have drawn-up this asset transfer plan, in accordance with the provisions and requirements provided in article 308bis-2 of the Luxembourg law of 10 August 1915 on commercial companies, as amended from time to time (the “Luxembourg Company Law”) and taking into consideration articles 69 and seq. of the Swiss merger act (asset transfer by operation of law, i.e. ipso jure transfer), article 163d of the Swiss international private law recognizing a cross-border asset transfer from a Luxembourg company to a Swiss corporation (the “Asset Transfer Plan”) and this contribution in kind agreement in accordance with the articles of the Swiss code of obligations regarding capital increase and contribution in kind (the “Contribution in Kind Agreement”) (the Asset Transfer Plan and the Contribution in Kind Agreement together the “Asset

ii. to the exclusion of any liabilities attached to the IP Activities and those assets and liabilities remaining at OCG, in particular but not limited to those described in Section 2.2 below (the “Excluded Assets and Liabilities”).

Any reference to the assets, respectively to the agreements and arrangements OCG has entered into in connection with its IP Activities, may also include assets allocated to the Swiss Branch, respectively those agreements and arrangements executed for the purpose of and/or through the Swiss Branch.

Preamble

A. The respective boards of directors of the Companies consider:

- that the shareholders’ meeting of SwissCo unanimously resolved on or around 14 December 2015 on an ordinary increase of the share capital of SwissCo from CHF 100,000 by CHF 10,000 to CHF 110,000 by issuing 100 registered shares with a nominal value of CHF 100 each and determined that the contribution will be performed by a contribution in kind (the “Capital Increase Shareholders’ Resolution”);

- that OCG shall subscribe these 100 registered shares to be newly issued in the course of the above mentioned capital increase and fully pay the contribution for such shares by contributing the Registered Trademarks (as defined below) which are part of the Assets as contribution in kind, subject to the approval of OCG’s sole shareholder to transfer the Assets;

- that OCG shall transfer the Assets to SwissCo; and

- to make use of the opportunity afforded by the second paragraph of article 308bis-2 of the Luxembourg Company Law to submit the contemplated Contribution under the procedure provided in articles 285 to 308 (to the exclusion of article 303) of the Luxembourg Company Law for division/demerger transactions (scissions) in order for the contemplated transfer of the Assets to occur, to the possible extent, by operation of law (i.e. ipso jure transfer) and to make use of the opportunity afforded by articles 69 and seq. of the Swiss merger act (asset transfer by operation of law, i.e. ipso jure transfer), article 163d of the Swiss international private law recognizing a cross-border asset transfer from a Luxembourg company to a Swiss corporation and the articles of the Swiss code of obligations regarding capital increase and contribution in kind.

B. The contemplated Contribution is in line with the previous global reorganization and relocation process of the Oriflame Group, whereby the management of the Oriflame Group has decided to align the Oriflame Group’s legal structure with its operational structure by re-domiciliation from Luxembourg to Switzerland. This initiative was a consequence of gradually improved operational efficiencies through the implementation of global shared services in the areas of IT, finance and HR as well as e-commerce, cash pooling initiatives and inventory risk management, where the Oriflame Group has moved activities, risk, management and functions to Switzerland. To accomplish the new legal structure in June 2015 Oriflame Holding AG (“OHAG”) made a public share-for-share exchange offer to the shareholders of the top holding company Oriflame Cosmetics S.A. The offer was successfully completed and the Oriflame Group’s top holding company changed domicile from Luxembourg to Switzerland. Therefore, the present transaction of moving the IP Rights from OCG to SwissCo is a continuation of alignment of the legal structure with the operational structure.

C. In accordance with the possibility set forth in article 296 of the Luxembourg Company Law, the respective shareholders of the Companies have expressly waived being submitted with any report from the management board of the Companies as provided for in article 293 of the Luxembourg Law, nor expert report as provided for in article 294, paragraph 1 of the Luxembourg Law.

D. The present Asset Transfer Plan and Contribution in Kind Agreement:

- has been prepared in compliance with relevant provisions of article 289 of the Luxembourg Company Law (i.e. at the exclusion of paragraphs 2 b) and i) of article 289 of the Luxembourg Company Law, which paragraphs are not relevant for the purpose of the Contribution as such transaction does not involve any share exchange per se (which absence of share exchange is one of the elements distinguishing the Contribution from division/demerger transactions for which articles 289 to 308 of the Luxembourg Company Law have been primarily designed) to provide the shareholders, creditors and/or co-contracting parties of OCG and SwissCo with all pertinent information regarding the contemplated Contribution;

- has been prepared in compliance with articles 69 and seq. of the Swiss merger act, article 163d of the Swiss international private law and the articles of the Swiss code of obligations regarding capital increase and contribution in kind;

- has been based on unaudited interim accounts of OCG as of 30 September 2015, prepared in accordance with Luxembourg generally accepted accounting principles (the “Interim Accounts”); - has been approved and signed by the respective boards of directors of the Companies pursuant to resolutions dated 14 December 2015;

- shall be deposited with the Luxembourg Trade and Companies Register to be published in the Mémorial C, Recueil des Sociétés et Associations (the “Luxembourg Official Gazette”), as prescribed by articles 290 and 9 of the Luxembourg Company Law, on or around 21 December 2015 and in any case at least one month prior to the date of execution of the Contribution;

- will be submitted to the approval of the sole shareholder of the Contributing Company (the “Sole Shareholder” and the “Sole Shareholder’s Approval”) in accordance with article 291 of the Luxembourg Company Law.

E. The board of directors of the Contributing Company declares that, as of the date of this Asset Transfer Plan and Contribution in Kind Agreement:

- no significant changes have occurred since the preparation of the Interim Accounts that could have a negative impact on the valuation of the Assets to be contributed; and

- all transactions, contracts, agreements or commitments, which could be performed and/or executed, as from the date of this Asset Transfer Plan and Contribution in Kind Agreement until the date of the Sole Shareholder’s Approval, in connection with the Assets, will be conducted either (a) within the normal course of the activities of the Contributing Company, excluding any major transactions and/or actions effecting the Assets or (b) for the purpose of the contemplated Contribution (in this latter case, the enforceability of all such transactions, contracts, agreements or commitments will be conditional upon the Sole Shareholder’s Approval).

There have been no specific difficulties in the valuation of the Net Contribution.

3. Contribution practicalities and formalities.

3.1 Implementation practicalities

Certain Assets will require separate underlying transactions and agreements (e.g. assignment, novation, sale and purchase, waiver, amendment, etc.) to be carried out in accordance with applicable laws (and in particular any applicable *lex loci protectionis* as far as the IP Rights are concerned), to be legally and effectively transferred to the Beneficiary Company.

The Companies will thus execute, with effect prior to the Legal Effective Date, any agreements, supplemental documents, schedules, papers, forms, notices, notifications, deeds, powers of attorney, letters, certificates, acknowledgements, instructions, amendment agreements, waiver requests, confirmations, written statements, etc. whether governed by Luxembourg or foreign law and/or to carry out any actions, steps formalities, etc. and/or make any declarations, announcements, observations, statements, confirmations, etc. that may be required, incidental, necessary, expedient, useful or desirable under all applicable laws and jurisdictions:

- i. to effect the transfer of the Assets from the Contributing Company to the Beneficiary Company; and/or
- ii. to have the IP Activities of the Contributing Company carried out and continued by the Beneficiary Company.

3.2 Additional formalities

The Companies will further take charge of all formalities (including filing and publication matters) required, necessary, appropriate or deemed useful under any applicable laws and jurisdictions in particular, *lex contractus* for the agreements, contracts and/or other contractual arrangements in connection with the IP Activities *lex loci protectionis* for the IP rights and/or *lex fori* for pending proceedings in relation to the IP Activities, in foreign jurisdictions (if any) to implement and/or to ensure the effectiveness of the Contribution vis-à-vis any concerned co-contracting parties of OCG and/or any third parties.

Completion of such formalities will be evidenced upon request of the Luxembourg Notary in front of whom the Sole Shareholder shall appear to formally approve the Asset Transfer Plan and Contribution in Kind Agreement and the Contribution.

4. Effects of the contribution vis-a-vis the companies and their creditors.

4.1 Vis-à-vis the Companies

Immediately upon Registration (as defined below) with effect as of the Legal Effective Date:

- i. the Contributing Company shall, to the possible extent, hand over to the Beneficiary Company the original copies of all contracts, agreements and/or transaction documentation of any kind, titles of ownership or documentary titles of ownership of any Assets to be transferred under the Contribution, as well as any supporting documents relating to the IP Activities carried out by the Contributing Company;
- ii. the Beneficiary Company shall, to the possible extent:
 - a. take over the transferred Assets in the composition and status as they exist on the Legal Effective Date;
 - b. be subrogated in all the various rights, actions, obligations and commitments relating to the Assets to be contributed, including in particular all rights and obligations deriving from a litigation to which the Contributing Company is or would become party, either as plaintiff or as defendant, in connection with the IP Activities, as of the Legal Effective Date (if any); and
 - c. be debtor with respect to all debts deriving from the IP Activities instead of and in lieu of the Contributing Company.

4.2 Vis-à-vis the Companies’ creditors

In accordance with article 297 of the Luxembourg Company Law, creditors of the Companies (including bondholders and/or noteholders), whose debts predate the date of publication in the Luxembourg Official Gazette of the notary deed recording the decision of the Sole Shareholder to proceed with the Contribution, will be able, within two months of such publication, to apply to the judge presiding the chamber of the Luxembourg Tribunal d'Arrondissement dealing with commercial matters and sitting as in urgency matters, to obtain adequate safeguards for any matured and un-matured debts where the Contribution would make such protection necessary (i.e. in case the creditors could demonstrate that due to the Contribution, the satisfaction of their claim is/may be compromised).

5. Consideration for the contribution.

5.1 Issue of new shares in SwissCo

The parties agree, that the Beneficiary Company shall, as consideration for the Contribution of the Registered Trade-marks, respectively the Net Contribution (which shall among the Companies be effective as of the Legal Effective Date):

- i. have its capital increased by an amount of CHF 10,000 (the “Capital Increase”), so as to bring it from its present amount of CHF 100,000 to an amount of CHF 110,000;

ii. have a contribution premium reserve set up and booked with an amount of CHF 706,227.14 as further described in Section 5.2 of the Asset Transfer Plan and Contribution in Kind Agreement; and

iii. immediately following the registration of the Capital Increase with the commercial register of the canton Schaffhausen (the “Registration”) issue 100 newly created fully paid-up registered shares, each having a nominal value of CHF 100, ranking pari passu with the existing shares of SwissCo (the “Shares”) and allocate them to the Contributing Company in consideration for the Contribution of the Registered Trademarks.

5.2 Value of the Contribution premium

The difference between the Net Contribution and the aggregate nominal value of the Shares in the amount of CHF 706,227.14 is credited as share premium (the “Contribution Premium”) to the capital contribution reserves of the Beneficiary Company.

5.3 Other considerations

For sake of clarity, the Contribution of the Other Assets will be made at nil value.

No cash payment (soulte) will be made by the Beneficiary Company to the Contributing Company as direct consideration for the Contribution.

The share capital of the Contributing Company shall not be decreased and none of the Contributing Company’s shares shall be cancelled as a result of the Contribution.

6. Delivery modalities of the shares. Immediately following the Registration:

- i. the Shares shall be issued under registered form;
- ii. the Contributing Company shall be registered in the share register of the Beneficiary Company as the legal owner of the Shares; and
- iii. the capital contribution reserve of the Beneficiary Company shall be increased by the amount of the Contribution Premium.

7. Profit entitlement - Date on which the shares will entitle the contributing company to benefit from the related profit. The Shares to be allotted to the Contributing Company will be vested, upon Registration, with all rights attached to the existing shares of the Beneficiary Company, as set out in the Capital Increase Shareholders’ Resolution and its articles of association, and will therefore entitle the Contributing Company to the profits and dividends of the Beneficiary Company as of the Legal Effective Date.

8. Legal effective date - Effectiveness of the contribution. Subject to the Registration occurring, such Contribution will be effective among the Companies with retroactive effect as of 1 January 2016 (the “Legal Effective Date”) and will entail the transfer of the Assets to the Beneficiary Company as well as the beneficial rights resulting out of the Shares to the Contributing Company as of such date.

As of the Legal Effective Date, the Beneficiary Company will become the sole legal owner of the Assets so transferred.

9. Transfer of employees.

9.1 Transferred Employee

The Companies acknowledge and agree that the Swiss law governed employment contract of Claudia Crescenzi (the “Transferred Employee”) shall be transferred by operation of law in accordance with article 333 and 333a Swiss code of obligations to the Beneficiary Company. Until the transfer, the Contributing Company shall continue employing the Transferred Employee and shall not amend the employment terms. The Contributing Company shall inform the Transferred Employee of the prospective date of the transfer, the reasons for the transfer and the legal, economic and social consequences the transfer will have on her employment conditions, as required by article 333a Swiss code of obligations. On the Registration the Beneficiary Company shall take over the Transferred Employee with contractual rights and obligations as existing on the Registration with retro-active effect as per the Legal Effective Date.

9.2 Transition

The Contributing Company shall be responsible, and indemnify the Beneficiary Company, for all salary payments and other claims related to the employment of the Transferred Employee relating to periods before the Legal Effective Date, including, but not limited to, (i) social security, pension scheme contributions and withholding tax relating to the Transferred Employee, (ii) any salary, bonuses and incentive payments relating to periods before the Legal Effective Date, (iii) any overtime accrued before the Legal Effective Date and (iv) any claims for any vacation accrued before the Legal Effective Date.

The Beneficiary Company shall be responsible, and indemnify the Contributing Company, for all salary payments and other claims related to the employment of the Transferred Employee relating to periods starting on or after the Legal Effective Date, including, but not limited to, (i) social security, pension scheme contributions and withholding tax relating to the Transferred Employee, (ii) any salary, bonuses and incentive payments relating to period starting on or after the Legal Effective Date, (iii) any overtime accrued after the Legal Effective Date and (iv) any claims for any vacation which will accrue on or after the Legal Effective Date.

9.3 Pension Fund

Subject to applicable laws and the relevant pension funds regulations, the Contributing Company shall procure that the pension fund entitlement for the Transferred Employee will be transferred with effect as of the Legal Effective Date to the pension scheme set up by the Beneficiary Company.

10. Tax/accounting effective date of the contribution. For tax and accounting purposes, the transfer of the Assets to the Beneficiary Company will be deemed to be effective, and the IP Activities related to such Assets will be considered to be undertaken by the Beneficiary Company, as of the Legal Effective Date as well.

11. Special benefits granted by the beneficiary company. No special benefit is to be granted by the Beneficiary Company to the Contributing Company, or its Sole Shareholder.

12. Particular advantages granted to the members of the management bodies and/or to the statutory/independent auditors of the companies. No particular advantages (in the sense of article 289 (2) g) of the Luxembourg Company Law) are to be granted to the members of the board of directors or to the statutory/independent auditors of the Companies.

Übertragung ipso iure), Artikel 163d des Schweizerischen Gesetzes über das internationale Privatrecht, welches eine grenzüberschreitende Vermögensübertragung von einer Luxemburger Gesellschaft an eine Schweizerische Gesellschaft erlaubt (der „VERMÖGENSÜBERTRAGUNGSPLAN“) und diesen Sacheinlagevertrag gemäss den Artikeln des Schweizer Obligationenrechts betreffend Kapitalerhöhung und Sacheinlage (der „SACHEINLAGEVERTRAG“) (der VERMÖGENSÜBERTRAGUNGSPLAN und der SACHEINLAGEVERTRAG gemeinsam der „VERMÖGENSÜBERTRAGUNGSPLAN UND SACHEINLAGEVERTRAG“) die nachfolgenden Bedingungen betreffend die Übertragung eines Teils des Vermögens (apport d'une partie de l'actif), welche zwischen der EINBRINGENDEN GESELLSCHAFT und der EMPFANGENDEN GESELLSCHAFT am oder um den 26. Januar 2016 (die „ÜBERTRAGUNG“) herum stattfinden soll, vereinbart, wobei die EINBRINGENDE GESELLSCHAFT, ohne aufgelöst zu werden, an die EMPFANGENDE GESELLSCHAFT übertragen soll:

i. alle mit den Tätigkeiten der OCG verbundenen Vermögenswerte bestehend aus (a) dem Eigentum, der Verwaltung und Durchsetzung der Immaterialgüterrechte jeglicher Art (z.B. Jede Bezugnahme auf die AKTIVA beziehungsweise auf die von OCG im Zusammenhang mit ihren IP AKTIVITÄTEN eingegangenen Verträge und Vereinbarungen kann ebenfalls an die SCHWEIZER ZWEIGNIEDERLASSUNG zugewiesene AKTIVA beziehungsweise die zum Zwecke der und/oder durch die SCHWEIZER ZWEIGNIEDERLASSUNG geschlossenen Verträge und Vereinbarungen betreffen.

Präambel

A. Die jeweiligen Verwaltungsräte der GESELLSCHAFTEN berücksichtigen:

- dass die ausserordentliche Generalversammlung der SWISSCO einstimmig am oder um den 14. Dezember 2015 eine ordentliche Erhöhung des Aktienkapitals der SWISSCO von derzeit CHF 100'000 um CHF 10'000 durch die Ausgabe von 100 Namenaktien mit einem Nennwert von je CHF 100 beschlossen und festgelegt hat, dass die Liberierung durch eine Sacheinlage erfolgen wird (der „BESCHLUSS DER GENERALVERSAMMLUNG“);
- dass die OCG diese 100 im Zuge der oben erwähnten Kapitalerhöhung neu ausgegebenen Namenaktien zeichnen soll und die vollständige Liberierung dieser Aktien durch eine Sacheinlage der Registrierten Marken (wie weiter unten definiert), die Teil der AKTIVA sind, erbringen soll, wobei die Übertragung der AKTIVA von der Genehmigung des Alleinaktionärs von OCG abhängig ist;
- dass die OCG die AKTIVA an die SWISSCO übertragen soll; und
- von der in Artikel 308bis-2 Absatz 2 des LUXEMBURGER HANDELSGESETZES gebotenen Möglichkeit Gebrauch zu machen ist, auf die beabsichtigte ÜBERTRAGUNG das Verfahren gemäss Artikel 285 bis 308 (unter Ausschluss von Artikel 303) des LUXEMBURGER HANDELSGESETZES für Teilungen/Ausgliederungen (scissions) anzuwenden, damit die beabsichtigte Übertragung der AKTIVA weitgehend kraft Gesetzes (d.h. durch Übertragung ipso iure) eintreten kann, und von der in Artikel 69 ff. des Schweizerischen Fusionsgesetzes (Vermögensübertragung kraft Gesetzes, d.h. Übertragung ipso iure), Artikel 163d des Schweizerischen Gesetzes über das Internationale Privatrecht, der eine grenzüberschreitende Vermögensübertragung von einer Luxemburger Gesellschaft an eine Schweizer Gesellschaft erlaubt und den Artikeln des Schweizerischen Obligationenrechts betreffend Kapitalerhöhung und Sacheinlage gebotenen Möglichkeit Gebrauch zu machen.

B. Die beabsichtigte ÜBERTRAGUNG steht im Einklang mit dem vorherigen globalen Prozess der Neuorganisation und Sitzverlegung der ORIFLAME GRUPPE, wobei die Geschäftsleitung der ORIFLAME GRUPPE beschlossen hat, die rechtliche Struktur der ORIFLAME GRUPPE an ihrer operativen Struktur durch Verlegung von Luxemburg in die Schweiz auszurichten. Dieses Vorhaben war Folge der schrittweise verbesserten operativen Effizienz durch die Umsetzung von weltweit einheitlichen Systemen in den Bereichen IT, Finanzen und HR sowie E-Commerce, Cash-Pooling-Aktivitäten und Bestandsrisikomanagement, wobei die ORIFLAME GRUPPE die Aktivitäten, Risiken, Verwaltung und Aufgaben in die Schweiz verlegt hat. Um die neue rechtliche Struktur umzusetzen, veröffentlichte die Oriflame Holding AG („OHAG“) im Juni 2015 ein Aktientauschangebot an die Aktionäre der obersten Holdinggesellschaft Oriflame Cosmetics S.A. Das Angebot wurde erfolgreich abgeschlossen und die oberste Holdinggesellschaft der ORIFLAME GRUPPE verlegte ihren Sitz von Luxemburg in die Schweiz. Daher ist die vorliegende Übertragung der IP RECHTE von OCG an die SWISSCO eine Fortführung der Ausrichtung der rechtlichen Struktur an der operativen Struktur.

C. In Übereinstimmung mit der in Artikel 296 des LUXEMBURGER HANDELSGESETZES vorgesehenen Möglichkeit verzichten die jeweiligen Aktionäre der GESELLSCHAFTEN ausdrücklich auf die Vorlage eines Berichts durch den Verwaltungsrat der GESELLSCHAFTEN gemäss Artikel 293 des LUXEMBURGER HANDELSGESETZES oder eines Sachverständigenberichts gemäss Artikel 294 LUXEMBURGER HANDELSGESETZES.

D. Der vorliegende VERMÖGENSÜBERTRAGUNGSPLAN UND SACHEINLAGEVERTRAG:

- wurde im Einklang mit den einschlägigen Bestimmungen des Artikels 289 des LUXEMBURGER HANDELSGESETZES (d.h. unter Ausschluss der Absätze 2 b) und i) des Artikels 289 des Luxemburger Handelsgesetzes, welche bei einer Übertragung nicht einschlägig sind, da eine solche Transaktion keinen Aktientausch per se betrifft (und das Fehlen eines Aktientauschs eines der Elemente zur Unterscheidung der Übertragung von einer Teilung/Ausgliederung ist, für die die Artikel 289 bis 308 des Luxemburger Handelsgesetzes im Wesentlichen konzipiert wurden) vorbereitet, um die Aktionäre, Gläubiger und/oder Vertragspartner der OCG und der SWISSCO mit allen erforderlichen Informationen betreffend die beabsichtigte ÜBERTRAGUNG zu versorgen;
- wurde im Einklang mit den Artikeln 69 ff. des Schweizerischen Fusionsgesetzes, Artikel 163d des Schweizerischen Gesetzes über das internationale Privatrecht und den Artikeln des Schweizerischen Obligationenrechts betreffend Kapitalerhöhung und Sacheinlage erstellt;
- basiert auf dem ungeprüften Zwischenabschluss der OCG zum 30. September 2015, der in Übereinstimmung mit den in Luxemburg allgemein anerkannten Grundsätzen der Rechnungslegung vorbereitet wurde (der „ZWISCHENABSCHLUSS“);
- wurde durch die jeweiligen Verwaltungsräte der GESELLSCHAFTEN gemäss der Beschlüsse vom 14. Dezember 2015 genehmigt und unterzeichnet;
- wird beim Luxemburger Handels- und Gesellschaftsregister zur Veröffentlichung im Mémorial C, Recueil des Sociétés et Associations (das „AMTSBLATT DES GROSSHERZOGTUMS LUXEMBURG“) gemäss den Artikeln 290 und 9 des LUXEMBURGER HANDELSGESETZES am oder um den 21. Dezember 2015 und in jedem Fall mindestens einen Monat vor dem Datum der Durchführung der ÜBERTRAGUNG, hinterlegt;

- wird dem Alleinaktionär der EINBRINGENDEN GESELLSCHAFT (der „ALLEINAKTIONÄR“) gemäss Artikel 291 des LUXEMBURGER HANDELSGESETZES zur Genehmigung vorgelegt werden (die „GENEHMIGUNG DES ALLEINAKTIONÄRS“).

E. Der Verwaltungsrat der EINBRINGENDEN GESELLSCHAFT erklärt, dass zum Zeitpunkt dieses VERMÖGENS-ÜBERTRAGUNGSPLANS UND SACHEINLAGEVERTRAGS:

- keine wesentlichen Änderungen seit der Vorbereitung des ZWISCHENABSCHLUSSES eingetreten sind, die einen negativen Einfluss auf die Bewertung der übertragenden AKTIVA haben könnte; und

- alle Transaktionen, Verträge, Vereinbarungen oder Verpflichtungen, die erfüllt und/oder ausgeführt werden konnten, seit dem WIRKSAMKEITSDATUM dieses 2 d.h. unter Ausschluss der Absätze 2 b) und i) des Artikels 289 des Luxemburger Handelsgesetzes, welche bei einer Übertragung nicht einschlägig sind, da eine solche Transaktion keinen Aktientausch per se betrifft (und das Fehlen eines Aktientauschs eines der Elemente zur Unterscheidung der Übertragung von einer Teilung/Ausgliederung ist, für die die Artikel 289 bis 308 des Luxemburger Handelsgesetzes im Wesentlichen konzipiert wurden). VERMÖGENSÜBERTRAGUNGSPLANS UND SACHEINLAGEVERTRAGS bis zum Datum der GENEHMIGUNG DES ALLEINAKTIONÄRS im Zusammenhang mit der Übertragung der AKTIVA entweder (a) im Rahmen der normalen Geschäftstätigkeit der EINBRINGENDEN GESELLSCHAFT mit Ausnahme von grösseren die AKTIVA betreffenden Transaktionen und/oder Massnahmen oder (b) zum Zwecke der beabsichtigten ÜBERTRAGUNG (in letzterem Fall erfolgt die Durchsetzbarkeit aller dieser Transaktionen, Verträge, Vereinbarungen oder Verpflichtungen in Abhängigkeit der GENEHMIGUNG DES ALLEINAKTIONÄRS) durchgeführt werden.
