Appendix 5 Direct sales know-how

There are two main types of know-how in Oriflame: Direct sales channel know-how and Manufacturing know-how.

Direct sales channel know-how i.e. know-how related to the operation of the multilevel marketing in direct sales. The main know-how elements are:

- the mathematical and commercial models of encouraging the consumers (clients, customers)
- to purchase the Goods offered for sales, including application of the following tools;

- a system of financial indemnifications when purchasing the Goods;
- a system of motivation programs for consumers (clients, customers);
- a system of programs of long-term co-operation with the distributing companies;

Elements of the direct sales know-how are included in such materials as:

1. Success Plan (it is a document describing the benefits of being a consultant as well as obligations of such consultant etc.

2. Sarpio and e-sarpio training materials: Sarpio is the training for consultants and leaders which allows them to build their networks and progress in their business in the most effective way.

eSARPIO – is the modern SARPIO describing all sales and recruitment processes in an online format. This system demonstrates all the tools and activities online and shows the benefits of a combination of methods of working online and offline.

The eSARPIO methods and tools give the opportunity to:

- effectively use the 24 hours 7 days a week,
- exchange information at a high rate,
- work with team efficiently

These tools provide the best experience and clear instructions how to be successful online. The following eSARPIO training materials are developed:

- Appendix - how to choose your web host site (ppt)
- Appendix - Policy Manual (ppt)
- eSARPIO Manual finalized (pdf)
- eSARPIO Part 1 Consultants (ppt)
- eSARPIO Part 2 Consultants (ppt)
- Online Prospecting Module June 1 (ppt)
- Online Recruiting Module June 1 (ppt)
- Oriflame Online Tools (ppt)

3. Oriflame Academy training program:

Consultant Training - Oriflame Academy

As a Leader, the key to success is inviting new Consultants to enjoy the Oriflame Opportunity and then training and coaching them to become successful.

The Oriflame Academy contains several training modules:

ORIFLAME ACADEMY OVERVIEW

4. Oriflame Beauty Academy The beauty Academy is standardized advanced product training. The purpose is to strengthen the Oriflame brand and to build and increase the sale of our products.

The BA modules offer the following benefits:

- Deepened product knowledge and therefore a stronger pride for the products.
- Increased Consultant customer loyalty though continuous training.
- Specific training modules for each beauty category experts.
- Easy to follow training material prepared by Oriflame's beauty category experts.
- Teaches consultants the utmost essentials of how to use and recommend the comprehensive range of beauty products.
