspended as provided for in article 8. If the calculation of the Net Asset Value of the shares to be subscribed is suspended after the shares to be converted have already been redeemed, only the subscription part of the conversion application can be revoked during this suspension.

9.8 If, in addition, on a Valuation Day or at some time during a Valuation Day redemption applications as defined in article 8 of these Articles and conversion applications as defined in this article exceed a certain level set by the Board in relation to the shares issued in the Class, the Board may resolve to reduce proportionally part or all of the redemption and conversion applications for a certain period of time and in the manner deemed necessary by the Board, in the best interest of the Company. The portion of the non-proceeded redemptions will then be proceeded by priority on the Valuation Day following this period, these redemption and conversion applications will be given priority and dealt with ahead of other applications (but subject always to the foregoing limit).

9.9 If as a result of a conversion application, the number or the value of the shares held by any Shareholder in any Class falls below the minimum number or value that is then - if the rights provided for in this sentence are to be applicable - determined by the Board in the Memorandum, the Company may decide to treat the purchase part of the conversion application as a request for redemption for all of the Shareholder's shares in the given Class; the subscription part of the conversion application remains unaffected by any additional redemption of shares.

9.10 Shares that are converted to shares of another Class will be cancelled.

10. Art. 10. Transfer of Shares.

10.1 A Shareholder may only assign, transfer, or otherwise dispose of, grant a participation in, pledge, hypothecate or otherwise encumber its shares (each such transaction, a Transfer) subject to the provisions of this article 10 and the terms of the Memorandum.

10.2 No Transfer of all or any part of any Shareholder's shares in any Sub-fund, whether direct or indirect, voluntary or involuntary (including, without limitation, to an affiliate or by operation of law), will be valid or effective if:

(a) the Transfer would result in a violation of any law or regulation of Luxembourg, or any other jurisdiction or subject the Company, any Sub-fund or any intermediary vehicle of the Company to any other adverse tax, legal or regulatory consequences as determined by the Board;

(b) the Transfer would result in a violation of any term or condition of these Articles, the Memorandum or of the relevant subscription agreement;

(c) the Transfer would result in the Company being required to register, or the shares or any Sub-fund being subject to registration, in a jurisdiction other than Luxembourg;

and

(d) it will be a condition of any Transfer (whether permitted or required) that:

(i) the transferee represents in a form acceptable to the Company that such transferee is not a Restricted Person (as defined in article 11 below) and that the proposed Transfer itself does not violate any laws or regulations (including, without limitation, any securities laws) applicable to him/her/it;

(ii) the transferee is an Eligible Investor (as defined in the Memorandum).

10.3 Additional restrictions on Transfers may be set out in the Memorandum in respect of (a) particular Sub-fund(s) in which case no Transfer of all or any part of any Shareholder's shares in the relevant Sub-fund, whether direct or indirect, voluntary or involuntary (including, without limitation, to an affiliate or by operation of law), will be valid or effective if any of these additional restrictions on Transfer is not complied with.

11. Art. 11. Ownership Restrictions.

Restricted Persons

11.1 The Company may restrict or prevent the ownership of shares by any person if:

(a) in the opinion of the Board such holding may be detrimental to the Company or any Sub-fund;

(b) it may result (either individually or in conjunction with other investors in the same circumstances) in:

(i) the Company, a Sub-fund or an intermediary vehicle incurring any liability for any taxation whenever created or imposed and whether in Luxembourg, or elsewhere or suffering pecuniary disadvantages which the same might not otherwise incur or suffer; or

(ii) the Company or a Sub-fund being required to register its shares under the laws of any jurisdiction other than Luxembourg;

(c) it may result in a breach of any law or regulation applicable to the relevant individual or legal entity itself, the Company, the Board or any Sub-fund, whether Luxembourg law or other law (including anti-money laundering and terrorism financing laws and regulations);

(d) such person is not a Well-Informed Investor;

(e) such person is engaged in Market Timing or Late Trading activities (as defined in the Memorandum);

(f) as a result thereof the Company may become exposed to tax disadvantages or other financial disadvantages that it would not have otherwise incurred;

(such persons, Restricted Persons), provided that any person mentioned under item (d) above will automatically be a Restricted Person.

11.2 For such purposes the Company may:

(a) decline to issue any shares and decline to register any Transfer of shares, where such registration, or Transfer would result in legal or beneficial ownership of such shares by a Restricted Person; and

(b) at any time require any person whose name is entered in the register of Shareholders or who seeks to register a Transfer in the register of Shareholders to deliver to the Company, any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such Shareholder's shares rests with a Restricted Person, or whether such registration will result in beneficial ownership of such shares by a Restricted Person.

11.3 If it appears that a shareholder of the Company is a Restricted Person, the Company will be entitled to, in its absolute discretion:

(a) decline to accept the vote of the Restricted Person at the General Meeting; and/or

(b) retain all dividends paid and to be paid or other sums distributed and to be distributed with regard to the shares held by the Restricted Person; and/or

(c) instruct the Restricted Person to sell his/her/its shares and to demonstrate to the Company that this sale was made within thirty (30) days of the sending of the relevant notice, subject each time to the applicable restrictions on Transfer as set out in article 10 above; and/or

(d) compulsorily redeem all shares held by the Restricted Person at a price based on the latest calculated Net Asset Value, less a penalty fee as set out in the Memorandum.

11.4 The exercise of the powers by the Company in accordance with this article may in no way be called into question or declared invalid on the grounds that the ownership of shares was not sufficiently proven or that the actual ownership of shares did not correspond to the assumptions made by the Company on the date of the purchase notification, provided that the Company exercised the abovenamed powers in good faith.

12. Art. 12. Calculation of the Net Asset Value.

12.1 The Company, each Sub-fund and each Class in a Sub-fund have a net asset value (the Net Asset Value or NAV) determined in accordance with Luxembourg law and these Articles as of each valuation day as is stipulated in the Memorandum in respect of each Sub-fund and Class (a Valuation Day). The reference currency of the Company is the EUR.

12.2 Calculation of the Net Asset Value

(a) The administrative agent of the Company (the Administrative Agent) will under the supervision of the Board compute the Net Asset Value per Class in the relevant Sub-fund as follows: each Class participates in the Sub-fund according to the portfolio and distribution entitlements attributable to each such Class. The value of the total portfolio and distribution entitlements attributed to a particular Class of a particular Sub-fund on a given Valuation Day adjusted with the liabilities relating to that Class on that Valuation Day represents the total Net Asset Value attributable to that Class of that Sub-fund on that Valuation Day. The assets of each Class will be commonly invested within a Sub-fund but subject to different fee structures, distribution, marketing targets, currency or other specific features as it is stipulated in the Memorandum. A separate Net Asset Value per share, which may differ as consequence of these variable factors, will be calculated for each Class as follows: the Net Asset Value of that Class of that Sub-fund on that Valuation Day divided by the total number of shares of that Class of that Sub-fund then outstanding on that Valuation Day.

(b) The value of all assets and liabilities not expressed in the reference currency of a Sub-fund or Class will be converted into the reference currency of such Sub-fund or Class at the relevant rates of exchange prevailing on the relevant Valuation Day. If such quotations are not available, the rate of exchange will be determined with prudence and in good faith by or under procedures established by the Board. All transactions in another currency are translated into the reference currency at the date of the transaction.

(c) For the purpose of calculating the Net Asset Value of a particular Sub-fund, the Net Asset Value of each Sub-fund will be determined by calculating the aggregate of:

(i) the value of all assets of the Company which are allocated to the relevant Sub-fund in accordance with the provisions of these Articles; less

(ii) all the liabilities of the Company which are allocated to the relevant Sub-fund in accordance with the provisions of these Articles, and all fees attributable to the relevant Sub-fund, which fees have accrued but are unpaid on the relevant Valuation Day.

(d) The total net assets of the Company will result from the difference between the gross assets (including the market value of investments owned by the Company and its intermediary vehicles) and the liabilities of the Company, provided that set up costs for the Company and any Sub-fund will be amortised over a period of five (5) years rather than expensed in full when they are incurred.

(e) The value of the assets of the Company will be determined as follows:

(i) debt instruments, and in particular promissory notes, not listed on a stock exchange or another regulated market will be valued at their nominal value plus accrued interest. In the event of default or another critical situation that could lead to default, or in the case of the elimination or improvement of such a situation, an adjustment will be made by the Board to the valuation of debt instruments;

(ii) securities (including shares or units in closed-ended target UCIs) listed on an official stock exchange or dealt on any other organised market or regulated market will be valued at their last available price on the Valuation Day and, if the security is traded on several markets, on the basis of the last known price on the main market of this security. If the last known price is not representative or a price is not available for a particular exchange session, but a closing mid-price (the mean of the quoted closing bid and ask prices) or a closing bid price is available, then the closing mid-price, or alternatively the closing bid price, may be taken as a basis for the valuation. In the case of securities for which trading on a stock exchange is not significant but which are bought and sold on a secondary market with regulated trading among securities dealers (with the effect that the price is set on a market basis), the valuation is based on this secondary market;

(iii) securities that are not listed on a stock exchange and are not traded on a regulated market will be valued at their last available market price. If no such price is available, the securities are valued in accordance with other criteria (for example International Private Equity & Venture Capital Guidelines) and on the basis of the probable realisation price, which will be estimated by the Board with due care and in good faith;

(iv) shares and units in an open-ended target UCI that calculates a net asset value will be valued on the basis of the latest net asset value determined according to the provisions of the particular offering documents of this open-ended target UCI or, at their latest unofficial net asset values (i.e. estimates of net asset values which are not generally used for the purposes of subscription and redemption or which may be provided by a pricing source - including the investment manager of the open-ended target UCI - other than the administrative agent of the open-ended target UCI) if more recent than their official net asset values. The Net Asset Value calculated on the basis of unofficial net asset values of open-ended target UCIs may differ from the Net Asset Value which would have been calculated, as of the relevant Valuation Day, on the basis of the official net asset values determined by the administrative agents of the open-ended target UCIs. However, such Net Asset Value is final and binding notwithstanding any different later determination. In case of the occurrence of an evaluation event that is not reflected in the latest available net asset value of such shares or units issued by such open-ended target UCIs, the valuation of the shares or units issued by such open-ended target UCIs may be estimated with prudence and in good faith in accordance with procedures established by the Board to take into account this evaluation event. The following events qualify as evaluation events: capital calls, distributions or redemptions effected by the open-ended target UCI or one or more of its underlying investments as well as any material events or developments affecting either the underlying investments or the open-ended target UCIs themselves;

(v) fixed-term deposits and similar assets shall be valued at their nominal value plus accrued interest;

(vi) the value of any cash on hand or on deposit, bills and demand notes and accounts, receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid, and not yet received will be deemed to be the full amount thereof, unless it is unlikely to be received in which case the value thereof will be arrived at after making such discount as the Board may consider appropriate in such case to reflect the true value thereof;

(vii) all other assets are valued at fair value as determined in good faith pursuant to procedures established by the Company in accordance with Luxembourg GAAP.

(f) The Company, in its discretion, may permit some other method of valuation to be used if it considers that such valuation better reflects the fair value of any asset or liability of the Company in compliance with Luxembourg law. This method will then be applied in a consistent way. The Administrative Agent can rely on such deviations as approved by the Board for the purpose of the Net Asset Value calculation.

(g) For the purpose of determining the value of the Company's assets, the Administrative Agent, having due regards to the standard of care and due diligence in this respect, may exclusively, when calculating the Net Asset Value, rely, unless there is manifest error, upon the valuations provided (i) by the Board or the Company's investment adviser, (ii) by various pricing sources available on the market such as pricing agencies, administrators or investment managers of target UCIs, or (iii) by (a) specialist(s) duly authorised to that effect by the Board. In such circumstances, the Administrative Agent shall not, in the absence of a manifest error on its part, be responsible for any loss suffered by the Fund or any

Shareholder by reason of any error in the calculation of the Net Asset Value and the Net Asset Value per share resulting from any inaccuracy in the information provided by the professional pricing sources, by the Board, the Company's investment adviser, by investment managers or administrative agents of target UCIs, or by specialist(s) duly authorised to that effect by the Board.

(h) In circumstances where one or more pricing sources fails to provide valuations to the Administrative Agent preventing the latter to determine the subscription and redemption prices, the Administrative Agent shall inform the Board thereof and the Administrative Agent shall obtain from it authorised instructions in order to enable it to finalise the computation of the Net Asset Value and the Net Asset Value per Share. The Board may decide to suspend the Net Asset Value calculation, in accordance with the relevant provisions in this Memorandum and the Articles. In such circumstances, the Administrative Agent shall not, in the absence of a manifest error on its part, be responsible for any loss suffered by the Fund or any Shareholder. The Fund shall be responsible for notifying the suspension of the Net Asset Value calculation to the Shareholders, if required, or for instructing the Administrative Agent to do so. If the Board does not decide to suspend the Net Asset Value calculation in a timely manner, it shall be liable for all the consequences of a delay in the Net Asset Value calculation, and the Administrative Agent may inform the relevant authorities and the Auditor in due course.

(i) All assets denominated in a currency other than the reference currency of the respective Sub-fund/Class will be converted in accordance with the procedure set out in the Memorandum. The Net Asset Value per share may be rounded up or down to the nearest whole hundredth share of the currency in which the Net Asset Value of the relevant shares are calculated.

12.3 For the purpose of this article 12,

(a) shares to be issued by the Company will be treated as being in issue as from the time specified by the Board on the Valuation Day with respect to which such valuation is made and from such time and until received by the Company the price therefore will be deemed to be an asset of the Company;

(b) shares of the Company to be redeemed (if any) will be treated as existing and taken into account until the date fixed for redemption, and from such time and until paid by the Company the price therefore will be deemed to be a liability of the Company;

(c) all investments, cash balances and other assets expressed in currencies other than the reference currency of the respective Sub-fund/Class will be valued after taking into account the market rate or rates of exchange in force as of the Valuation Day; and

(d) where on any Valuation Day the Company has contracted to:

(i) purchase any asset, the value of the consideration to be paid for such asset will be shown as a liability of the Company and the value of the asset to be acquired will be shown as an asset of the Company;

(ii) sell any asset, the value of the consideration to be received for such asset will be shown as an asset of the Company and the asset to be delivered by the Company will not be included in the assets of the Company;

provided, however, that if the exact value or nature of such consideration or such asset is not known on such Valuation Day, then its value will be estimated by the Board.

12.4 Allocation of assets and liabilities

(a) The assets and liabilities of the Company will be allocated as follows:

(i) the proceeds to be received from the issue of shares of any Class will be applied in the books of the Company to the Sub-fund corresponding to that Class, provided that if several Classes are outstanding in such Sub-fund, the relevant amount will increase the proportion of the net assets of such Sub-fund attributable to that Class;

(ii) the assets and liabilities and income and expenditure applied to a Sub-fund will be attributable to the Class or Classes corresponding to such Sub-fund;

(iii) where any asset is derived from another asset, such asset will be attributable in the books of the Company to the same Class or Classes as the assets from which it is derived and on each revaluation of such asset, the increase or decrease in value will be applied to the relevant Class or Classes;

(iv) where the Company incurs a liability in relation to any asset of a particular Class or particular Classes within a Sub-fund or in relation to any action taken in connection with an asset of a particular Class or particular Classes within a Sub-fund, such liability will be allocated to the relevant Class or Classes within such Sub-fund;

(v) in the case where any asset or liability of the Company cannot be considered as being attributable to a particular Class, such asset or liability will be allocated to all the Classes pro rata to their respective Net Asset Values or in such other manner as determined by the Board acting in good faith, provided that (i) where assets of several Classes are held in one account and/or are co-managed as a segregated pool of assets by an agent of the Company, the respective right of each Class will correspond to the prorated portion resulting from the contribution of the relevant Class to the relevant account or pool, and (ii) such right will vary in accordance with the contributions and withdrawals made for the account of the Class, as described in the Memorandum, and finally (iii) all liabilities, whatever Class they are attributable to, will, unless otherwise agreed upon with the creditors, be binding upon the Company as a whole;

(vi) upon the payment of distributions to the Shareholders of any Class, the Net Asset Value of such Class will be reduced by the amount of such distributions.

12.5 General rules

- (a) all valuation regulations and determinations will be interpreted and made in accordance with Luxembourg law;
- (b) the latest Net Asset Value will be made available to investors at the registered office of the Company and the Administrative Agent as soon it is finalised following the process set out in the Memorandum;
- (c) for the avoidance of doubt, the provisions of this article 12 are rules for determining the Net Asset Value per share and are not intended to affect the treatment for accounting or legal purposes of the assets and liabilities of the Company or any shares issued by the Company;
- (d) different valuation rules may be applicable in respect of a Specific Sub-fund as set out in the Memorandum;
- (e) with respect to the protection of investors in case of Net Asset Value calculation error and the correction of the consequences resulting from non-compliance with the investment rules applicable to the Company, the Board intends to comply with the principles and rules set out in CSSF circular 02/77 of 27 November 2002, subject to what is specified in the Memorandum.

12.6 The liabilities of the Company will be deemed to include:

- (a) all loans, bills and accounts payable;
- (b) all accrued interest on loans of the Company (including accrued fees for commitment for such loans);
- (c) all accrued or payable administrative expenses;
- (d) all known liabilities, present and future, including all matured contractual obligations for payment of money or property;
- (e) an appropriate provision for future taxes based on capital and income to the relevant Valuation Day, as determined from time to time by the Board, and other reserves, if any, authorised and approved by the Board; and
- (f) all other liabilities of the Company of whatsoever kind and nature except liabilities represented by shares of the Company. In determining the amount of such liabilities, the Board will take into account all expenses payable and all costs incurred by the Company.

13. Art. 13. Temporary Suspension of Calculation of the Net Asset Value.

13.1 The Company may at any time and from time to time suspend the determination of the Net Asset Value of shares of any Sub-fund and/or the issue of the shares of such Sub-fund to subscribers and/or the redemption of the shares of such Sub-fund from its Shareholders as well as conversions of shares of any Class in a Sub-fund:

- (i) when disposal of the assets of the Company attributable to such Sub-fund is not reasonably or normally practicable without being seriously detrimental to the interests of the Shareholders and when for any reason the Fund determines that such suspension is in the best interests of investors;
- (ii) if, as a result of exchange restrictions or other restrictions affecting the transfer of investments, transactions for the account of the Sub-fund are rendered impracticable or if purchases and sales of the Company's assets attributable to such Sub-fund cannot be effected at normal rates of exchange;
- (iii) when the value of a substantial part of the investments of the Sub-fund or any intermediary vehicle may not be determined accurately or when the net asset value calculation of, and/or the redemption right of investors in, one or more target UCIs representing a substantial portion of the assets of the relevant Sub-fund is suspended;
- (iv) if, prior to the Valuation Day, new information becomes available in connection with a critical situation or default which could substantially alter the valuation of the relevant Sub-fund's overall assets and whose impact on the valuation cannot be assessed until the Valuation Day;
- (v) in accordance with, and in the circumstances as set out under, article 12.2 (h) above;
- (vi) when the suspension is required by law or legal process;
- (vii) when for any reason and in its absolute discretion the Board determines that such suspension is in the best interests of the Shareholders;
- (viii) upon the publication of a notice convening an extraordinary General Meeting of Shareholders for the purpose of winding-up the Company.

13.2 Any such suspension may be notified by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby. The Company will notify Shareholders requesting redemption or conversion of their shares of such suspension. Such suspension as to any Sub-fund will have no effect on the calculation of the Net Asset Value per share, the issue, redemption and conversion of shares of any other Sub-fund.

13.3 Any request for subscription, redemption and conversion will be irrevocable except in the event of a suspension of the calculation of the Net Asset Value per share in the relevant Sub-fund, in which case Shareholders may give notice that they wish to withdraw their application. If no such notice is received by the Fund during the suspension period, such application will be dealt with on the first Valuation Day, as determined for each relevant Sub-fund, following the end of the period of suspension.

14. Art. 14. Management.

14.1 The Company will be managed by a Board of at least 3 (three) members. The directors of the Company, either Shareholders or not, are appointed for a term which may not exceed 6 (six) years, by a General Meeting. The directors

may be dismissed at any time and at the sole discretion of a General Meeting. The Board will be elected by the Shareholders at the General Meeting at which the number of directors, their remuneration and term of office will also be determined.

14.2 When a legal entity is appointed as a director of the Company (the Legal Entity), the Legal Entity must designate a permanent representative in order to accomplish this task in its name and on its behalf (the Representative). The Representative is subject to the same conditions and obligations, and incurs the same liability as if he was performing this task for his own account and on his own behalf, without prejudice to the joint liability of him and the Legal Entity. The Legal Entity cannot revoke the Representative unless it simultaneously appoints a new permanent representative.

14.3 Members of the Board are selected by a majority vote of the shares present or represented at the relevant General Meeting.

14.4 Any member of the Board may be removed with or without cause or replaced at any time by a resolution adopted by the General Meeting.

14.5 In the event of a vacancy in the office of a member of the Board, the remaining directors may temporarily fill such vacancy; the Shareholders will take a final decision regarding such nomination at their next General Meeting.

15. Art. 15. Meetings of the Board.

15.1 The Board will appoint a chairman (the Chairman) among its members and may choose a secretary, who need not be a director, and who will be responsible for keeping the minutes of the meetings of the Board. The Chairman will preside at all meetings of the Board. In his/her absence, the other members of the Board will appoint another chairman pro tempore who will preside at the relevant meeting by simple majority vote of the directors present or represented at such meeting.

15.2 The Board will meet upon call by the Chairman or any two directors at the place indicated in the notice of meeting.

15.3 Written notice of any meeting of the Board will be given to all the directors at least twenty-four (24) hours in advance of the date set for such meeting, except in circumstances of emergency, in which case the nature of such circumstances will be set forth briefly in the convening notice of the meeting of the Board.

15.4 No such written notice is required if all the members of the Board are present or represented during the meeting and if they state to have been duly informed, and to have had full knowledge of the agenda of the meeting. The written notice may be waived by the consent in writing, whether in original, by telefax, or e-mail to which an electronic signature (which is valid under Luxembourg law) is affixed, of each member of the Board. Separate written notice will not be required for meetings that are held at times and places determined in a schedule previously adopted by resolution of the Board.

15.5 Any member of the Board may act at any meeting of the Board by appointing in writing, whether in original, by telefax, or e-mail to which an electronic signature (which is valid under Luxembourg law) is affixed, another director as his or her proxy.

15.6 The Board can validly debate and take decisions only if at least the majority of its members is present or represented. A director may represent more than one of his or her colleagues, under the condition however that at least two directors are present at the meeting or participate at such meeting by way of any means of communication that are permitted under the Articles and by the Companies Act. Decisions are taken by the majority of the members present or represented. If at a Board meeting, the quorum is not met, a second Board meeting can be convened with the same agenda, in which case such second Board meeting will validly deliberate without quorum requirement.

15.7 In case of a tied vote, the Chairman of the meeting will not have a casting vote.

15.8 Any director may participate in a meeting of the Board by conference call, video conference or similar means of communications equipment whereby (i) the directors attending the meeting can be identified, (ii) all persons participating in the meeting can hear and speak to each other, (iii) the transmission of the meeting is performed on an on-going basis and (iv) the directors can properly deliberate, and participating in a meeting by such means will constitute presence in person at such meeting. A meeting of the Board held by such means of communication will be deemed to be held in Luxembourg.

15.9 Notwithstanding the foregoing, a resolution of the Board may also be passed in writing. Such resolution will consist of one or several documents containing the resolutions and signed, manually or electronically by means of an electronic signature which is valid under Luxembourg law, by each director. The date of such resolution will be the date of the last signature.

16. Art. 16. Minutes of Meetings of the Board.

16.1 The minutes of any meeting of the Board will be signed by the Chairman or a member of the Board who presided at such meeting.

16.2 Copies or extracts of such minutes which may be produced in judicial proceedings or otherwise will be signed by the Chairman or any two members of the Board.

17. Art. 17. Powers of the Board. The Board is vested with the broadest powers to perform or cause to be performed all acts of disposition and administration in the Company's interest. All powers not expressly reserved by the Companies Act or by the Articles to the General Meeting fall within the competence of the Board.

18. Art. 18. Delegation of Powers.

18.1 The Board may appoint any person as day-to-day manager (délégué à la gestion journalière) who will have full authority to act on behalf of the Company in all matters concerned with the daily management and affairs of the Company.

18.2 The Board may appoint a person, either a Shareholder or not, either a director or not, as permanent representative for any entity in which the Company is appointed as member of the board of directors. This permanent representative will act with all discretion, but in the name and on behalf of the Company, and may bind the Company in its capacity as member of the board of directors of any such entity.

18.3 The Board is also authorised to appoint a person, either director or not, for the purposes of performing specific functions at every level within the Company.

18.4 The Board may establish committees and delegate to such committees full authority to act on behalf of the Company in all matters concerned with the daily management and affairs of the Company in respect of one or more Sub-fund(s) or to act in a purely advisory capacity to the Company in respect of one or more Sub-fund(s). The rules concerning the composition, functions, duties, remuneration of these committees will be as set forth in the Memorandum.

19. Art. 19. Binding Signatures.

19.1 The Company will be bound towards third parties in all matters by the sole signature of any member of the Board.

19.2 The Company will further be bound by the joint signatures of any persons or the sole signature of the person to whom specific signatory power has been granted by the Board, but only within the limits of such power. Within the boundaries of the daily management, the Company will be bound by the sole signature, as the case may be, of the person appointed to that effect in accordance with the article 18.1 above.

20. Art. 20. Delegation of Power and Appointment of Investment Manager.

20.1 The Board may delegate its powers to conduct the daily management and affairs of the Company (including the right to act as authorised signatory for the Company) and its powers to carry out acts in furtherance of the corporate policy and purpose to one or several physical persons or corporate entities, which need not be members of the Board, who shall have the powers determined by the Board and who may, if the Board so authorises, sub-delegate their powers.

20.2 The Company may enter with any Luxembourg or foreign company into (an) investment management agreement (s), according to which any company first approved by it will supply the Company with recommendations and advice with respect to the Company's investment policy pursuant to article 21 hereof. Furthermore, such company may, on a day-to-day basis and subject to the overall control and ultimate responsibility of the Board, purchase and sell securities and otherwise manage the Company's portfolio. The investment management agreement shall contain the rules governing the modification or expiration of such contract(s) which are otherwise concluded for an unlimited period.

20.3 The Board may also confer special powers of attorney by notarial or private proxy.

21. Art. 21. Investment Policy and Restrictions.

21.1 The Board, based upon the principle of risk spreading, has the power to determine (i) the investment policies to be applied in respect of each Sub-fund, (ii) the hedging strategy to be applied to specific Classes within particular Sub-funds and (iii) the course of conduct of the management and business affairs of the Company, all within the investment powers and restrictions as will be set forth by the Board in the Memorandum, in compliance with applicable laws and regulations.

21.2 The Board will also have power to determine any restrictions which will from time to time be applicable to the investment of the Company's and its Sub-funds' assets, in accordance with the 2007 Act including, without limitation, restrictions in respect of:

(a) the borrowings of the Company or any Sub-fund thereof and the pledging of its assets; and

(b) the maximum percentage of the Company or a Sub-fund's assets which it may invest in any single underlying asset and the maximum percentage of any type of investment which it (or a Sub-fund) may acquire.

21.3 The Board, acting in the best interests of the Company, may decide, in accordance with the terms of the Memorandum, that (i) all or part of the assets of the Company or of any Sub-fund be co-managed on a segregated basis with other assets held by other investors, including other UCIs and/or their sub-funds, or that (ii) all or part of the assets of two or more Sub-funds be co-managed on a segregated or on a pooled basis.

21.4 A Sub-fund (the Investing Sub-fund) may invest in one or more other Sub-funds. Any acquisition of shares of another Sub-fund (the Target Sub-fund) by the Investing Sub-fund is subject to the following conditions (and such other conditions as may be applicable in accordance with the terms of the Memorandum):

(a) the Target Sub-fund may not invest contemporaneously in the Investing Sub-fund;

(b) the voting rights attached to the shares of the Target Sub-fund are suspended during the investment by the Investing Sub-fund;

(c) the value of the shares of the Target Sub-fund held by the Investing Sub-fund are not taken into account for the purpose of assessing the compliance with the EUR 1,250,000 minimum capital requirement set out in article 5.2 above.

22. Art. 22. Indemnification.

22.1 The members of the Board are entitled to be indemnified, out of the relevant Sub-fund's assets against any and all liabilities, obligations, losses, damages, fines, taxes and interest and penalties thereon, claims, demands, actions, suits, proceedings (whether civil, criminal, administrative, investigative or otherwise) and litigation costs, expenses and disbursements (including legal and accounting fees and expenses, costs of investigation and sums paid in settlement) which may be imposed on, incurred by, or asserted at any time against them in any way related to or arising out of the Board members being involved in the business of the relevant Sub-fund, provided that no director will be entitled to such indemnification for any action or omission resulting from any behaviour which qualifies as fraud, wilful misconduct, reckless disregard or gross negligence.

22.2 In the event of a settlement, indemnification will be provided only in connection with such matters covered by the settlement as to which the person to be indemnified did not commit such a breach of duty. To assess whether or not indemnification will be provided in these circumstances, the Company will be advised by counsel selected in good faith. The foregoing right of indemnification will not exclude other rights to which such person may be entitled.

22.3 Each of the Company's service providers and their directors, managers, officers, agents and employees may also benefit from an indemnification from the Company, subject to the terms and provisions of the relevant service provider agreement.

22.4 The Company will, wherever deemed appropriate by the Board, provide professional, director and officer or other adequate indemnity insurance coverage to one or more Board members.

23. Art. 23. Powers of the General Meeting of the Company.

23.1 As long as the Company has only one Shareholder, the Sole Shareholder assumes all powers conferred to the General Meeting. In these Articles, decisions taken, or powers exercised, by the General Meeting will be a reference to decisions taken, or powers exercised, by the Sole Shareholder as long as the Company has only one Shareholder. The decisions taken by the Sole Shareholder are documented by way of minutes.

23.2 In the case of a plurality of Shareholders, any regularly constituted General Meeting will represent the entire body of Shareholders of the Company. It will have the broadest powers to order, carry out or ratify acts relating to all the operations of the Company.

24. Art. 24. Annual General Meeting of the Shareholders - Other Meetings.

24.1 The annual General Meeting will be held, in accordance with Luxembourg law, in Luxembourg at the address of the registered office of the Company or at such other place in the municipality of the registered office as may be specified in the convening notice of the meeting, on the third Friday of May of each year at 14.00 CET. If such day is not a business day for banks in Luxembourg, the annual General Meeting will be held on the following business day.

24.2 The annual General Meeting may be held abroad if, in the absolute and final judgment of the Board exceptional circumstances so require.

24.3 Other meetings of the Shareholders of the Company may be held at such place and time as may be specified in the respective convening notices of the meeting.

24.4 Any Shareholder may participate in a General Meeting by conference call, video conference or similar means of communications equipment whereby (i) the Shareholders attending the meeting can be identified, (ii) all persons participating in the meeting can hear and speak to each other, (iii) the transmission of the meeting is performed on an on-going basis and (iv) the Shareholders can properly deliberate, and participating in a meeting by such means will constitute presence in person at such meeting.

25. Art. 25. Notice, Quorum, Convening Notices, Powers of Attorney and Vote

25.1 The notice periods and quorum provided for by law will govern the notice for, and the conduct of, the General Meetings, unless otherwise provided herein.

25.2 The Board or, if exceptional circumstances require so, any two directors acting jointly may convene a General Meeting. They will be obliged to convene it so that it is held within a period of one month, if Shareholders representing one-tenth of the capital require it in writing, with an indication of the agenda. One or more Shareholders representing at least one tenth of the subscribed capital may require the entry of one or more items on the agenda of any General Meeting. This request must be addressed to the Company at least 5 (five) days before the relevant General Meeting.

25.3 All the shares of the Company being in registered form, the convening notices will be made by registered letters only.

25.4 Each share is entitled to one vote, subject to article 11.3.

25.5 Except as otherwise required by law or by these Articles, resolutions at a duly convened General Meeting will be passed by a simple majority of those present or represented and voting. However, resolutions to alter the Articles may only be adopted in a General Meeting held in accordance with the requirements of the Companies Act for amendment to the Articles. Votes relating to shares for which the Shareholder did not participate in the vote, abstain from voting, cast a blank (blanc) or spoilt (nul) vote are not taken into account to calculate the majority.

25.6 To the extent permitted by law, the convening notice to a General Meeting may provide that the quorum and majority requirements will be assessed against the number of shares issued and outstanding at midnight (Luxembourg

time) on the fifth day prior to the relevant meeting (the Record Date) in which case, the right of any Shareholder to participate in the meeting will be determined by reference to his/her/its holding as at the Record Date.

25.7 The nationality of the Company may be changed and the commitments of its Shareholders may be increased only with the unanimous consent of the Shareholders and bondholders.

25.8 A Shareholder may act at any General Meeting by appointing another person who need not be a Shareholder as its proxy in writing whether in original, by telefax, or e-mail to which an electronic signature (which is valid under Luxembourg law) is affixed.

25.9 If all the Shareholders of the Company are present or represented at a General Meeting, and consider themselves as being duly convened and informed of the agenda of the meeting, the meeting may be held without prior notice.

26. Art. 26. General Meetings of Shareholders in a Sub-fund or in a Class of Shares.

26.1 The Shareholders of the Classes issued in a Sub-fund may hold, at any time, General Meetings to decide on any matters which relate exclusively to that Sub-fund.

26.2 In addition, the Shareholders of any Class may hold, at any time, General Meetings for any matters which are specific to that Class.

26.3 The provisions of article 25 apply to such General Meetings, unless the context otherwise requires.

27. Art. 27. Auditors.

27.1 The accounting information contained in the annual report of the Company will be examined by an independent auditor (réviseur d'entreprises agréé) appointed by the General Meeting and remunerated by the Company.

27.2 The independent auditor will fulfil all duties prescribed by the 2007 Act.

28. Art. 28. Liquidation or Merger of Sub-funds or Classes of Shares.

28.1 In the event that for any reason the value of the total net assets in any Sub-fund or the value of the net assets of any Class within a Sub-fund has decreased to, or has not reached, an amount determined by the Board to be the minimum level for such Sub-fund or Class to be operated in an economically efficient manner or in case of a substantial modification in the political, economic or monetary situation, or as a matter of economic rationalisation, the Board may decide to offer to the relevant Shareholders the conversion of their shares into shares of another Sub-fund under terms fixed by the Board or to redeem all the shares of the relevant Class or Classes at the Net Asset Value per share (taking into account actual realisation prices of investments and realisation expenses) calculated on the Valuation Day at which such decision will take effect. The Company will serve a notice to the holders of the relevant shares prior to the effective date for the compulsory redemption, which will indicate the reasons for and the procedure for the redemption operations.

28.2 Any request for subscription will be suspended as from the moment of the announcement of the termination, the merger or the transfer of the relevant Sub-fund or Class.

28.3 In addition, the General Meeting of any Class or of any Sub-fund will, in any other circumstances, have the power, upon proposal from the Board, to redeem all the shares of the relevant Sub-fund or Class and refund to the Shareholders the Net Asset Value of their shares (taking into account actual realisation prices of investments and realisation expenses) calculated on the Valuation Day immediately preceding the date at which such decision will take effect. There will be no quorum requirements for a General Meeting constituted pursuant to this article 28, which will decide by resolution taken by simple majority of those present or represented and voting at such meeting.

28.4 Assets which may not be distributed to their beneficiaries upon the implementation of the redemption will be deposited with the Caisse de Consignation on behalf of the persons entitled thereto until the statutory limitation period has lapsed.

another sub-fund within such other UCI (the New Sub-fund) and to redesignate the shares of the Sub-fund concerned as shares of the New Sub-fund (following a split or consolidation, if necessary, and the payment of the amount corresponding to any fractional entitlement to Shareholders). Such decision will be communicated in the same manner as described in the first paragraph of this article one month before its effectiveness (and, in addition, the publication will contain information in relation to the New Sub-fund), in order to enable Shareholders to request redemption of their shares, free of charge, during such period.

28.7 Notwithstanding the powers conferred to the Board by the article 28.6, a contribution of the assets and liabilities attributable to any Sub-fund to another Sub-fund within the Company may, in any other circumstances, be decided upon by a General Meeting of the Sub-fund or Class concerned for which there will be no quorum requirements and which will decide upon such an amalgamation by resolution taken by simple majority of those present or represented and voting at such meeting.

28.8 Furthermore, a contribution of the assets and liabilities attributable to any Sub-fund to another undertaking for collective investment referred to in article 28.6 or to another sub-fund within such other undertaking for collective investment will require a resolution of the Shareholders of the Class or Sub-fund concerned taken with 50% quorum requirement of the shares in issue and adopted at a 2/3 majority of the shares present or represented, except when such an amalgamation is to be implemented with a Luxembourg undertaking for collective investment of the contractual type (fonds commun de placement) or a foreign based undertaking for collective investment, in which case resolutions will be binding only on such Shareholders who have voted in favour of such amalgamation.

31.7 No interest will be paid on a dividend declared by the Company and kept by it at the disposal of its beneficiary.

32. Art. 32. Depositary.

32.1 The Company will enter into a depositary agreement with a bank or savings institution which will satisfy the requirements of the 2007 Act, and, if the Company were to become subject to the provision of the Luxembourg act of 12 July 2013 on alternative investment fund managers (the 2013 Act), the 2013 Act (the Depositary) who will assume towards the Company and its Shareholders the responsibilities provided by the 2007 Act, and where applicable, the 2013 Act. The fees payable to the Depositary will be determined in the depositary agreement. 32.2 In the event of the Depositary desiring to retire, the Board will within two months appoint another financial institution to act as depositary and upon doing so the Board will appoint such institution to be depositary in place of the retiring Depositary. The Board will have power to terminate the appointment of the Depositary but will not remove the

Depository unless and until a successor depositary will have been appointed in accordance with this provision to act in place thereof.

33. Art. 33. Winding Up.

33.1 The Company may at any time be dissolved by a resolution of the General Meeting, subject to the quorum and majority requirements for amendment to these Articles.

33.2 If the assets of the Company fall below two-thirds of the minimum capital indicated in article 5, the question of the dissolution of the Company will be referred to the General Meeting by the Board. The General Meeting, for which no quorum will be required, will decide by simple majority of the votes of the shares represented at the General Meeting.

33.6 The decision to dissolve the Company will be published in the Mémorial and two newspapers with adequate circulation, one of which must be a Luxembourg newspaper.

33.7 The liquidator(s) will realise each Sub-fund's assets in the best interests of the Shareholders and apportion the proceeds of the liquidation, after deduction of liquidation costs, amongst the Shareholders of the relevant Sub-fund according to their respective prorata.

33.8 Any amounts unclaimed by the Shareholders at the closing of the liquidation of the Company will be deposited with the Caisse de Consignation in Luxembourg for a duration of thirty (30) years. If amounts deposited remain unclaimed beyond the prescribed time limit, they will be forfeited.
